Congress, 1995 *The Corporate Directory of US Public Companies 1995* Elizabeth Walsh, 2016-06-11 This valuable and accessible work provides comprehensive information on America's top public companies listing over 10,000 publicly traded companies from the New York NASDAQ and OTC exchanges. All companies have assets of more than 5 million and are filed with the SEC. Each entry describes business activity, 5 year sales, income, earnings per share, assets and liabilities. Senior employees, major shareholders and directors are also named. The seven indices give an unrivalled access to the information. *The Standard Periodical Directory, 2003* **The Martindale-Hubbell Law Directory, 2002** Directory of Postsecondary Schools with Occupational Programs, 1970 New England Merchantile Union Business Directory For, 1849, 1849 **New-England Mercantile Union Business Directory, 1849** *Directory of Postsecondary Schools with Occupational Programs, 1973-74* Evelyn Reis Ecker Kay, 1975 **Official Congressional Directory** United States. It focuses on Washington in order to be listed an organization must have an office in the Washington metropolitan area. These descriptions are not boilerplate advertising material from the organizations; rather, they are hand-crafted by a talented freelance research team. In addition, WID pulls together 55 organization charts for federal agencies, congressional resources related to each chapter topic, hotline and contact information for various specific areas of interest and an extensive list of active congressional caucuses and contact details. WID has two appendices: one with thorough information on congresspersons and committees and the second with governors and embassies. **Monthly Catalog of United States Government Publications** United States. Superintendent of Documents, 1988 February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications. September issue includes List of depository libraries. June and December issues include semiannual index.
