Gordon Ryan These writers negotiated the struggle to revolutionize both literature and politics while being subject to the gender hierarchies of socialism and literary modernism that continued long after the thirties came to an end A groundbreaking study in Canadian history and literature *Comrades and Critics* is a much needed examination of an important and still influential literary period Remnants of Nation Roxanne Rimstead,2001-01-01 Treating poverty not simply as a theme in literature but as a force that in fact shapes the texts themselves Rimstead adopts the notion of a common culture to include ordinary voices in national culture in this case the national culture of Canada **Postmodernism.
