

New England and the Maritime Provinces Connections and Comparisons

Edited by Stephen J. Hornsby and John G. Reid

New England And The Maritime Provinces Connections And Comparisons

Jeffers Lennox

New England And The Maritime Provinces Connections And Comparisons:

New England and the Maritime Provinces Stephen John Hornsby, John G. Reid, 2005 A wide reaching inter disciplinary examination of the links between New England and the Maritimes *Regional Geography of the United States and Canada* Daniel R. Montello, Michael T. Applegarth, Tom L. McKnight, 2021-03-29 The fifth and thoroughly revised edition of *Regional Geography of the United States and Canada* provides a rich and comprehensive overview of both the physical and human geography of these two countries and in the true spirit of geography the interactions and interrelations of the physical and human Following long traditions of the discipline of geography this text incorporates words maps drawings photographs and numerical data to present its information in an engaging way After covering beneficial precursor topics such as the basics of physical and human geography the text explores fifteen regions of the US and Canada The authors observe and describe our planet s geography in thorough and accessible detail while laying out the spatial basics of the location shape and size of the different regions and summarizes their most distinctive thematic qualities Physical topics covered include the region s topography and landforms soils climate hydrography vegetation and wildlife The human topics include the region s population the ethnicities and settlement history of its people economic activities including agriculture forestry mining fishing manufacturing and service industries cities and transportation In depth essays expand on specific topics of interest and importance while outlook sections prognosticate about the near future of the regions Each chapter concludes with a bibliography of books articles and reports that provide further sources for the interested reader

The Greater Gulf Claire Elizabeth Campbell, Edward MacDonald, Brian Payne, 2020-02-13 The largest estuary in the world the Gulf of St Lawrence is defined broadly by an ecology that stretches from the upper reaches of the St Lawrence River to the Gulf Stream and by a web of influences that reach from the heart of the continent to northern Europe For more than a millennium the gulf s strategic location and rich marine resources have made it a destination and a gateway a cockpit and a crossroads and a highway and a home From Vinland the Good to the novels of Lucy Maud Montgomery the Gulf has haunted the Western imagination A transborder collaboration between Canadian and American scholars The Greater Gulf represents the first concerted exploration of the environmental history marine and terrestrial of the Gulf of St Lawrence Contributors tell many histories of a place that has been fished fought over explored and exploited The essays defining themes resonate in today s charged atmosphere of quickening climate change as they recount stories of resilience played against ecological fragility resistance at odds with accommodation considered versus reckless exploitation and real imagined and imposed identities Reconsidering perceptions about borders and the spaces between and across land and sea The Greater Gulf draws attention to a central place and part of North Atlantic and North American history Contributors include Rainer Baehre Memorial University of Newfoundland Jack Bouchard Folger Institute Claire Campbell Bucknell University Caitlin Charman Memorial University of Newfoundland Jack Little Simon Fraser University Edward MacDonald University of Prince Edward Island

Matthew McKenzie University of Connecticut Suzanne Morton McGill University Brian Payne Bridgewater State University John G Reid St Mary's University and Daniel Soucier University of Maine *Essays on Northeastern North America, Seventeenth and Eighteenth Centuries* John G. Reid, 2008-01-01 The essays in this volume deal with topics such as colonial habitation imperial exchange and aboriginal engagement all of which were pervasive phenomena of the time *Essays on Northeastern North America, 17th & 18th Centuries* John G. Reid, 2008-11-14 In examining the history of northeastern North America in the seventeenth and eighteenth centuries it is important to take into account diverse influences and experiences Not only was the relationship between native inhabitants and colonial settlers a defining characteristic of Acadia Nova Scotia and New England in this era but it was also a relationship shaped by wider continental and oceanic connections The essays in this volume deal with topics such as colonial habitation imperial exchange and aboriginal engagement all of which were pervasive phenomena of the time John G Reid argues that these were complicated processes that interacted freely with one another shaping the human experience at different times and places Northeastern North America was an arena of distinctive complexities in the early modern period and this collection uses it as an example of a manageable and logical basis for historical study Reid also explores the significance of anniversary observances and commemorations that have served as vehicles of reflection on the lasting implications of historical developments in the early modern period These and other insights amount to a fresh perspective on the region and offer a deeper understanding of North American history

