New Genesis A Mormon Reader On Land And Community:

New Genesis Terry Tempest Williams, William Buckwalter Smart, Gibbs M. Smith, 1998 Three diverse authors have compiled essays written by distinguished LDS writers who have documented a wealth of information and experience on environmental situations affecting Utah and surrounding environs today This material encompasses the sweep and majesty of a land of astonishing beauty that cries for understanding and respect from its inhabitants and visitors alike Your outlook on this area of God s Country will never be the same

The Sisterhood: Inside the Lives of Mormon Women Dorothy Allred Solomon, 2007-10-02 A revealing look at Mormon women s relationships and experiences

Transformation of the Mormon Culture Region Ethan R. Yorgason, 2024-03-18 In this unique study Ethan R Yorgason examines the Mormon culture region of the American West which in the late nineteenth century was characterized by sexual immorality communalism and anti Americanism but is now marked by social conservatism Foregrounding the concept of region Yorgason traces the conformist conservative trajectory that arose from intense moral and ideological clashes between Mormons and non Mormons from 1880 to 1920 Looking through the lenses of regional geography history and cultural studies Yorgason investigates shifting moral orders relating to gender authority economic responsibility and national loyalty community and home life Transformation of the Mormon Culture Region charts how Mormons and non Mormons resolved their cultural contradictions over time by a progressive narrowing of the range of moral positions on gender in favor of Victorian gender relations the economy in favor of individual economics and the nation identifying with national power and might Mormons and non Mormons together constructed a regime of effective coexistence while retaining regional distinctiveness

Mormonism (or the Church of Jesus Christ of Latter-day Saints) Terryl Givens, 2020 Mormonism or the Church of Jesus Christ of Latter day Saints is America s most successful and most misunderstood home grown religion The church today boasts more than 15 million members worldwide a remarkable feat in the face of increasing secularity The growing presence of Mormonism shows no signs of abating as the makeup of its membership becomes progressively diverse The heightened contemporary relevance and increasingly global membership of the Church solidifies Mormonism as a religious group much deserving of awareness Covering the origins history and modern challenges of the church Mormonism What Everyone Needs to Know offers readers a brief authoritative guide to one of the fastest growing faith groups of the twenty first century in a reader friendly format providing answers to questions such as What circumstances gave rise to the birth of Mormonism Why was Utah chosen as a place of refuge Do you have to believe the Book of Mormon to be a Latter day Saint Why do women not hold the priesthood How wealthy is the church and how much are top leaders paid Written by a believer and the premier scholar of the Latter day Saints faith this remarkably readable introduction provides a sympathetic but unstinting account of one of the few religious traditions to maintain its vitality and growth in an era of widespread disaffiliation

Homelands Richard L. Nostrand, Lawrence E. Estaville, 2003-05-01 What does it mean to be from

somewhere If most people in the United States are from some place else what is an American homeland In answering these questions the contributors to *Homelands A Geography of Culture and Place across America* offer a geographical vision of territory and the formation of discrete communities in the U S today *Homelands* discusses groups such as the Yankees in New England Old Order Amish in Ohio African Americans in the plantation South Navajos in the Southwest Russians in California and several other peoples and places *Homelands* explores the connection of people and place by showing how aspects of several different North American groups found their niche and created a homeland A collection of fifteen essays *Homelands* is an innovative look at geographical concepts in community settings It is also an exploration of the academic work taking place about homelands and their people of how factors such as culture settlement and cartographic concepts come together in American sociology There is much not only to study but also to celebrate about American homelands As the editors state Underlying today s pluralistic society are homelands large and small strong and weak that endure in some way The mosaic of homelands to which people bonded in greater or lesser degrees affirms in a holistic way America s diversity its pluralistic society The authors depict the cultural effects of immigrant settlement The conviction that people need to participate in the life of the homeland to achieve their own self realization within the traditions and comforts of that community *Homelands* gives us a new map of the United States a map drawn with people s lives and the land that is their home

