Ultimate Sacrifice Lamar Waldron, Thom Hartmann, 2013-08-22 Drawing on seventeen years of research thousands of recently declassified files and dozens of interviews Ultimate Sacrifice re creates and in many ways rewrites the crucial period of our history leading up to November 22 1963 In the process this groundbreaking account provides the missing pieces to the greatest tragic puzzle of post war America the true circumstances behind the assassination of President John F Kennedy Ultimate Sacrifice details a previously unknown Plan for a Coup in Cuba authorized by President John Kennedy run by Attorney General Robert Kennedy and set for December 1 1963 The Kennedy plan unique and different from any previously disclosed operation was as detailed in a Joint Chiefs of Staff memo to have included a palace coup a provisional Cuban government and if necessary a full scale invasion by invited US military forces The CIA's code name for their part of the operation AMWORLD has never previously surfaced in any government investigation nor in any book or article making it one of the most covert operations in United States history Ultimate Sacrifice will detail how the Kennedy plan was penetrated by three mafia godfathers Carlos Marcello Santo Trafficante and Johnny Roselli being vigorously pursued by Attorney General Robert Kennedy along with a dozen of their associates six of whom were also working on the Coup plan The crime bosses then used parts of the Coup Plan AMWORLD to arrange JFK's assassination in a way that would prevent a truly thorough government investigation in order to protect the Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and then one in Tampa on November 18 which Ultimate Sacrifice reveals for the first time in any book Ultimate Sacrifice has finally pieced together the whole story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys' closest Cuban exile aide Harry Ruiz Williams

Reckless Disregard Eric P. Robinson, 2018-12-12 In the years following the landmark United States Supreme Court decision on libel law in *New York Times v Sullivan* the court ruled on a number of additional cases that continued to shape the standards of protected speech As part of this key series of judgments the justices explored the contours of the Sullivan ruling and established the definition of reckless disregard as it pertains to actual malice in the case of *St Amant v Thompson* While an array of scholarly and legal literature examines Sullivan and some subsequent cases the *St Amant* case once called the most important of the recent Supreme Court libel decisions has not received the attention it warrants Eric P Robinson's *Reckless Disregard* corrects this omission with a thorough analysis of the case and its ramifications The history of *St Amant v*

Thompson begins with the contentious 1962 U S Senate primary election in Louisiana between incumbent Russell Long and businessman Phil A St Amant The initial lawsuit stemmed from a televised campaign address in which St Amant attempted to demonstrate Long s alleged connections with organized crime and corrupt union officials Although St Amant s claims had no effect on the outcome of the election a little noticed statement he made during the address that money had passed hands between Baton Rouge Teamsters leader Ed Partin and East Baton Rouge Parish deputy sheriff Herman A Thompson led to a defamation lawsuit that ultimately passed through the legal system to the Supreme Court A decisive step in the journey toward the robust protections that American courts provide to comments about public officials public figures and matters of public interest St Amant v Thompson serves as a significant development in modern American defamation law Robinson s study deftly examines the background of the legal proceedings as well as their social and political context His analysis of how the Supreme Court ruled in this case reveals the justices internal deliberations shedding new light on a judgment that forever changed American libel law

Sons & Brothers Richard D. Mahoney,1999

This intriguing book brings a fresh perspective to bear on the intimate charged partnership of John and Robert Kennedy The author Richard D Mahoney whose father was a friend

of Bobby's and an appointee of Jack's has both the academic and political experience necessary to evaluate evidence of the Kennedys' relations with the Mafia, anti-Castro rebels and other groups lurking in the shadows of American life. He also has a sharp eye for the brothers' differing yet complementary personalities. Jack was intellectual and cheerfully cynical with a zest for pleasure increased by a life-threatening illness concealed from the public. He looked to passionate partisan Bobby for bulldog-like political support and used his brother as a moral compass when planning his administration's actions on civil rights, the corruption of organized labor and the containment of Communism. Their powerful father, Joseph, whose deep pockets basically bought Jack the presidency and at the same time compromised it because of Joseph's links to organized crime looms over the brothers as the author of a Faustian bargain that may well have played a role in JFK's assassination. Mahoney's vivid, compulsively readable text offers suggestive questions rather than definitive answers, but it certainly succeeds as a bracing corrective to America's inability to see its history as tragedy, a failure Jack and Bobby emphatically did not share. Wendy Smith

One Nation Under Blackmail - Vol. 1 Whitney Alyse Webb, 2022-10-20 Exposes vastly underexplored topics compared to other media reports and books on Jeffrey Epstein. How did Jeffrey Epstein manage to evade justice for decades? Who enabled him and why? Why were legal officials told that Epstein belonged to intelligence and to back off during his first arrest in the mid-2000s? Volume 1 of *One Nation Under Blackmail* traces the origin of the network behind Jeffrey Epstein and his associates to the merging of organized crime and intelligence networks during World War II and follows their most notable activities through the decades. Various scandals, acts of corruption and other crimes throughout the last several decades of American history, many involving sex blackmail, can be traced back to these same networks which have subverted and taken control of many of America's most important institutions for their benefit and to the detriment of the public.

