New Gay Liberation:

Out of the Closets Karla Jay, Allen Young, 1992-05 A series of essays concerning the Gay Liberation Movement from individuals and groups associated with the movement **The New Gay Liberation Book** Len Richmond, Gary Noguera, 1979 *The Gay Liberation Youth Movement in New York* Stephan Cohen, 2007-11-21 Between 1966 and 1975 North American youth activists established over 35 school and community based gay liberation youth groups whose members sought control over their own bodies education and sexual and social relations This book focuses on three groundbreaking New York City groups Gay Youth GY Street Transvestite Action Revolutionaries S T A R and the Gay International Youth Society of George Washington High School GWHS from the advent of gay liberation in NYC in 1969 to just after its dissolution and the rise of identity politics by 1975 Cohen examines how gay liberation with its rejection of stultifying sex roles attack on institutional oppression connection between personal and political liberation celebration of innate androgyny and resolute anti war and anti capitalist stance shaped understandings of sexual identity membership criteria organization decision making the roles of youth and adults and efforts to effect social change *New Queer Cinema* B. Ruby Rich, 2013-03-26 B Ruby Rich designated a brand new genre the New Queer Cinema NQC in her groundbreaking article in the Village Voice in 1992 This movement in film and video was intensely political and aesthetically innovative made possible by the debut of the camcorder and driven initially by outrage over the unchecked spread of AIDS The genre has grown to include an entire generation of queer artists filmmakers and activists As a critic curator journalist and scholar Rich has been inextricably linked to the New Queer Cinema from its inception This volume presents her new thoughts on the topic as well as bringing together the best of her writing on the NQC She follows this cinematic movement from its origins in the mid 1980s all the way to the present in essays and articles directed at a range of audiences from readers of academic journals to popular glossies and weekly newspapers She presents her insights into such NQC pioneers as Derek Jarman and Isaac Julien and investigates such celebrated films as *Go Fish* *Brokeback Mountain* *Itty Bitty Titty Committee* and *Milk* In addition to exploring less known films and international cinemas including Latin American and French films and videos she documents the more recent incarnations of the NQC on screen on the web and in art galleries **New Queer Cinema** Michele Aaron, 2019-06-01 This is an introduction to New Queer Cinema NQC covering themes such as genre gender and race politics media and the relationship between NQC and the mainstream Social Movements Suzanne Staggenborg, 2016 Social movements around the world have used a wide variety of protest tactics to bring about enormous social changes influencing cultural arrangements public opinion and government policies in the process This concise yet in depth primer provides a broad overview of theoretical issues in the study of social movements illustrating key concepts with a series of case studies It offers engaging analyses of the protest cycle of the 1960s the women s movement the LGBT movement the environmental movement right wing movements and global social justice movements Author Suzanne Staggenborg examines these social

movements in terms of their strategies and tactics the organizational challenges they faced and the roles that the mass media and counter movements played in determining their successes and failures Encyclopedia of Gay Histories and Cultures George Haggerty, 2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future **Queer Literacies** Mark McBeth, 2019-12-02 In a documentarian investigation of the major LGBTQ archives in the United States *Queer Literacies Discourses and Discontents* identifies the homophobic discourses that prevailed in the twentieth century by those discursive forces that also sponsored the literacy acquisition of the nation Mark McBeth tracks down the evidence of how these sponsors of literacy families teachers librarians doctors scientists and government agents instituted heteronormative platforms upon which public discourses were constructed After pinpointing and analyzing how this disparaging rhetoric emerged McBeth examines how certain LGBTQ advocates took counter literacy measures to upend and replace those discourses with more Queer affirming articulations Having lived contemporaneously while these events occurred McBeth incorporate narratives of his own lived experience of how these discourses impacted his own reading writing and researching capabilities In this auto archival research investigation McBeth argues that throughout the twentieth century Queer literates revised dominant and oppressive discourses as a means of survival and world making in their own words Scholars of rhetoric gender studies LGBTQ studies literary studies and communication studies will find this book particularly useful From Panthers to Promise Keepers Judith Lowder Newton, 2005 *From Panthers to Promise Keepers* draws on intimate observations of the men and networks who were involved in what some have called Othe menOs movementO and tells us why these networks mattered Focusing on the decades between 1950 and 2000 it argues that while public structural change is necessary for gender equality getting men involved in efforts at social justice may well depend on their making changes with respect to feelings and with respect to their unconscious fears and anxieties as well

