**A Persevering Witness** Elizabeth Davey,2016-05-16 Margaret Avison one of Canada's premier poets is a highly sophisticated and self-conscious writer both charming and intimidating at the same time She calls to mind her more famous predecessors the religious poets George Herbert Gerard Manley Hopkins and T S Eliot as she vigorously engages both heart and intellect She has forged a way to write against the grain some of the most humane sweet and profound poetry of our time write the judges of the 2003 Griffin Poetry Prize Becoming a Christian in her mid forties her life and her vocation were transformed and her lyrics record that shift In *Muse of Danger* she writes to Christian college students But in His strange and marvelous mercy God nonetheless lets the believer take a necessary place as a living witness in behavior with family and classmate and stranger in conversation or in a poem How she blends her twin passions of poetry and Christian faith becomes a story of a kind of perseverance Readers who respond with understanding and empathy recognize both the distinctive mystery of poetic witness and the mystery inherent in Christ's saving work to which it points Her enduring witness becomes an implicit call for us to persevere in what Avison identifies as the mix of resurrection life and marred everyday living      **War and Religion** Jeffrey M. Liefeld,1989-06-13

Expository preaching is an elusive ideal Many preachers aspire to it few are acknowledged masters For most a gap exists

between the sermon that addresses the needs of the hearers and one that methodically plumbs the depths of Scripture New Testament Exposition is written to bridge this gap and bring together the disciplines of preaching and exegesis In this book Liefeld addresses the three main concerns of expository preaching What is the text saying How can its message be communicated in ways that are appropriate to the passage the seeing and the goals of the sermon How can the message meet the real needs of the congregation in a way that is consistent with the purpose and function of the text This book demonstrates how these concerns can be brought together in a sermon and it is this thoughtful practical approach that makes the book so valuable to preachers and seminarians The book is divided into three parts Part I explores the characteristics of expository preaching Part II deals with preparing the text and addresses such areas as practical exegesis exegetical outlines narratives and compositional patterns semantic patterns and underlying assumptions of the text Part III discusses application of the text by asking What is the function of the text What are the needs of the congregation How can one preach to inner heart needs as well as to the external circumstances facing the congregation New Testament Exposition is not vague theory nor is it esoteric study beyond the grasp and time of the busy pastor Throughout the book Dr Liefeld reflects his experience in the classroom and pulpit and his concerns as scholar and pastor are clearly seen in the final chapters of this volume Chapter 9 examines preaching from difficult texts How might one handle parables miracle stories obscure passages culturally related texts The final chapter provides a demonstration of all that is discussed throughout the book by walking the road through the actual preparation for a sermon

*A Handbook of New Testament Exegesis* Craig L. Blomberg, Jennifer Foutz Markley, 2010-11 This accessible handbook provides sound guidance on how to study the New Testament in depth offering a step by step approach to the exegetical task

*A Critical Realist's Theological Method* Douglas W. Kennard, 2013-02-21 A Critical Realist's Theological Method explores a systematic theology method grounded in critical realism in the wake of Alister McGrath Imre Lakatos Nancey Murphy N T Wright and Dale Allison Kennard surveys philosophical and traditional theological approaches for contributions and limitations in order to set out a method for theology and science Kennard extends this method to a Thiselton Ricoeur hermeneutic that can fund insightful exegesis and Biblical theology in the wake of Ladd Dunn Vos and Goldingay This Biblical theology method is illustrated by wisdom literature the traditional reef of the discipline and then developed for the contributions toward systematic theology as Gabler had originally envisioned With contextualized Scripture sourcing most of the content for systematic theology the trajectory is shown in the subtitle Returning the Bible and Biblical Theology to be the Framer for Theology and Science The method is exemplified in exegesis of creation texts which frame possibilities for science Likewise Biblical theology frames a bio ethics integration of psychology and theology setting out a transactional model for psychological recovery with University of Chicago professor Paul Holmes A theology for peer review and work is also framed

**1, 2 & 3 John (Understanding the Bible Commentary Series)** Thomas F. Johnson, 2011-08-01 The Understanding the Bible Commentary Series helps readers

navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series     Unfettered Spirit Robert D Cornwall, 2021-07-19 2nd Expanded Edition

