

A NEW DICTIONARY OF
IRISH HISTORY
FROM 1800

D. J. HICKEY & J. E. DOHERTY

New Dictionary Of Irish History 1800

S Baum

New Dictionary Of Irish History 1800 :

A New Dictionary of Irish History from 1800 D. J. Hickey, J. E. Doherty, 2003 The first paperback edition of the definitive reference book on modern Irish history Comprising almost 2 000 headwords it remains the only such work completely devoted to the modern period

A New History of Ireland: Ireland under the Union, II, 1870-1921 Daibhi O. Croinin, William Edward Vaughan, 2005

The Titled Americans Elisabeth Kehoe, 2005-10-11 Set against the backdrop of Victorian and Edwardian society a portrait of the three Jerome sisters Jennie Clara and Leonie American heiresses who married into the heights of British society spans three generations from their parents through their children including Jennie's son Winston Churchill Publisher

A New History of Ireland Volume VII J. R. Hill, 2003-12-04 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland's history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the most comprehensive treatment of these developments of any single volume survey of twentieth century Ireland

Society and Manners in Early Nineteenth-Century Ireland John Gamble, 2011

A New History of Ireland, Volume VI W. E. Vaughan, 2010-04-01 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VI opens with a character study of the period followed by ten chapters of narrative history and a study of Ireland in 1914 It includes further chapters on the economy literature the Irish language music arts education administration and the public service and emigration

The Roots of Ireland's Troubles Robert Stedall, 2019-07-30 The author of Elizabeth I's Secret Lover places Ireland into a much wider context and takes it beyond the simplistic Catholic v Protestant dichotomy The British Empire Blog Over the course of three decades in the late twentieth century Northern Ireland was embroiled in the Troubles a conflict characterized by the violent and bitter struggle between nationalists and unionists Many books in recent years have attempted to make sense of the Troubles Primarily political and nationalistic it also had a sectarian dimension Undeniably it was fueled by historical events and yet most only look so far back as the 1916 uprising In The Roots of Ireland's Troubles Robert Stedall argues that we need to take a longer historical view to truly understand the complex factors at play in Ireland's history that ultimately led to the Troubles Comprehensive in its approach it ranges from Plantagenet intervention among the warring Gaelic chieftains to Cromwell's restoration of British rule following the English Civil War and William Pitt's

resignation over the Irish Catholic s Emancipation question Inextricably linked with the history of Britain Stedall guides the reader through Ireland s turbulent but rich history To understand the causes behind the twentieth century conflict which continues to resonate today we must look to the long arc of history in order to truly understand the historical roots of a nation s conflict A very readable and direct account of the complex issues at the heart of Anglo Irish relationships since the Reformation a totally absorbing book Michael McCarthy Battlefield Guide

Reference and Information Services Kay Ann Cassell, Uma Hiremath, 2013 Search skills of today bear little resemblance to searches through print publications Reference service has become much more complex than in the past and is in a constant state of flux Learning the skill sets of a worthy reference librarian can be challenging unending rewarding and yes fun

Reference Sources in History Ronald H. Fritze, Brian E. Coutts, Louis A. Vyhnanek, 2004-03-09 Fully annotated and completely updated the most comprehensive guide to reference books in the field of history Reference Sources in History catalogs atlases encyclopedias dictionaries handbooks sourcebooks bibliographies and chronologies and makes sense of it all Its broad scope and systematic organization make it an accessible reliable resource for experienced and inexperienced researchers alike Fully annotated and updated the new edition summarizes hundreds of reference works on every conceivable subject in history from ancient to modern from Afghanistan to Zimbabwe This edition also reflects the dramatic impact of the digital revolution on historical research by integrating a wide range of Internet and CD ROM sources Reference Sources in History is a time saving alternative to searching the reference stacks or getting lost in an online thicket of dubious historical websites

Alfred Cort Haddon Ciarán Walsh, 2023-09-15 An innovative account of one of the least understood characters in the history of anthropology Using previously overlooked primary sources Ciarán Walsh argues that Haddon the grandson of anti slavery activists set out to revolutionize anthropology in the 1890s in association with a network of anarcho utopian activists and philosophers He regards most of what has been written about Haddon in the past as a form of disciplinary folklore shaped by a theory of scientific revolutions The main action takes place in Ireland where Haddon adopted the persona of a very English savage in a new form of performed photo ethnography that constituted a singularly modernist achievement in anthropology From the Introduction Alfred Cort Haddon was written out of the story of anthropology for the same reasons that make him interesting today He was passionately committed to the protection of simpler societies and their civilisations from colonists and their supporters in parliament and the armed forces

The Great Famine Ciarán Ó Murchadha, 2011-08-04 An engaging and moving account of this most destructive event in Irish history

