New International Greek Testament Commentary The Pastoral Epistles:

The Pastoral Epistles George W. Knight, 2013-10-23 This is a thorough full scale English commentary on the Greek text of 1 and 2 Timothy and Titus While author George W Knight gives careful attention to the comments of previous interpreters of the text both ancient and modern his emphasis is on exegesis of the Greek text itself and on the flow of the argument in each of these three epistles Besides providing a detailed look at the meanings and interrelationships of the Greek words as they appear in each context Knight s commentary includes an introduction that treats at length the question of authorship he argues for Pauline authorship and proposes on the basis of stylistic features that Luke might have been the amanuensis for the Pastoral Epistles the historical background of these letters and the personalities and circumstances of the recipients Knight also provides two special excursuses the first gathers together the information in the Pastorals and elsewhere in the New Testament on early church offices and leaders the other excursus examines the motivations for conduct in Titus 2 1 10 with a view to their applicability to present day situations

The Pastoral Epistles George W. Knight, 1992 The Pastoral Epistles George W. Knight III, 1992-07-22 **The Pastoral Epistles** George W. Knight III, 1992 The Pastoral Epistles I. Howard Marshall, Philip H. Towner, 2004-06-15 For over one hundred years the International Critical Commentary series has held a special place among works on the Bible It has sought to bring together all the relevant aids to exegesis linguistic and textual no less than archaeological historical literary and theological with a level of comprehension and quality of scholarship unmatched by any other series No attempt has been made to secure a uniform theological or critical approach to the biblical text contributors have been invited for their scholarly distinction not for their adherence to any one school of thought The first paperback editions to be published cover the heart of the New Testament providing a wealth of information and research in accessible and attractive format The Pastoral Epistles Scot McKnight, 2023-11-09 Provides an up to date explanation of the Pastoral Epistles traditionally attributed to the apostle Paul The Pastoral Epistles and the New Perspective on Paul Daniel Wayne Roberts, 2021-08-31 The so called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective s hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and

Works Paul's View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1:6-16, 2:3-7, 2 Tim 1:3-8, 12 and Titus 3:3-7

Pauline Communities as 'scholastic Communities' Claire S. Smith, 2012 Edwin Judge's description of early Christian communities as scholastic communities provides the starting point of a search for a sociological description of the Christian communities portrayed in 1 Corinthians 1 and 2 Timothy and Titus An original methodology uses a multi-layered exegetical approach to study every occurrence of the vocabulary of teaching in the letters The focus is on the activity of teaching e.g. participants method manner purpose result etc The vocabulary represents ten semantic groupings which shed further light on the place and practice of education in the communities core teaching speaking traditioning announcing revealing worshipping commanding correcting remembering imitation and false teaching Claire S. Smith supports and

develops Judge's 1960 description advancing on it by showing that the communities are better described as learning communities with horizontal human human and vertical divine human dimensions

A Multi-Intentioned View of the Extent of the Atonement Gary L. Shultz Jr., 2014-01-07 Christians strongly disagree about the extent of the atonement. Some believe that the atonement only extends to the elect, those whom God chose to save before the foundation of the world. Others believe the atonement is unlimited; that Jesus died for all people, whether they ever believe in him or not. Despite the differences in these two traditional understandings, they share one thing in common: both believe that Jesus died for a single intended purpose. But what if God's intentions in the atonement are multiple, not single? The Bible teaches exactly this: that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began. This book explains and defends a multi-intentioned view of the extent of the atonement, asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement. It is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins.

The Letters to Timothy and Titus Philip H. Towner, 2006-07-12 The most accessible, most broadly pitched, full-length commentary on Timothy and Titus. This NICNT volume explores Paul's three letters to Timothy and Titus within their historical, religious, and cultural settings. In his introduction, Towner sets out the rationale for his historical approach, questions certain assumptions of recent critical scholarship, and establishes the uniqueness and individuality of each letter. Significantly, Towner's work displays unprecedented interaction with four recent major commentaries on these Pauline letters. Centered on an outstanding translation of the Greek text and including thorough footnotes, bibliographical citations, and indexes, Towner's commentary on Timothy and Titus is sure to become a standard reference for busy pastors, students, and scholars.

Joel's Use of Scripture And the Scripture's Use of Joel John Strazicich, 2007 This work focuses on the appropriation and resignification of scripture in Joel and its NT Nachleben, where Israel's literature functions as an authoritative medium of refraction. The purpose is to recover the canon's unrecorded hermeneutics at the intersection of both diachronic and synchronic textual surfaces.

That God May Be All in All Ryan L. Rippee, 2018-03-02 Christology and Pneumatology have long been major preoccupations for theologians, and rightly so, but the work of God, the Father, has been surprisingly neglected. Through a biblical and exegetical study of the Father's person and work, Paterology, this book argues that among the persons of the Trinity, the Father is the initiator of all divine activity. Furthermore, it is in the context of a loving, eternal relationship with the Son and Spirit that the Father has planned and purposed all things, creating through the Son and by the Spirit, promising and accomplishing redemption through the sending of the Son and the Spirit, and perfecting salvation by bringing about a new heavens and new earth through his Son and Spirit. The only proper response is a Trinitarian-shaped life of worship that worships our Triune God.