All too frequently studies of the gifts of the Spirit consist largely of answering two questions What are the gifts and Which ones do I have In many cases studies go on to a third question How can I get more In response institutional churches and theologically and intellectually respectable Christians often tend to avoid the work of the Holy Spirit in the church entirely It is much easier to simply close the doors and windows than it is to deal with the wind John 3:8 After all they've seen the wind blow out the candles disarrange the altar vestments and send a chill through the congregants Author pastor and church historian Bob Cornwall has experienced all of this for himself He has seen traditional churches and worship He has seen Pentecostal worship He has led congregations in difficult times For more than 30 years he has studied practiced prayed and lived the work of the Holy Spirit in the church The result is Unfettered Spirit Spiritual Gifts for the New Great Awakening Here he avoids both the errors of replacing the freedom of the Spirit with human whim and of trying to tame or confine the Spirit that will not be fettered He asks Do you truly believe that God is present in the world And do you believe that God is working through us to break down the walls that divide us from God from each other and from the world And if you do do you believe that you have been gifted and empowered to participate in this ministry that takes down the walls of egoism suspicion greed self interest and hatred If you can say yes to these questions jump right in This is the book for you If you are hesitant or if the idea of the Holy Spirit working unfettered in your congregation and community frightens you read the first four chapters carefully as Bob lays the theological foundation You may find your maybe or even your no turned into a yes Building on this foundation Bob continues with five chapters on the gifts of the Spirit as described in Scripture These are practical discussions that will let you keep your bearings in discussions of the Spirit and more importantly in a community where the Spirit is active Finally he concludes with a discussion of how to lead and pastor a church where the gifts of the Spirit are active Whether you are a Pentecostal an evangelical a mainliner a progressive or any other label you might find for yourself or your church you will profit from reading this book     **The "Man Christ Jesus"** Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2:5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished

salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus

*St. Luke's Missiology* Harold E. Dollar, 1996-06-01 How the Gospel Won the World Luke's writings make up over one fourth of the New Testament Yet despite an array of research studies of Luke and Acts frequently miss the missiological contributions that Luke makes to the story of early Christianity Accordingly St Luke's Missiology explores many of the fundamental contributions of Luke's two volume work as he tells how a small Jewish sect became a worldwide movement in just one generation Although this work focuses on Acts part one discusses the essential unity of the two volumes Part two considers key events that shape the church's mission to the Gentiles The final section highlights several applications for missiological practice Luke narrates the history of the Christian movement from a divine perspective His story of how the gospel moves from the particular to the universal gives insight into the missiological dynamics of early Christianity and provides models for the church and missions today

**Faith and Freedom in Galatia and Senegal** Aliou Cissé Niang, 2009-05-20 Faith and Freedom in Galatia and Senegal reads Galatians 2:11-15 and 3:26-29 through the lens of the 19th-20th century experiences of French colonialism by the Diola people in Senegal West Africa and portrays the Apostle Paul as a sociopostcolonial hermeneut who acted on his self understanding as God's messenger to create through faith in the cross of Christ free communities a self definition that is critical of ancient Graeco Roman and modern colonial lore that justify colonization as a divine mandate Aliou C. Niang ingeniously compares the colonial objectification of his own people by French colonists to the Graeco Roman colonial objectifications of the ancient Celts Gauls Galatians and Paul's role in bringing about a different portrayal

*The Pauline Metaphors of the Holy Spirit* Erik Konsmo, 2010 In the Pauline literature of the New Testament the characteristics of the Spirit and Christian life are described through the use of metaphor An interpreter of Paul must understand his metaphors in order to arrive at a complete understanding of the Pauline pneumatological perspective Thus The Pauline Metaphors of the Holy Spirit examines how the Pauline Spirit metaphors express the intangible Spirit's tangible presence in the life of the Christian Rhetoricians prior to and contemporary with Paul discussed the appropriate usage of metaphor Aristotle's thoughts provided the foundation from which these rhetoricians framed their arguments In this context The Pauline Metaphors surveys the use of metaphor in the Greco Roman world during the NT period and also studies modern approaches to metaphor The modern linguistic theories of substitution comparison and verbal opposition are offered as representative examples as well as the conceptual theories of interaction cognitive linguistic and the approach of Zoltán Kövecses In examining these metaphors it is important to understand their systematic

and coherent attributes These can be divided into structural orientational and ontological characteristics which are rooted in the conceptual approach of metaphor asserted by George Lakoff and Mark Johnson This book evaluates these characteristics against each of the Pauline Spirit metaphors

**First Things First Revised Edition** Jay Slife, 2024-04-25 First Things First is a compelling and transformational writing that clearly and comprehensively reveals the Beatitudes as the roadmap they are for navigating the challenging times in which we live They are essential and critical biblical teachings and applications for all of life The Beatitudes are Jesus cutting to the quick laying it all out there in its fullness with no pretext or pretense for us to hear understand embrace experience and follow They are not just godly parameters by which to pattern your life They are his heart his character his identity It is through these relational personality traits and the principles they develop that he is inviting us to live our lives What these Beatitudes bring to the table are revolutionary to the twenty first century They offer a means of living life that is totally contrary to the collective understanding the common knowledge of the day And if embraced and followed bring not only a new perspective but a new manner of living This is not some new self help concept some seven step model to a new and improved you To the contrary this is life as designed an intended by the Creator First Things First will unlock the strategies hidden within the Beatitudes strategies needed to build a life with right standing and healthy relationships A life with true value purpose and meaning directly from the heart of Jesus to you

