Congress. House. Committee on Public Works. Subcommittee on Rivers and Harbors,1970 **How to Change Your Name in California** Lisa Sedano,2001 Easy to read and use this book provides all the forms and instructions anyone needs to change a name in California It covers how to choose a new name and make it legal amend a birth certificate or get a new one change children s names get a new driver s license passport and Social Security card and change back to a former name after divorce It s completely revamped to accommodate new DMV regulations and provides the latest forms required Legal Name Changes Corbin Shepherd,AI,2025-04-07 *Legal Name Changes* explores the intricate processes LGBTQ individuals undertake to align their legal identities with their true selves focusing on the often challenging journey of name and gender marker changes This book highlights how seemingly simple legal procedures can be fraught with emotional and bureaucratic hurdles The legal landscape governing these changes is far from uniform varying significantly across jurisdictions and reflecting shifting societal attitudes One key insight is the potential for discrimination in employment healthcare and housing faced by those without accurate documentation The book argues that the legal system often inadequately addresses the needs of LGBTQ individuals seeking identity affirmation It demonstrates how seemingly neutral legal processes can perpetuate systemic inequalities and emotional distress The approach taken combines legal scholarship sociological studies and personal narratives to provide a comprehensive understanding The book progresses by first outlining the legal concepts then exploring lived experiences and finally analyzing connections to healthcare employment and family law along with offering policy recommendations for a more affirming legal environment