Diné dóó Gáamalii Farina King, 2023-10-27 Navajo Latter day Saints are Din d G amalii writes Farina King in this deeply personal collective biography We are Din who decided to walk a Latter day Saint pathway although not always consistently or without reappraising that decision Din d G amalii is a history of twentieth century Navajos including author Farina King and her family who have converted and joined the Church of Jesus Christ of Latter day Saints LDS becoming Din d G amalii both Din and LDS Drawing on Din stories from the LDS Native American Oral History Project King illuminates the mutual entanglement of Indigenous identity and religious affiliation showing how their Din identity made them outsiders to the LDS Church and conversely how belonging to the LDS community made them outsiders to their Native community The story that King tells shows the complex ways that Din people engaged with church institutions in the context of settler colonial power structures The lived experiences of Din in church programs sometimes diverged from the intentions and expectations of those who designed them In this empathetic and richly researched study King explores the impacts of Navajo Latter day Saints who seek to bridge different traditions peoples and communities She sheds light on the challenges and joys they face in following both the Din teachings of Si a h Naagh Bik eh H zh live to old age in beauty and the teachings of the church

Parting the Mormon Veil Ángel Chaparro Sanz, 2017-07-27 Este libro supone una invitación para descubrir la cultura y la literatura mormonas desde una perspectiva muy personal así como un viaje fascinante al territorio literario de Phyllis Barber una vasta extensión de un terreno físico y emocional donde los límites se entrecruzan y el tiempo teje nidos que trascienden la narrativa Ángel Chaparro analiza el proyecto social y cultural de la ficción y las autobiografías de Phyllis Barber

examina la influencia de la cultura mormona del paisaje del Oeste americano y de los acontecimientos históricos en su escritura y trata de anticipar el espacio que sus libros ocupan en el desarrollo en curso de la literatura mormona y de la cultura del Oeste americano Este original análisis va precedido de una historia de La Iglesia de Jesucristo de los Santos de los Últimos Días

Contemporary Mormonism Claudia L. Bushman, 2006-01-30 Much misunderstood Mormonism had a colorful beginning in the 19th century as a visionary named Joseph Smith founded and built a community of believers with their own unique faith In the late 20th century the church had to come to terms with its own growth and organization as well as with the increasing pervasiveness of globalization secularization and cultural changes Today Mormonism is one of the major religions in America and continues to grow internationally However though the church itself remains strong it is elusive to those of other faiths Here a seasoned author and third generation Mormon sheds light on the everyday lives and practices of faithful Mormons Bushman's readers will come away with a more thorough appreciation of what it means to be Mormon in the modern world Much misunderstood Mormonism had a colorful beginning in the 19th century as a visionary named Joseph Smith founded and built a community of believers with their own unique faith In the late 20th century the church had to come to terms with its own growth and organization as well as with the increasing pervasiveness of globalization secularization and cultural changes Today Mormonism is one of the major religions in America and one that continues to grow internationally However though the church itself remains strong it is elusive to those of other faiths Here a seasoned author and third generation Mormon sheds light on the everyday lives and practices of faithful Mormons Bushman's readers will come away with a more thorough appreciation of what it means to be Mormon in the modern world Following Brigham Young into the Great Basin and founding communities that have endured for over 100 years Mormons have forged a rich history in this country even as they built communities around the world But the origins of this faith and those who adhere to it remain mysterious to many in the United States Bushman allows readers a vivid glimpse into the lives of Mormons their beliefs rituals and practices as well as their views on race ethnicity social class gender and sexual orientation The voices of actual Mormons reveal much about their inspiration devotion patriotism individualism and conservatism With its mythical history and unlikely success many wonder what has made this religion endure through the years Here readers will find answers to their questions about what it means to be Mormon in contemporary America

Religion and Politics Beyond the Culture Wars Darren Dochuk, 2021-10-15 This volume reframes the narrative that has too often dominated the field of historical study of religion and politics the culture wars Influenced by culture war theories first introduced in the 1990s much of the recent history of modern American religion and politics is written in a mode that takes for granted the enduring partisan divides that can blind us to the complex and dynamic intersections of faith and politics The contributors to *Religion and Politics Beyond the Culture Wars* argue that such narratives do not tell the whole story of religion and politics in the modern age This collection of essays authored by leading scholars in American religious and political history challenges

readers to look past familiar clashes over social issues to appreciate the ways in which faith has fueled twentieth century U S politics beyond predictable partisan divides and across a spectrum of debates ranging from environment to labor immigration to civil rights domestic legislation to foreign policy Offering fresh illustrations drawn from a range of innovative primary sources theories and methods these essays emphasize that our rendering of religion and politics in the twentieth century must appreciate the intersectionality of identities interests and motivations that transpire and exist outside an unbending dualistic paradigm Contributors Darren Dochuk Janine Giordano Drake Joseph Kip Kosek Josef Sorett Patrick Q Mason Wendy L Wall Mark Brilliant Andrew Preston Matthew Avery Sutton Kathleen Sprows Cummings Benjamin Francis Fallon Michelle Nickerson Keith Makoto Woodhouse Kate Bowler and James T Kloppenberg **Rachel Carson and Her Sisters**

