A Christian Approach to Overcoming Disability Elaine Leong Eng, 2004. Learn how faith and psychological insight can combine to help Christians overcome physical disabilities. After being diagnosed with retinitis pigmentosa, Dr. Elaine Leong Eng, author of *Martha, Martha: How Christians Worry*, knew she had to make important life changes. This genetic disease would soon cause her eyesight to fail. Her impending blindness meant that she would no longer be able to practice as an obstetrician-gynecologist. Her family life would never be the same, nor would her self-image. *A Christian Approach to Overcoming Disability: A Doctor's Story* is the poignant and inspiring story of Dr. Eng's ultimately triumphant struggle with an untreatable illness and a life-changing disability. Once I heard the diagnosis, I knew it was God's way of granting my prayer to be a full-time mom to my babies. God had prepared my heart to accept this news. This so-called tragedy in my life was very much for the good. I had the chance to see and care for my children during those precious young years. To play with them, sing songs, teach them, feed them, and do all those wonderful mothering things that many take for granted. And now that they are grown, I can see in my mind's eye all those great images and memories I enjoyed. Motherhood so much that I would not have changed my life in any way if given the chance. This autobiographical book articulates the challenges faced by the blind and offers faith-based and psychological techniques for coping with disability. It highlights dozens of Scriptural passages that can provide an important foundation for coping and draws upon Dr. Eng's experience as a psychiatrist to identify important issues and feelings about blindness and its psychological and emotional impact on every aspect of life. In this insightful book, you'll find firsthand information about the experience of becoming disabled and about living with even celebrating that disability and the new opportunities it presents. Insight about what family, friends, students, and colleagues go through when someone close to them becomes disabled. Biblical references that demonstrate the importance of God in meeting physical challenges. Important Scriptural foundations for coping. Practical techniques for coping with disability from both religious and psychological perspectives. Advice on overcoming the feeling of being damaged. Goods and other problems of self-esteem common to the disabled. *A Christian Approach to Overcoming Disability* will inspire you with its message of hope. It offers insights about finding inner peace no matter what hand life has dealt you and making the most of whatever God has planned for your life. Anyone who knows a Christian who has any type of physical disability will benefit from reading this book.

The Three Hardest Words Leonard Sweet, 2010-05-26. Three simple words: I love you. Capture the heart of Jesus' life and ministry. These three words form the bottom line and top drawer of all his teachings. And they remain the three hardest words in the world to get right. Two

pronouns and a verb have never been so difficult to grasp much less to practice Popular culture has ruined love s reputation by redefining it first as romance and then as lust But it s not just the meaning of the word love that causes so much confusion To fully understand love we also need to find out who we are in God s eyes and whom we are commanded to love Following Jesus can be described as the daily practice of all three words I Love You There is nothing more rewarding and nothing more risky Join Leonard Sweet in this eye opening life altering exploration of three simple one syllable words After all the lifestyle of love is the only life that Jesus calls you to live There is nothing more challenging than adopting the three word lifestyle of Jesus as your own Perhaps you have wondered why love seems to work for everyone else but not for you Or maybe you ve done your best to love those around you but it seems that life has drained your last drop of trust and affection Nothing is better than love when it s right and nothing is more destructive than attempts at love that fail to follow the Jesus prescription for a healthy life Jesus devoted his earthly life to saying these three words I love you and teaching us how to say them As Jesus defined love it takes everything you ve got and then even more which only God can give The lifestyle of love is not something you can master on your own but Jesus is ready to show you how Starting today you can learn to live I love you the three hardest words in the world to get right Leonard Sweet PhD serves as the E Stanley Jones Professor of Evangelism at Drew Theological School in Madison New Jersey He is also a Distinguished Visiting Professor at George Fox University in Newberg Oregon and founder and president of SpiritVenture Ministries He has written many books including Out of the Question Into the Mystery and the trilogy SoulTsunami AquaChurch and SoulSalsa

The Holy Bible & Mormonism

Christopher Mills,2009 A growing number of people are critical of Mormons religious beliefs and practices They criticize the Mormon faith by using the Bible as a tool to separate the Mormons from other Christian sects In his first book Christopher Mills walks us through quotes from the Holy Bible in order to demonstrate how Mormonism is a true Christian faith and how the Holy Bible upholds their beliefs and practices

[Joining Jesus on the Way](#) Phil Mayo,2019-12-10 What does it mean to take up your cross daily Sell your possessions and give to the poor really Deny yourself Jesus says How does all of this fit together in a world two thousand years removed Joining Jesus on the Way takes a look at the discipleship teachings of Jesus through the lens of the Gospel of Luke Luke s unique emphasis on discipleship has long been recognized among the Gospel

traditions One might even call Luke's Gospel a discipleship manual In Luke Jesus prepares his disciples for the power packed ministry they will live out in Luke's second volume Acts Jesus teaches his disciples about self denial obedience to his commands proper attitude toward possessions faith and prayer and after his resurrection promises them the presence and power of the Holy Spirit to continue the ministry he began Most of Jesus discipleship teachings are found in the travel narrative portion of the Gospel of Luke In these ten chapters Jesus is traveling up to Jerusalem and his ultimate destiny the cross This is a journey on which Jesus invites all would be disciples to join him On the way we learn what it means to be true followers of Jesus The ultimate goal of the journey is the cross which every disciple must bear but the journey does not end here Death to self means resurrection to new life in Christ Two thousand years later Jesus is still calling his followers to join him on the way but we don't always know how to answer that call It's not necessarily our fault as we seem to hear very little these days about true discipleship Some are answering the call but don't know what to do next Their pursuit of Jesus is avid but they need someone to help them along the way This book is written to be that help In *Joining Jesus on the Way* Mayo considers the implications of Jesus discipleship teachings for would be disciples both then and now This book is written to challenge 21st century believers to deepen their walk with Jesus and to choose to take up that proverbial cross and follow him daily
