New Guy:

The Last Ferry Home LaVonne Chastain, 2021-08-03 A true life story that may sound a bit familiar to the baby boomer generation Spanning the years from the 50s to the modern times of today from childhood antics to the angst and perils of teenage hood and then the highs and lows of marriage giving birth divorce Beyond those years follow an assortment of the amusing and amazing the joyful and the miraculous and the disappointment and sorrow of a not too normal life It all began in a tiny northern town in America transcending six decades and several foreign countries A chance to start over a second marriage one worth waiting for new man new country new customs amongst castles and moors and mysticism along with quirkiness oddities and whimsy A lifelong search for identity and answers needle in a haystack style A quest to find a recognizable face a name a place feeling nonexistent at times like a ghost I m here but I m not really here A discovery of human nature to belong to someone days and moments that will never be forgotten and the chance to live another day as a result of finding the truth Another whole family like figures in a wax museum suddenly and finally come to life A song with a beautiful melody and words beckoning from far across the ocean simultaneously haunting and pleasing the personal anthem that sometimes shadowed and other times led to the final destination of knowing I shouldn t have even made it Everyone else is dead Not me I was meant to live And this is my story

The Diener H. L. Riviere, 2016-12-19 The Diener by H L Riviere The embalming machine pumped fluid into her and blood flowed red from the vein Gradually the venous blood became a lighter color Her heart stopped but the machine pumped on Soon the fluid flowing from the groin incision was almost colorless like the embalming fluid He stopped the pump and disconnected it from her body She could wait in the cold room until tomorrow He fished in his pocket for the metal disk tied it to her toe with a fresh piece of string and stood over his work His heart was pounding and his breathing was rapid as if he had just run a race What power what absolute power he thought Something doesn t seem right about the cadavers at the Portland University Health Center Medical School dissection laboratory well about one cadaver Grace director and primary lecturer of the medical gross anatomy course for fifteen years knew something was amiss but she couldn t quite figure it out She would have to ask Carl the lab s mortician to get to the bottom of it But Carl knows exactly what is happening in the lab It s where he s disposing his victims

Grappling 101 Bakari Akil II, Ph.D.,2017-08-03 This is the Bully Proof for beginning grapplers It ll help you develop a force field to help shield you from making newbie mistakes The advice in Grappling 101 is information that people will not share with you during instruction or drill but will tell you at the most inopportune moments They are pointers that everyone should give you on day one but end up as sporadic pieces of advice usually shouted out while someone is handing your ass to you This is not a handbook that shows you step by step sequences that will help you wreak havoc in your gym or on the competition mat Instead it is grappling theory It was written with the intention of keeping you from becoming a victim Theoretically if you use the advice

in this book it will save you a lot of grief and help you to avoid a lot of needless tapping The information in Grappling 101 will take months and in some cases years away from time that would normally be spent as a newbie then as a rookie It will keep you from making what someone who is hard on themselves would describe as stupid or silly mistakes Attention This book is for beginners Read this book before you begin grappling That said if you have already begun to study submission wrestling then you ve probably learned what s in this book the hard way Yet it is always good to review the basics so Grappling 101 can be read by all