Robert K Musil,2014-04-01 In *Rachel Carson and Her Sisters* Robert K Musil redefines the achievements and legacy of environmental pioneer and scientist Rachel Carson linking her work to a wide network of American women activists and writers and introducing her to a new contemporary audience Rachel Carson was the first American to combine two longstanding but separate strands of American environmentalism the love of nature and a concern for human health Widely known for her 1962 best seller *Silent Spring* Carson is today often perceived as a solitary great woman whose work single handedly launched a modern environmental movement But as Musil demonstrates Carson s life s work drew upon and was supported by already existing movements many led by women in conservation and public health On the fiftieth anniversary of her death this book helps underscore Carson s enduring environmental legacy and brings to life the achievements of women writers and advocates such as Ellen Swallow Richards Dr Alice Hamilton Terry Tempest Williams Sandra Steingraber Devra Davis and Theo Colborn all of whom overcame obstacles to build and lead the modern American environmental movement

Encyclopedia of Religion and Nature Bron Taylor,2008-06-10 The *Encyclopedia of Religion and Nature* originally published in 2005 is a landmark work in the burgeoning field of religion and nature It covers a vast and interdisciplinary range of material from thinkers to religious traditions and beyond with clarity and style Widely praised by reviewers and the recipient of two reference work awards since its publication see www.religionandnature.com earn this new more affordable version is a must have book for anyone interested in the manifold and fascinating links between religion and nature in all their many senses

Voice in the Wilderness Michael Austin,2006-08-15 In her writings Terry Tempest Williams repeatedly invites us as readers into engagement and conversation with both her and her subject matter whether it is nature or society environment or art From her evocation in *Desert Quartet* An Erotic Landscape of an eroticism of place that defines erotic as in relation to the spiritual connectivity and familial bonds she explores in *Refuge* An Unnatural History of Family and Place and the political engagement she urges in *The Open Space of Democracy* much of her work is about relationship connection and community Like much good writing her books invite readers into thoughtful dialogue with the text Frequently in demand for workshops lectures and other speaking venues and well known as an environmental activist Williams has a

public persona and voice almost indistinguishable from her written ones Thus the interviews she has often granted in print on the radio on the Web seamlessly elaborate the ideas and extend the explorations of her written texts They also tell us much about the genesis context and intent of her books With her distinctive impassioned voice and familiar felicity of language she talks about wilderness and wildlife place and eroticism art and literature democracy and politics family and heritage Mormonism and religion writing and creativity and other subjects that engage her agile mind The set of interviews gathered and introduced by Michael Austin in *A Voice in the Wilderness* represent the span of Terry Tempest Williams's career as a naturalist author and activist Routledge Handbook of Religion and Ecology Willis J. Jenkins, Mary Evelyn Tucker, John Grim, 2016-07-22 The moral values and interpretive systems of religions are crucially involved in how people imagine the challenges of sustainability and how societies mobilize to enhance ecosystem resilience and human well being The Routledge Handbook of Religion and Ecology provides the most comprehensive and authoritative overview of the field It encourages both appreciative and critical angles regarding religious traditions communities attitude and practices It presents contrasting ways of thinking about religion and about ecology and about ways of connecting the two terms Written by a team of leading international experts the Handbook discusses dynamics of change within religious traditions as well as their roles in responding to global challenges such as climate change water conservation food and population It explores the interpretations of indigenous traditions regarding modern environmental problems drawing on such concepts as lifeway and indigenous knowledge This volume uniquely intersects the field of religion and ecology with new directions within the humanities and the sciences This interdisciplinary volume is an essential reference for scholars and students across the social sciences and humanities and for all those looking to understand the significance of religion in environmental studies and policy *Daughter of the Saints: Growing Up in Polygamy* Dorothy Allred Solomon, 2004-10-17 Probably the best book ever written about polygamy Neither an apologia nor an expos Salt Lake City Tribune I am the daughter of my father's fourth plural wife twenty eighth of forty eight children a middle kid you might say So begins this astonishing and poignant memoir of life in the family of Utah fundamentalist leader and naturopathic physician Rulon C. Allred Since polygamy was abolished by manifesto in 1890 this is a story of secrecy and lies of poverty and imprisonment and government raids When raids threatened the families were forced to scatter from their pastoral compound in Salt Lake City to the deserts of Mexico or the wilds of Montana To follow the Lord's plan as dictated by the Principle the human cost was huge Eventually murder in its cruelest form entered when members of a rival fundamentalist group assassinated the author's father Dorothy Solomon monogamous herself broke from the fundamentalist group because she yearned for equality and could not reconcile the laws of God as practiced by polygamists with the vastly different laws of the state This poignant account chronicles her brave quest for personal identity Originally published in hardcover under the title *Predators Prey and Other Kinfolk* *A Voice in the Wilderness* Michael Austin, 2006-08-15 In her writings Terry Tempest Williams repeatedly invites us as readers into