Routledge International Handbook of Heterosexualities Studies James Dean, Nancy Fischer, 2019-12-19 While a

majority of people identify as heterosexual if asked about their sexual identity what does that really mean How did identifying as straight arise particularly in relation to identifying as queer lesbian and gay How are individuals socialized to view themselves and others as straight even when many people are sexually fluid How do institutions like government bodies the educational system and the family reinforce heterosexuality This collection introduces the field of Critical Heterosexualities Studies and key lines of inquiry within the field Like Masculinity Studies and Whiteness Studies Heterosexualities Studies critically examines the dominant category and identity group in order to illuminate the taken for granted assumptions that surround heterosexual identities This critical perspective questions the idea that heterosexuality is natural normal and biologically driven A recurring question throughout this Handbook is what does it mean to say that there are multiple forms of heterosexuality The answer is provided by cases showing how straightness varies between men and women but also across different racial groups social classes and one's status as trans or cisgender Organized around key themes of inquiry including heterosexualities across the life course straight identities and their intersections the power of straightness in state politics and the changing meaning of heterosexualities in the context of sexual fluidity this collection provides readers with an introduction to Critical Heterosexualities Studies through important theoretical statements key historical studies and current empirical research Featuring both classic works and original essays written expressly for this volume this collection provides a state of the art overview of this exciting new field in sexualities studies

Incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic Essential for all readerships CHOICEA timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry Robert D Putnam Professor at Harvard University and author of *Bowling Alone* With every passing minute it becomes more and more apparent that our world is one community The Encyclopedia of Community serves as recognition of this trend and as a needed resource The four volume set not only explains the emerging buzz words of community such as social capital or civic engagement but also tells many stories of community institutions that work such as public libraries Sarah Ann Long Past President 1999 2000 American Library Association As we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities The Encyclopedia of Community provides a timely diverse array of theories and practices that will help citizens understand the value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities The Encyclopedia deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their residents and their children Nancy Kranich Past President of the American Library Association whose presidential theme was Libraries The Cornerstone of Democracy 2000 2001 American politicians often pair the word community with the word

freedom to describe our basic values Yet though used constantly the word community is defined in widely different and contested ways Most people like the idea of community but some intellectuals worry that it might imply collectivism The great value of this new Encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake It is a major contribution to a more coherent understanding of this fundamental idea Robert Bellah Professor of Sociology Emeritus University of California Berkeley and co author of *Habits of the Heart* SAGE Publications is proud to announce the Encyclopedia of Community a major reference work that summarizes the many fascinating and important concepts of a global topic Community itself is a concept an experience and a central part of being human Whether the reader is a student researcher or professional in the field of psychology sociology or even economics this three volume work will provide the necessary definitions of community beyond traditional views Arranged in an A to Z fashion the Encyclopedia can also be viewed topically via a Reader s Guide This allows for interdisciplinary compare and contrast among topics such as types of communities social capital technology urban life politics and law community design and global studies Edited by the award winning team at Berkshire Reference and assisted by an editorial board of world renowned scholars the Encyclopedia of Community will prove to be one of the most widely used reference works in your collection Key Features 500 signed articles 3 volumes 2000 pages Reader s Guide Master bibliography 250 sidebars Appendices Resource Guides Master Bibliography Libraries Build Community Libraries and Popular Culture

Sexual Politics, Sexual Communities John D'Emilio, 2012-04-26 With thorough documentation of the oppression of homosexuals and biographical sketches of the lesbian and gay heroes who helped the contemporary gay culture to emerge *Sexual Politics Sexual Communities* supplies the definitive analysis of the homophile movement in the U S from 1940 to 1970 John D Emilio s new preface and afterword examine the conditions that shaped the book and the growth of gay and lesbian historical literature How many students of American political culture know that during the McCarthy era more people lost their jobs for being alleged homosexuals than for being Communists These facts are part of the heretofore obscure history of homosexuality in America a history that John D Emilio thoroughly documents in this important book George DeStefano Nation John D Emilio provides homosexual political struggles with something that every movement requires a sympathetic history rendered in a dispassionate voice New York Times Book Review A milestone in the history of the American gay movement Rudy Kikel Boston Globe

The New Politics of the Textbook Heather Hickman, Brad J. Porfilio, 2012-10-13 In an age of unprecedented corporate and political control over life inside of educational institutions this book provides a needed intervention to investigate how the economic and political elite use traditional artifacts in K 16 schools to perpetuate their interests at the expense of minoritized social groups The contributors provide a comprehensive examination of how textbooks the most dominant cultural force in which corporations and political leaders impact the schooling curricula shape students thoughts and behavior perpetuate power in dominant groups and trivialize social groups who are oppressed on the structural axes of race class gender sexuality and dis ability

Several contributors also generate critical insight in how power shapes the production of textbooks and evaluate whether textbooks still perpetuate dominant Western narratives that normalize and privilege patriotism militarism consumerism White supremacy heterosexism rugged individualism technology and a positivistic conception of the world Finally the book highlights several textbooks that challenge readers to rethink their stereotypical views of the Other to reflect upon the constitutive forces causing oppression in schools and in the wider society and to reflect upon how to challenge corporate and political dominance over knowledge production
