The Learner's Japanese Kanji Dictionary Mark Spahn, Wolfgang Hadamitzky, 2004-02-15

The authors have succeeded in the purpose of making it as easy as possible to look up the readings and meanings of Japanese words written in Chinese characters

The Modern Language Library

The purpose of this Learner's Kanji Dictionary is to offer a handy and easy to use Japanese language tool to look up the readings and meanings of Japanese words and names written with Chinese characters

kanji Each kanji entry is presented in extra large form with its strokes labeled in order by small numbers 1 2 3 positioned at the beginning of each stroke to show how the kanji is to be written

Handwritten pen and variant forms of the kanji are also given along with its general structure and graphemes

This dictionary is a concise version of the more comprehensive Kanji Dictionary

In all this Japanese dictionary lists the most important 2 882 characters and 12 073 multi character compounds including all 1 945 Joyo Kanji decree for general use plus all 284 Jinmei yo Kanji sanctioned for use in given names

In addition the most frequently used approximately 700 surnames and 600 given names have been added

One feature that makes this dictionary particularly useful for a beginner or anyone else wishing to learn Japanese is that every compound is listed under each of its characters

This multiple listing makes it possible to look up a compound under whichever of its characters is quickest to find and it is a big help in deciphering sloppy handwriting or a blurred copy

Entries are arranged according to a radical based lookup system of the same type used in virtually all character dictionaries but with improvements that make it particularly easy to learn and use

And with the alphabetically arranged index of kanji readings at the back of the dictionary the user can look up a character via any of its known readings or look up a compound via any of the readings of any of its characters without having to determine radicals or count strokes

This handy character dictionary

includes 2 882 character entries and 12 073 compounds Character entries are according to the system of 79 Radicals English Japanese and Japanese English Sections Information about writing form structure etc of each of the characters Approximately 700 surnames and 600 given names An alphabetical pronunciation index Kanji and Kana Wolfgang Hadamitzky, Mark Spahn, 1981 **Kodansha's Essential Kanji Dictionary** Kodansha International, 2012-02-21 Whether full time students business people or casual readers all have felt the need for a compact up to date practical kanji dictionary Something that would fit into a shoulder bag or briefcase could be taken to class or would sit unobtrusively on a desktop Kodansha's Essential Kanji Dictionary is precisely that dictionary designed specifically to meet the needs of the modern man and woman It includes all of the 1 945 Joyo Kanji the core kanji recommended by the Japanese Ministry of Education for use in Japanese newspapers and magazines Knowing these kanji the student can recognize virtually every Chinese character appearing in the daily press And that is not all This dictionary also features some 18 000 kanji compounds both those with Chinese readings on yomi and those with Japanese readings kun yomi These compounds have been carefully selected for practicality usefulness and timeliness The living language has received exclusive priority including such words as favoritism and statute of limitations For those interested in securities stocks and bonds and the diverse terminology of the business world related terms and jargon are clearly marked for easy reference Simply open the book and look for the Yen sign There you will find current price aggregate market value issue at market price and a great deal more For those who want to write kanji the stroke order of each and every character has been duly noted But more important the Essential Kanji Dictionary does its utmost to help the reader locate the needed character Aside from the traditional radical chart on the back endpaper there are three invaluable indices as well The first is by the reading of the kanji either Japanese kun or Chinese on The second is by radical but not by traditional radical alone Also included are variants and near misses directing the reader precisely to the right page The third is by stroke number if all else fails count the strokes and track the character down With a copy of Kodansha's Essential Kanji Dictionary close at hand with its definitions stroke order Chinese compounds Japanese compounds business terminology and three helpful indices the life of the typical student of Japanese should take a decided turn for the better FEATURES 1 945 Essential Joyo Kanji 18 000 Common Compounds 2 000 Practical Business Terms Three Indices for Finding Kanji Compact for Handy Reference Functional Up to Date Timely *A New Dictionary of Kanji Usage* Barron's Educational Series, Incorporated, 1983-04-01