engagement and conversation with both her and her subject matter whether it is nature or society environment or art From her evocation in *Desert Quartet An Erotic Landscape* of an eroticism of place that defines erotic as in relation to the spiritual connectivity and familial bonds she explores in *Refuge An Unnatural History of Family and Place* and the political engagement she urges in *The Open Space of Democracy* much of her work is about relationship connection and community Like much good writing her books invite readers into thoughtful dialogue with the text Frequently in demand for workshops lectures and other speaking venues and well known as an environmental activist Williams has a public persona and voice almost indistinguishable from her written ones Thus the interviews she has often granted in print on the radio on the Web seamlessly elaborate the ideas and extend the explorations of her written texts They also tell us much about the genesis context and intent of her books With her distinctive impassioned voice and familiar felicity of language she talks about wilderness and wildlife place and eroticism art and literature democracy and politics family and heritage Mormonism and religion writing and creativity and other subjects that engage her agile mind The set of interviews gathered and introduced by Michael Austin in *A Voice in the Wilderness* represent the span of Terry Tempest Williams's career as a naturalist author and activist

[Latter-Day Saint Art](#) Amanda K. Beardsley, Cayleff and Sakai Faculty Scholar Amanda Beardsley, Mason Kamana Allred, Assistant Professor of Communication Media and Culture Mason Allred, 2024 *Latter day Saint Art A Critical Reader* seeks to fill a substantial gap by providing a comprehensive examination of the visual art of the Latter day Saints from the nineteenth century to the present The volume includes twenty two essays examining art by for or about Mormons as well as over 200 high quality color illustrations

[International Who's Who of Authors and Writers 2004](#) Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The *International Who's Who of Authors and Writers* offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters

[The Spirit of Conscious Capitalism](#) Michel Dion, Moses Pava, 2022-10-20 This book provides a constructive criticism of the emerging practice of conscious capitalism from the perspective of world religions and spiritualities Conscious capitalism to many of its adherents represents an evolutionary step forward beyond the dominant neo liberal paradigm where it often appears that just about everything is for sale Is conscious capitalism consistent with the values inherent in religious and spiritual world views and does it provide a better fit for bringing out the best that business has to offer This book answers these questions and many more An appealing

read for researchers in business ethics as well as any reader critical of the excrescences of capitalism **The Prentice Hall Reader** ,2003-05 This best selling collection features ten chapters focusing on the classic methods of narration description argument and persuasion It contains classic and contemporary essays about popular culture along with advice about how to read analytically and how to write persuasively and effectively Each chapter is organized clearly and effectively enabling the reader to not only understand each essay and but also what the writer was trying to convey An excellent reference work as well as an interesting and thoughtful collection of essays **Literature and the Environment** George Hart,Scott Slovic,2004-07-30 The phrase literature and environment only achieved popularity in recent decades yet writers dating back to the explorers of the 1500s and later such 19th century Romanticists as Thoreau have long been addressing environmental issues through literary expression This volume introduces students and educators to the field by tracing the evolution of environmental writing in the United States Chapters written by distinguished scholars offer new perspectives on important environmental issues guiding readers through 11 carefully selected literary works Each chapter provides brief biographical information on the author discussions of the work s structural thematic and stylistic components and insights into the historical context that relates the work to relevant environmental issues Each chapter concludes with information on works cited The analyzed works cover a wide spectrum of literature and span nearly 100 years Included are early writings such as Mary Austin s 1903 The Land of Little Rain and famous groundbreaking works such as Rachel Carson s Silent Spring 1962 and Gary Snyder s Turtle Island 1974 Also included are frequently assigned works of special interest to students such as The Monkey Wrench Gang 1975 The Earthsea Trilogy 1977 and Ceremony 1977 A list of selected further suggested readings completes the volume Students of literature as well as educators looking for new ways to present social issues will find many ideas and much inspiration in this volume
