narratives are generally thought of as adult or young adult fare yet there is a long history of their appearance in books film and other media meant for children They emerge as expressions of anxiety about change and growing up but sometimes turn out to be new best friends who highlight the beauty of difference and individuality This collection of new essays examines the history of vampires in 20th and 21st century Western popular media marketed to preteens and explores their significance and symbolism

No Place Like Home Jerri Garretson,2023-08-21 Jerri Garretson lived a total of 33 years in Manhattan Kansas in three periods This book features 55 topics about life in the years she was growing up there plus 13 mini biographies of teachers and neighbors that were important in her life It is illustrated with over 800 photos of people places and events and even everyday objects most of us no longer use To assist readers unfamiliar with Manhattan she has included maps and to anchor local events to the nation and the world there is a timeline The book is thoroughly indexed Though many dates and events are mentioned it is not a history of the city but rather an entertaining account about the way of life in that time and place Please be aware that this is a 298 page heavily illustrated book in the same fixed format as the printed book As such it is a download of about large download of approximately 227 MB and will take much longer to download than a novel in flowing format that has no illustrations

The Early Reader in Children's Literature and Culture Jennifer Miskec,Annette Wannamaker,2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children s literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children s texts that have been translated and sold around the globe examining them as part of an increasingly transnational children s media culture that may add to or supplant regional ethnic and national children s literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe

Critical Literacy, Schooling, and Social Justice Allan Luke,2018-01-17 In the World Library of Educationalists series international scholars themselves compile career long collections of what they judge to be their finest pieces extracts from books key

articles salient research findings major theoretical and or practical contributions so the world can read them in a single manageable volume Readers will be able to follow the themes and strands of their work and see their contribution to the development of a field as well as the development of the field itself Allan Luke s work on critical literacy schooling and equity has influenced the fields of literacy education teacher education educational sociology and policy for over three decades This volume brings together Allan Luke s key writings on literacy and schooling Chapters cover a range of topics and theories including the development and application of a social and cultural analysis of literacy education and schooling a primer on literacy as a social construction classroom based case studies of literacy teaching and learning major theoretical and philosophic essays practical programmatic work on school reform and enabling curriculum policies and classroom approaches to teaching critical literacy and multiliteracies
