Greco Roman antiquity and of great men prior to 1800 Napoleon appears only fleetingly in other discussions of the cult of great men None of the burgeoning historiography adequately takes Napoleon s place in the story of this cult into perspective This book serves as a further exploration of the cult of great men including its place in Napoleonic and European history and the alleged efforts of its members to enlighten the earth *Encyclopedia of the Age of Imperialism, 1800-1914* Carl C.
