## **New Gay Teenager:**

**The New Gay Teenager** Ritch C. Savin-Williams, 2005-04-30 Gay straight bisexual how much does sexual orientation matter to a teenager's mental health or sense of identity In this down to earth book filled with the voices of young people speaking for themselves Ritch Savin Williams argues that the standard image of gay youth presented by mental health researchers as depressed isolated drug dependent even suicidal may have been exaggerated even twenty years ago and is far from accurate today The New Gay Teenager gives us a refreshing and frequently controversial introduction to confident competent upbeat teenagers with same sex desires who worry more about the chemistry test or their curfew than they do about their sexuality What does gay mean when some adolescents who have had sexual encounters with those of their own sex don't consider themselves gay when some who consider themselves gay have had sex with the opposite sex and when many have never had sex at all What counts as having sex anyway Teenagers unlike social science researchers are not especially interested in neatly categorizing their sexual orientation In fact Savin Williams learns teenagers may think a lot about sex but they don't think that sexuality is the most important thing about them And adults he advises shouldn't think so either

basis the look at how youth subvert these experiences into those of pleasure power and confidence In addition the contributors look at how youth organize communities and negotiate positive identities in different settings *That's Revolting!* Pasha Malla, 2010-11 Ten years ago one might not have imagined the largest national gay rights lobbying group Human Rights Campaign endorsing a right wing Republican Senatorial candidate Al D Amato in New York or the San Francisco Pride parade adopting the Budweiser advertising slogan as its official theme 2002 As an assimilationist gay mainstream wields increasing power the focus of gay struggle has become limited to marriage military service and adoption The gay mainstream presents a sanitized straight friendly version of gay identity which makes it safe for Richard Chamberlain or Rosie O Donnell to come out and still rake in the bucks By the twisted priorities of this gay mainstream it s okay to oppose a queer youth shelter because it might interfere with property values or to fight against the inclusion of transgendered people under hate crimes legislation because this might not appeal to straight voters As the gay mainstream ironically prioritizes the attainment of straight privilege over all else it drains queer identity of any meaning relevance or cultural value and calls this progress That s Revolting shows us what the new queer resistance looks like The collection is a fistful of rocks to throw at the glass house of Gaylandia That s Revolting uses queer identity and struggle as a starting point from which to reframe reclaim and re shape the world