Remembering and Forgetting in Acadie Ronald Rudin, 2009-01-01 Conducting interviews and collecting the opinions of Acadians Anglophones and First Nations Rudin examines the variety of ways in which the past is publicly presented and remembered **Pet Projects** Elizabeth Young, 2019-12-15 In *Pet Projects* Elizabeth Young joins an analysis of the representation of animals in nineteenth century fiction taxidermy and the visual arts with a first person reflection on her own scholarly journey Centering on Margaret Marshall Saunders a Canadian woman writer once famous for her animal novels and incorporating Young's own experience of a beloved animal's illness this study highlights the personal and intellectual stakes of a pet project of cultural criticism Young assembles a broad archive of materials beginning with Saunders's novels and widening outward to include fiction nonfiction photography and taxidermy She coins the term first dog voice to describe the narrative technique of novels such as Saunders's *Beautiful Joe* written in the first person from the perspective of an animal She connects this voice to contemporary political issues revealing how animal fiction such as Saunders's reanimates nineteenth century writing about both feminism and slavery Highlighting the prominence of taxidermy in the late nineteenth century she suggests that Saunders transforms taxidermic techniques in surprising ways that provide new forms of authority for women Young adapts Freud to analyze literary representations of mourning by and for animals and she examines how Canadian writers including Saunders use animals to explore race ethnicity and national identity Her wide ranging investigation incorporates twenty first as well as nineteenth century works of literature and culture including recent art

using taxidermy and contemporary film Throughout she reflects on the tools she uses to craft her analyses examining the state of scholarly fields from feminist criticism to animal studies With a lively first person voice that highlights experiences usually concealed in academic studies by scholarly discourse such as detours zigzags roadblocks and personal experience this unique and innovative book will delight animal enthusiasts and academics in the fields of animal studies gender studies American studies and Canadian studies

The Homing Place Rachel Bryant, 2017-10-07 Can literary criticism help transform entrenched Settler Canadian understandings of history and place How are nationalist historiographies insular regionalisms established knowledge systems state borders and narrow definitions continuing to hinder the transfer of information across epistemological divides in the twenty first century What might nation to nation literary relations look like Through readings of a wide range of northeastern texts including Puritan captivity narratives Wabanaki wampum belts and contemporary Innu poetry Rachel Bryant explores how colonized and Indigenous environments occupy the same given geographical coordinates even while existing in distinct epistemological worlds Her analyses call for a vital and unprecedented process of listening to the stories that Indigenous peoples have been telling about this continent for centuries At the same time she performs this process herself creating a model for listening and for incorporating those stories throughout This commitment to listening is analogous to homing the sophisticated skill that turtles insects lobsters birds and countless other beings use to return to sites of familiarity Bryant adopts the homing process as a reading strategy that continuously seeks to transcend the distortions and distractions that were intentionally built into Settler Canadian culture across centuries

A Companion to American Art John Davis, Jennifer A. Greenhill, Jason D. LaFountain, 2015-01-30 A Companion to American Art presents 35 newly commissioned essays by leading scholars that explore the methodology historiography and current state of the field of American art history Features contributions from a balance of established and emerging scholars art and architectural historians and other specialists Includes several paired essays to emphasize dialogue and debate between scholars on important contemporary issues in American art history Examines topics such as the methodological stakes in the writing of American art history changing ideas about what constitutes Americanness and the relationship of art to public culture Offers a fascinating portrait of the evolution and current state of the field of American art history and suggests future directions of scholarship

