profit venture but it would have as its two main causes the spreading of the Gospel to the Indian population and the stop of the spread of Roman Catholicism in the American colonies John White the company's leader also wanted to compete with the separatists who had begun the Plymouth colony in 1620 Cape Ann a promontory very near to Cape Cod was established by the Dorchester Company as an early settlement The fishing was excellent but Cape Ann proved unable to provide the farm goods needed to sustain the Puritan settlers who came to the New World The Dorchester Company was dissolved but investors seeking to salvage its aims formed the New England Company or Massachusetts Bay Company and secured a charter just before King Charles I dissolved the Parliament in 1629 The Massachusetts Bay Colony The History and Legacy of the Settlement of Colonial New England profiles the history of the colony as well as its most famous leaders and individuals Along with pictures of important people places and events you will learn about colonial New England like never before in no time at all
