Is about me is when I'm full of silence and no one else around me or is near me. My voice lack up and kept inside of me. All I want to hear was no one I settle in my secret place and think of a secret dream, contented and alone inside of me and I said no to other thoughts except the thoughts of my family. And I sometimes thought that the thoughts that are my own are wrong. When I am full of silence I do not care to play or to run and jump and fuss about the way I do all day and then the pictures of my family painted in my mind are all I wanted to see or need to see all day.