James Joyce's Painful Case Cólín Owens, 2017-08-22 An eminently insightful and informative study of a single story as well as a profound exploration of Joyce s position within his own historical moment and its most urgent philosophical and religious questions James Joyce Quarterly One of the more intellectually capacious wide ranging studies on Joyce and his work to emerge in some time Owens s book is among the finest studies of Dubliners ever written as well as among the best most provocative revealing and useful critical works on Joyce to

be published in some time Philological Quarterly While Owens has captured the breadth of subjects that a casebook would offer he balances his readings with a great deal of focused and specific close reading This book is an excellent companion for reading *A Painful Case* and would be essential reading for anyone engaging in an in depth study of *Dubliners* James Joyce Literary Supplement Inspires awe admiration and wonder There is something new for every Joyce student and scholar to learn from Owens s thorough research *English Literature in Transition 1880-1920* In order to demonstrate that one story from the *Dubliners* is not only a turning point in that book but also a microcosm of a wide range of important Joycean influences and preoccupations C il n Owens examines the dense intertextuality of *A Painful Case* Assuming the position of the ideal contemporary Irish reader that Joyce might have anticipated Owens argues that the main character James Duffy is a spoiled priest emotionally arrested by his guilt at having rejected the call to the priesthood Duffy s intellectual life thereafter progresses through German idealism to eventual nihilism The contrast of nihilist thought and Christian belief is Owens s main focus and he demonstrates how this dichotomy is evident at various points in the life of James Duffy From this springboard Owens constructs a larger discussion of Joyce s cultural influences including Schopenhauer Wagner Tolstoy and others He considers many other complex interrelationships that inform Joyce s text theology philosophy music opera literary history Irish cultural history and Joyce s own poetry and offers detailed elucidations informed by historical geographical linguistic and biographical information *Gerald O'Donovan: A Life* John F. Ryan, 2022-11-17 This is the first full length study of the life and work of novelist Gerald O'Donovan 1871-1942 a Catholic priest and social and cultural activist who having abandoned the priesthood became a writer and publisher As a priest in Loughrea Co Galway he was a very public figure in Irish life in several different areas He was friendly with W B Yeats Lady Gregory and George Moore and actively promoted the Celtic Revival He was also a friend of Douglas Hyde and Sir Horace Plunkett and for a number of years he was a national figure in their respective organizations the Gaelic League and the Co-operative Movement After his marriage to Beryl Verschoyle he moved to England and subsequently published six novels the best known and most controversial of which was *Father Ralph* 1913 a portrait of the artist as a priest He also spent time working in the British Department of Propaganda under Lord Northcliffe where H G Wells was one of his colleagues This biography of an important and strangely neglected figure allows us new insights into a whole range of interesting cultural moments in twentieth century Irish life including the beginnings of literary modernism the flourishing of the Irish literary revival and the emergence of a dissident strand within the Catholic clergy Based on a rich and previously untapped array of archival material in Ireland Britain and the US the book provides both a much needed reassessment of O'Donovan s work and also a history of Irish writing during those early decades of the twentieth century that saw the development of a new and powerful national literature

Limerick Constitutional Nationalism, 1898-1918 Tadhg Moloney, 2010-02-19 This book analyses local politics in Limerick from 1898 to 1918 reaching back to the Parnellite split and forward to the post independence era It explores at

local level the relevance of the commemoration of 1798 the reunification of the Irish Parliamentary Party and the emergence of multiple cultural political movements as well as the demise of Unionism The question posed is twofold whether nationalist constitutional politics changed over this time period on the one hand and whether they were driven by local or national concerns on the other The conclusion is that the spirit of politics was intensely local that political patronage was largely locally controlled and that there were greater continuities than ruptures in the composition and behaviour of political elites In fact long term continuities of personnel social class and political allegiance existed side by side with the ability of existing structures to absorb change and to adapt in the light of wider political developments and internal manoeuvres

International Bibliography of Social Science International Committee for Social Science Information and Documentation,1984-03-15 First published in 1984 Routledge is an imprint of Taylor Francis an informa company

Victorian Studies Sharon Propas,2016-06-17 First published in 2006 this work is a valuable guide for the researcher in Victorian Studies Updated to include electronic resources this book provides guides to catalogs archives museums collections and databases containing material on the Victorian period It organises the vast array of reference sources by discipline to help researchers tailor their investigations

Sociolinguistics in Ireland R. Hickey,2016-04-12 Sociolinguistics in Ireland takes a fresh look at the interface of language and society in present day Ireland In a series of specially commissioned chapters it examines the relationship of the Irish and English languages and traces their dynamic development both in history and at present

The Catholic Ethic and Global Capitalism Bryan Fields,2017-11-22 This title was first published in 2003 Fields traces the origins of recent economic growth in Ireland over a long period of development In doing so he opens up an old debate with new data interpretations and evidence that will force many to question existing truths about the role of religion in economic growth The work is founded on an innovative methodology and unique primary and secondary resource material that has never been used in a study of this kind This is timely as the area has a growing international market and addresses some recently ignored themes in the Social Sciences in particular religion Whilst concerned with global issues this text also focuses on one country which economists and sociologists as well as those in other Social Sciences areas will find of great interest

Fortune's Daughters Elisabeth Kehoe,2004 The glittering biography of the ravishing Jerome sisters young gifted Americans who married into the apex of the British and Irish aristocracy and took princes and kings as their lovers

The Ireland that We Made David R. C. Hudson,2003 Although the policy has frequently been dismissed as either incoherent or inconsequential it very nearly succeeded in its objectives and certainly brought about a profound transformation in the political social and economic landscape of Ireland

BOOK JACKET

Ignite the flame of optimism with Get Inspired by is motivational masterpiece, Find Positivity in **New Dictionary Of Irish History 1800** .