Pursue Godliness Steve Hankins, 2021-11-19 In his first letter to Timothy the pastor of the church at Ephesus and his prot g in Christian life and ministry the Apostle Paul exhorted him Discipline yourself for the purpose of godliness 1 Tim 4 7 Just two chapters later the

Apostle returned to this idea encouraging Timothy to flee all sin and to pursue godliness 1 Tim 6 11 Godliness is a recurring theme in Paul's epistle urged especially upon men training to become leaders of the church as pastors and evangelists But the pursuit of godliness is also commanded of all others who hunger and thirst to follow Jesus as His disciple Attaining godliness looms large in the New Testament as the primary outworking of the greatest command in the Word of God spoken by Christ himself You shall love the Lord your God with all your heart and with all your soul and with all your mind Matt 22 37 In Pursue Godliness A Servant's First Priority the author seeks to answer the question What does the Bible teach about how a Christian can make major strides forward in his growth in godliness Letting Scripture speak for itself through over 1 450 passages the meaning priorities primary qualities and practices for significant progress in godliness are unfolded in this comprehensive introduction to the subject While a detailed in depth treatment of this Scriptural topic it is written in clear easy to understand language not requiring a theologian's training or vocabulary to understand Read and grow This is a book written for your transformation for His glory

**Recovering the Evangelical Sacrament** Anthony R. Cross, 2012-12-06 The subject of baptism continues to be of considerable interest though it frequently appears within broader studies of sacraments liturgy worship and ecumenical studies and within confessional bounds credobaptist or paedobaptist yet it is rarely discussed by Evangelicals This book however is neither an apologetic for credobaptism nor paedobaptism rather Cross believes that as practiced today both forms are a departure from New Testament baptism which he maintains was an integral part of becoming a Christian and part of the proclaimed gospel He argues that the one baptism of Ephesians 4 5 is conversion baptism and that the baptism referred to in the various New Testament strata refers to this one baptism of Spirit and water The study sets out the case for this interpretation and contends that in key passages baptism is an example of synecdoche The case is then made for a sacramental interpretation of baptism from a thoroughgoing Evangelical perspective Cross concludes with reflections on the necessity of baptismal reform and the relevance of a return to conversion baptism for the contemporary church in a post Christian post Christendom mission setting

*New International Dictionary of New Testament Theology* Zondervan, 2017-10-17 This abridgment of Colin Brown's original four volume work is arranged with its entries in Greek alphabet order which makes it easy to find the discussion of a particular word All Greek words are transliterated into English and linked with their Goodrick Kohlenberger numbers This book was formerly titled The NIV Theological Dictionary of New Testament Words Now it has been reset in double columns and wider margins

**The Books of Samuel, Volume 2** Cyril J. Barber, 2003-10-07 Cyril Barber is convinced that the books of Samuel were written not to display the horror of David's sins of murder and adultery but rather to demonstrate God's faithfulness in raising up prophets priests and kings to move history toward the coming of Christ The central focus of this commentary is to show that the sovereign God weaves His own historical patterns alongside human failure and sin Some people will read this volume for the exegetical light it sheds on 2 Samuel Others will seek personal applications and find help in the great lessons that can be

learned from the mistakes and successes of the past All who read it will derive a new appreciation for the work of God in human history I should warn you that this commentary challenges familiar interpretations and looks at the events of 2 Samuel through a different set of glasses But precisely for this reason I wish it a wide distribution From the Foreword by Erwin W Lutzer     *The Doctrines of Grace from the Lips of Our Lord* Dr. J. D. Watson, 2012-07-18 The doctrine of salvation is the watershed doctrine of Scripture Flowing from that doctrine will be not only all other doctrine but also personal practice and Christian ministry The major controversy concerning salvation is whether it is a result of the sovereign grace of God alone or a mixture of God s part and man s part Addressing that issue is absolutely critical to the very foundations of Christianity itself Whichever one of those premises is correct we should expect to find it everywhere we look in Scripture and that is precisely what we find There is no truth that permeates the Bible more than the doctrines of God s sovereign grace From Genesis to Revelation in literally hundreds of verses these doctrines call capture and command our attention Of the many books of the Bible we could choose the Gospel of John is among the most compelling because of its foundational nature It is there we find some of the most profound teaching on the Doctrines of Grace in all Scripture Examining more than one hundred verses in John this small volume presents these great biblical and historical doctrines directly from the lips of our Lord
