Rubin, Jr.,1995-09-01 In A Writer s Companion Louis D Rubin Jr has drawn on his years of accumulated wisdom as well as the advice of some fifty prominent writers from various fields to put together in a single volume a vast array of information Organized in such a way as to make it exceptionally easy to use and enhanced by Rubin s graceful and witty prose A Writer s Companion will merit a place on the desk of every serious wordsmith It is also a book that will bring endless hours of pleasure to anyone who enjoys reading simply for the sake of gaining new knowledge As Casey Stengel said You could look it up *The Glenans Sailing Manual* Philippe Harle,Claude Rougevin-Baville,1961 **The Great Circle** ,1979-04 *Sailing and Social Class* Alan O'Connor,2024-04-23 This book explores the sociology of sailing and yachting Drawing on original research and employing a theoretical framework based on the work of Pierre Bourdieu the book argues that sailing is still an upper middle class activity that has much to tell us about the wider sociology of leisure and sport The book examines the historical foundations of blue water sailing as established by naval and colonial shipping to trace the roots of contemporary sailing and yachting culture It also examines archives of sailing narratives and cruising guides as well as the children s books of Arthur Ransome arguing that this archival material offers a social rather than a psychological interpretation of the bodily investment in sailing The book uses Bourdieu s concepts of *illusio* an investment of time emotion and body into a worthwhile activity and *habitus* or lifeworld alongside contemporary data sets to examine the yacht club as a social institution including why many boats never go out on the water the relationship between yacht clubs and the state and social issues as manifested in yacht

clubs such as sexism racism and homophobia Offering a vigorous sociological critique of yachting and sailing this book is fascinating reading for anybody with an interest in the sociology of leisure and sport subcultures social theory or social issues in wider society **A Maritime History of Long Island** Ralph Brady,2019-02-21 A trip into the Long Island history of ships lighthouses ports shipbuilders shipwrecks and much more Webster s Dictionary defines the word maritime as on near or living near the sea so you can see that the basic membership requirement to be a part of the story is easily satisfied Just having an address in either Nassau or Suffolk County pretty much meets the criteria and then the things that you do with your time can determine how big a role you play in this tale Own a boat and fish from it That gives you an even greater claim to being a nautical or maritime person Go clamming in the bays sail in regattas help clean up a beach be a member of a yacht club etc I think you get the point and hopefully have by now come to realize that your very existence on Long Island is tied in with the pioneers who taught us how to prosper on this amazing island and enjoy a lifestyle that is almost unique in the entire United States *Ships Monthly* ,1979 *Atlantic Fisherman* ,1981-05 **Maverick Spy** Hamish MacGibbon,2017-08-30 A few years before he died James MacGibbon confessed to his close family that he had spied for the Soviet Union during World War II At the end of the war MI5 suspected him of espionage and interrogated him but he did not confess Nevertheless they kept James his wife Jean and their young family under close surveillance for a number of years regularly intercepting their mail and recording their telephone conversations Only after James s death did the true significance of what he might have revealed become clear in his wartime office role James had access to the plans for Operation Overlord D Day In this book James s son Hamish tells the story of his parents their interaction with the communist party and their flirtation with wartime espionage It is a unique portrait of two very ordinary people caught up in the extraordinary events of World War Two and the Cold War *Sailing* Hugh Somerville,1974 **The Woodenboat** ,1985
