Joel's Use of Scripture and the Scripture's Use of Joel John Strazicich, 2007-04-30 The methodological approach employed in this research utilizes the hermeneutics of comparative midrash combined with aspects of Bakhtinian dialogism and intertextuality The purpose of this enterprise is to discern the function of scripture in Joel and its New Testament Nachleben The terms appropriation and resignification are descriptive of the process through which an antecedent text is transformed by its displacement condensation and recontextualization These methodologies assist in giving an account of the intertextual dialogism involved in a text's unrecorded hermeneutics The scope of the work looks at the use of scriptural traditions within the book of Joel during the Second Temple period There is an introduction to the hermeneutical methods employed followed by a general introduction to the book of Joel in chapter one Chapters two and three concern the function of scripture in Joel Finally the last chapter deals with Joel's New Testament Nachleben Each chapter has an introduction and conclusion This work does not eschew the importance of diachronic issues The diachronic method pays attention to the context of an antecedent's voice while the synchronic methodological approach pays attention to the function and purpose in which the receptor text resignifies the appropriated motifs and allusions The diachronic becomes fused with the synchronic in the process of an allusion's recontextualization This study in a heuristic manner focuses on the way that each allusion is appropriated and resignified for the needs of both Joel's community and those of the later NT in order to understand the function of canonical

hermeneutics **Pursuit of Perfection** Seth M. Simisi, 2016-11-01 Pursuit of Perfection explores the significance of the perfection motif in the Epistle to the Hebrews. It addresses the controversial interpretation of teleios perfection in Hebrews where this notion is so central to the argument of the book. The investigation examines the meaning of perfection in an attempt to discover its significance on Hebrews theology. The need for the study is the lack of adequate treatment of the subject in the last three decades. The discussion focuses on the precise meaning to be attached to the notion of perfection and its significance for Hebrews interpretation. Through an exploration of major interpretative approaches to the notion of perfection and its usages in classical world, Second Temple Judaism and New Testament literature, especially Hebrews, the author argues that the notion of perfection has an eschatological significance and is linked to better provisions of the new covenant which guarantee believers salvation and eternal inheritance. The author sums up his argument that the call to pursue the goal of perfection is a call for commitment to the gospel message as Christians of all ages follow the example of the Christ, the one who endured suffering of the cross and its despised shame in order to bring many followers to their future eternal glory.

A Definition and Critique of Postmodernism Bruce Proctor, 2012 Bruce A. Proctor is a native of Dallas, Texas, but spent most of his youth growing up in Los Angeles, California. He graduated from Oklahoma Christian College, B.A. in 1973, from Dallas Theological Seminary, Th.M. in 1981, and Louisiana Baptist University, Ph.D. in 2011. Bruce has held various ministerial positions including pastor, youth counselor, and pastor/prison ministry leader and college professor. Bruce has taught Bible Exposition Theology, Old and New Testament history, and Church History at various Christian schools: Southern Bible Institute, D. Edwin Johnson Bible Institute, both in Dallas, TX; True Vine Baptist Bible Institute in Spencer, OK; and at the Ministry Training Institute, an extension of Oklahoma Baptist University in Shawnee, OK. Bruce and his wife Patricia reside in San Antonio, Texas. They have eight adult children. Postmodernism is difficult to define because it rejects absolute meaning. However, I found it worth trying to define it by looking at other authors' attempts to define it. It was easier for me to describe than to define it. Much discussion is also given to the definition of the emergent church movement, including its fundamental tenets and marks, along with signs of drifting toward it. Next, the idea of postmodernism is weaved into the description of condemned mankind according to Romans 1:18-32. The description given is clearly relevant to the postmodern mindset as men who suppress the truth in unrighteousness, verse 18. In my conclusion, I discuss the power of truth and the loss of truth due primarily to a loss of focus. However, in the Person of Jesus Christ, Truth arose from the dead and marches on victoriously despite the postmodern spirits of delusions.

Exploring the Letters of John & Jude George R. Knight,2009 The letters of John and Jude are a wake up call False teachers had infiltrated the church and introduced secular reasoning in place of apostolic teachings John and Jude wrote to their congregations not only to warn the faithful against the impostors but to emphasize true spirituality in the face of error and apostasy Its no surprise then that these four letters are of the utmost relevance to Christians today Johns first and second letters deal with issues central to a genuine Christian faith and life while the third provides a snapshot of the dynamics of at least one congregation in the A D 90s Jude confronts many of the same issues in his letter including the immorality that results from a denial of Christ This user friendly devotional commentary divides the entire text of these four letters into bite sized passages using a new translation by the author Each passage is followed by the exegetical meaning as well as the practical application for the lives of twenty first century believers Small study groups and individuals alike will benefit from this format and better understand Gods timely and very personal message Beatitudes of Christ Richard W.

Yarbrough,2009-01-01 Mark Yarbrough assesses the question of whether traditional preformed material contributes to the message and understanding of Paul s first letter to Timothy The issue is addressed in three sections Part one evaluates previous works interacting with traditional material in the New Testament Through a critique of historically proposed criteria Yarbrough identifies eight criteria as the primary tools by which to discern units of preformed material In the second part of the book Yarbrough evaluates nineteen passages in 1 Timothy according to the criteria previously determined From this base he embraces twelve of the nineteen passages as preformed material These passages are subsequently examined in depth according to the author s distinct methodology Part three demonstrates four functions of the preformed traditions in 1

Timothy Firstly that they may be seen as strengthening the literary cohesion of the letter Secondly that the traditional units afford the author rhetorical leverage which may be best identified as the provision of authority the establishment of an instant rapport with the primary audience and the assistance conferred in addressing this implied audience Thirdly they present theological directives that confront the character and belief of the false teachers Finally Yarbrough asserts that the preformed traditions exist as a combatant against counter mission doctrine In conclusion this study displays that the traditional material which may be discerned within the letter contributes significantly to the overall message and understanding of 1 Timothy