The Routledge Handbook of the History of Settler Colonialism Edward Cavanagh, Lorenzo Veracini, 2016-08-12 The Routledge Handbook of the History of Settler Colonialism examines the global history of settler colonialism as a distinct mode of domination from ancient times to the present day It explores the ways in which new polities were established in freshly discovered New Worlds and covers the history of many countries including Australia New Zealand Israel Japan South Africa Liberia Algeria Canada and the USA Chronologically as well as geographically wide reaching this volume focuses on an extensive array of topics and regions ranging from settler colonialism in the Neo Assyrian and Roman empires to relationships between indigenes and newcomers in New Spain and the

early Mexican republic to the settler dominated polities of Africa during the twentieth century Its twenty nine inter disciplinary chapters focus on single colonies or on regional developments that straddle the borders of present day states on successful settlements that would go on to become powerful settler nations on failed settler colonies and on the historiographies of these experiences Taking a fundamentally international approach to the topic this book analyses the varied experiences of settler colonialism in countries around the world With a synthesizing yet original introduction this is a landmark contribution to the emerging field of settler colonial studies and will be a valuable resource for anyone interested in the global history of imperialism and colonialism Transnationalism Michael Derek Behiels,Reginald C. Stuart,2010 Original essays that argue the significance of the shared North American history of Canada and the United States rather than Canadian American relations **Canada** Donald J. Savoie,2023-05-15 Canada s political structure runs contrary to North America s economic geography and the north south economic pull Canada imported political and administrative institutions designed for a unitary state and its political leaders have struggled to make them work since the country was founded Because of this many Canadians their communities and their regions view themselves as victims to a greater degree than groups in other Western democracies do Our federal government has shown a greater willingness to apologize for historical wrongs than other Western countries Canada also outperforms other nations in helping victims make the transition to full participants in the country s political and economic life Donald Savoie maintains that Canada continues to thrive despite the many shortcomings in its national political institutions and the tendency of Canadians to see themselves as victims and that our history and these shortcomings have taught us the art of compromise Canada s constitution and its political institutions amplify rather than attenuate victimization however they have also enabled Canadians to manage the issue better than other countries Canadians also recognize that the alternative to Canada is worse and this more than anything else continues to strengthen national unity Drawing on his extensive experience in academe and as an advisor to governments Savoie provides new insights into how Canada works for Canadians **At the Ocean's Edge** Margaret Conrad,2020-06-16 At the Ocean s Edge offers a vibrant account of Nova Scotia s colonial history situating it in an early and dramatic chapter in the expansion of Europe Between 1450 and 1850 various processes sometimes violent often judicial rarely conclusive transferred power first from Indigenous societies to the French and British empires and then to European settlers and their descendants who claimed the land as their own This book not only brings Nova Scotia s struggles into sharp focus but also unpacks the intellectual and social values that took root in the region By the time that Nova Scotia became a province of the Dominion of Canada in 1867 its multicultural peoples including Mi kmaq Acadian African and British had come to a grudging unequal and often contested accommodation among themselves Written in accessible and spirited prose the narrative follows larger trends through the experiences of colourful individuals who grappled with expulsion genocide and war to establish the institutions relationships and values that still shape Nova Scotia s identity **A Biography of a Map in Motion** Christian J.

Koot,2017-12-26 Reveals the little known history of one of history s most famous maps and its maker Tucked away in a near forgotten collection Virginia and Maryland as it is Planted and Inhabited is one of the most extraordinary maps of colonial British America Created by a colonial merchant planter and diplomat named Augustine Herrman the map pictures the Mid Atlantic in breathtaking detail capturing its waterways coastlines and communities Herrman spent three decades travelling between Dutch New Amsterdam and the English Chesapeake before eventually settling in Maryland and making this map Although the map has been reproduced widely the history of how it became one of the most famous images of the Chesapeake has never been told A Biography of a Map in Motion uncovers the intertwined stories of the map and its maker offering new insights into the creation of empire in North America The book follows the map from the waterways of the Chesapeake to the workshops of London where it was turned into a print and sold Transported into coffee houses private rooms and government offices Virginia and Maryland became an apparatus of empire that allowed English elites to imaginatively possess and accurately manage their Atlantic colonies Investigating this map offers the rare opportunity to recapture the complementary and occasionally conflicting forces that created the British Empire From the colonial and the metropolitan to the economic and the political to the local and the Atlantic this is a fascinating exploration of the many meanings of a map and how what some saw as establishing a sense of local place could translate to forging an empire