The Strength of the Wolf Douglas Valentine, 2013-10-01 Voted Outstanding Academic Title in 2004 by Choice. *The Strength of the Wolf* is the first complete history of the Federal Bureau of Narcotics (FBN) which existed from 1930 until its wrenching termination in 1968. The most successful federal law enforcement agency ever, the FBN was populated by some of the most amazing characters in American history, many of whom the author interviewed for this book. Working as undercover agents and with mercenary informers around the globe, these freewheeling case-making agents penetrated the Mafia and the French connection, breaking all the rules in the process and uncovering the Establishment's ties to organized crime. Targeted by the FBI and the CIA, the case makers were ironically victims of their own fabulous success in hunting down society's predators. An incredible, never-before-told story, *The Strength of the Wolf* provides a new, exciting and revealing look at an important chapter in American history.

The Mafia's President Don Fulsom, 2017-11-14 The first ever full account of Nixon's extensive ties to the American Mafia from a veteran White House reporter Unbeknownst to most people even now the election of 1968 placed the patron saint of the Mafia in the White House In other words Richard Nixon would go on to not only lead a criminal presidency he would be totally indebted to our nation's top mobsters By 1969 thanks in large part to his long time campaign manager and political advisor Murray Chotiner a lawyer who specialized in representing mobsters Nixon had participated in secret criminal dealings for more than 20 years with sketchy figures such as Mickey Cohen Mob financial guru Meyer Lansky Teamsters union chief Jimmy Hoffa and New Orleans Mafia boss Carlos Marcello And with Chotiner as one of his key behind the scenes advisors in the White House Nixon's ties to the Mafia didn't end there The Mafia's President reveals a mind blowing litany of favors Nixon exchanged with these sinister characters over decades ranging from springing Jimmy Hoffa from prison to banning the federal government from using the terms Mafia and La Cosa Nostra Drawing on newly released government tapes documents and other fresh information The Mafia's President by Don Fulsom offers a carefully reported

deeply researched account of Richard Nixon's secret connections to America's top crime lords *Deportation Nation* Daniel Kanstroom, 2010-03-15 This book is a chilling history of communal self idealization and self protection By illuminating the shadowy corners of American history Kanstroom shows that deportation has long been a legal tool to control immigrants lives and is being used with increasing crudeness in a globalized but xenophobic world *Carlos Marcello* Stefano Vaccara, 2013-11-15

Like getting a pebble out my shoe New Orleans is the true birthplace of the Sicilian mafia in America Carlos Marcello controlled organized crime in Louisiana and across the Southeast in the 1950s and 60s He was untouchable until he met the Kennedy Brothers Once Robert Kennedy became attorney general Marcello was deported to Guatemala and swore to seek revenge It became a duel to the death Marcello found his patsy a former marine with a Russian wife Lee Harvey Oswald was the perfect fall guy but he never pulled the trigger **Reclaiming History** Vincent Bugliosi, 2007-05-17 For fifty years the truth about the assassination of President John F Kennedy has been obscured This book releases us from a crippling distortion of American history At 1 00 p m on November 22 1963 President John F Kennedy was pronounced dead the victim of a sniper attack during his motorcade through Dallas That may be the only fact generally agreed upon in the vast literature spawned by the assassination National polls reveal that an overwhelming majority of Americans 75% believe that there was a high level conspiracy behind Lee Harvey Oswald Many even believe that Oswald was entirely innocent In this continuously absorbing powerful ground breaking book Vincent Bugliosi shows how we have come to believe such lies about an event that changed the course of history The brilliant prosecutor of Charles Manson and the man who forged an iron clad case of circumstantial guilt around O J Simpson in his best selling *Outrage* Bugliosi is perhaps the only man in America capable of writing the definitive book on the Kennedy assassination This is an achievement that has for years seemed beyond reach No one imagined that such a book would ever be written a single volume that once and for all resolves beyond any reasonable doubt every lingering question as to what happened in Dallas and who was responsible There have been hundreds of books about the assassination but there has never been a book that covers the entire case including addressing every piece of evidence and each and every conspiracy theory and the facts or alleged facts on which they are based In this monumental work the author has raised scholarship on the assassination to a new and final level one that far surpasses all other books on the subject It adds resonance depth and closure to the admirable work of the Warren Commission *Reclaiming History* is a narrative compendium of fact forensic evidence reexamination of key witnesses and common sense Every detail and nuance is accounted for every conspiracy theory revealed as a fraud on the American public Bugliosi's irresistible logic command of the evidence and ability to draw startling inferences shed fresh light on this American nightmare At last it all makes sense **LBJ: The Mastermind of the JFK Assassination** Phillip F. Nelson, 2013-07-01 LBJ aims to prove that Vice President Johnson played an active role in the assassination of President Kennedy and that he began planning his takeover of the U S presidency even before being named the vice presidential nominee in 1960 Lyndon B Johnson's flawed personality

and character traits formed as a child grew unchecked for the rest of his life as he suffered severe bouts of manic depressive illness He successfully hid this disorder from the public as he bartered stole and finessed his way through the corridors of power on Capitol Hill though it s recorded that some of his aides knew of his struggle with bipolar disorder After years of researching Johnson and the JFK assassination Phillip F Nelson conclusively shows that LBJ had an active role in JFK s assassination and he includes newly uncovered photographic evidence proving that Johnson knew when and where Kennedy s assassination would take place Nelson s careful and meticulous research has led him to uncover secrets from one of the greatest unsolved mysteries in our country s history *The Radical Right and the Murder of John F.