The Fence and the Bridge Heather N. Nicol,2015-06-27 The Fence and the Bridge is about the development of the Canada US border security relationship as an outgrowth of the much lengthier Canada US relationship It suggests that this relationship has been both highly reflexive and hegemonic over time and that such realities are embodied in the metaphorical images and texts that describe the Canada US border over its history Nicol argues that prominent security motifs such as themes of free trade illegal immigration cross border crime terrorism and territorial sovereignty are not new nor are they limited to the post 9 11 era They have developed and evolved at different times and become part of a larger quilt whose patches are stitched together to create a new fabric and design Each of the security motifs that now characterize Canada US border perceptions and relations has a precedent in border management strategies and border relations in earlier periods In some cases these have deep historical roots that date back not just years or decades but centuries They are part of an evolving North American geopolitical logic that inscribes how borders are perceived how they function and what they mean

British Atlantic, American Frontier Stephen John Hornsby,2005 A pioneering work in Atlantic studies that emphasizes a transnational approach to the past *North of America* Jeffers Lennox,2022-08-30 How the United States was created a complex and surprising story of patriots Indigenous peoples loyalists visionaries and scoundrels The story of the Thirteen Colonies struggle for independence from Britain is well known to every American schoolchild But at the start of the Revolutionary War there were more than thirteen British colonies in North America Patriots were surrounded by Indigenous homelands and loyal provinces Independence had its limits Upper Canada Lower Canada New Brunswick Nova Scotia

Newfoundland and especially the homelands that straddled colonial borders were far less foreign to the men and women who established the United States than Canada is to those who live here now These northern neighbors were far from inactive during the Revolution The participation of the loyal British provinces and Indigenous nations that largely rejected the Revolution as antagonists opponents or bystanders shaped the progress of the conflict and influenced the American nation s early development In this book historian Jeffers Lennox looks north as so many Americans at that time did and describes how Loyalists and Indigenous leaders frustrated Patriot ambitions defended their territory and acted as midwives to the birth of the United States while restricting and redirecting its continental aspirations *Blacks on the Border* Harvey Whitfield,2006-11-30 A study of the emergence of community among African Americans in Nova Scotia **Routledge**

Companion to Sports History S. W. Pope,John Nauright,2009-12-17 Presents comprehensive guidance to the international field of sports history as it has developed as an academic area of study This book guides readers through the development of the field across a range of thematic and geographical contexts It is suitable for researchers and students in and entering the sports history field *Snowshoe Country* Thomas M. Wickman,2018-09-20 An environmental and cultural history of winter in the colonial Northeast examining indigenous and settler knowledge of life in the cold

The Enigmatic Realm of **New England And The Maritime Provinces Connections And Comparisons**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **New England And The Maritime Provinces Connections And Comparisons** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book is core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of people who partake in its reading experience.

New England And The Maritime Provinces Connections And Comparisons Introduction

New England And The Maritime Provinces Connections And Comparisons Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. New England And The Maritime Provinces Connections And Comparisons Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. New England And The Maritime Provinces Connections And Comparisons : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for New England And The Maritime Provinces Connections And Comparisons : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks New England And The Maritime Provinces Connections And Comparisons Offers a diverse range of free eBooks across various genres. New England And The Maritime Provinces Connections And Comparisons Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. New England And The Maritime Provinces Connections And Comparisons Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific New England And The Maritime Provinces Connections And Comparisons, especially related to New England And The Maritime Provinces Connections And Comparisons, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to New England And The Maritime Provinces Connections And Comparisons, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some New England And The Maritime Provinces Connections And Comparisons books or magazines might include. Look for these in online stores or libraries. Remember that while New England And The Maritime Provinces Connections And Comparisons, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and

New England And The Maritime Provinces Connections And Comparisons

downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow New England And The Maritime Provinces Connections And Comparisons eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the New England And The Maritime Provinces Connections And Comparisons full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of New England And The Maritime Provinces Connections And Comparisons eBooks, including some popular titles.

FAQs About New England And The Maritime Provinces Connections And Comparisons Books

What is a New England And The Maritime Provinces Connections And Comparisons PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a New England And The Maritime Provinces Connections And Comparisons PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a New England And The Maritime Provinces Connections And Comparisons PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a New England And The Maritime Provinces Connections And Comparisons PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a New England And The Maritime Provinces Connections And Comparisons PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF,

or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
