New Latitudes Theory And English Renaissance Literature:

New Latitudes Thomas F. Healy, 1992-01 **Renaissance Literature** Siobhan Keenan, 2008-08-27 This concise introduction to the literature of an exciting and influential period opens with an overview of the historical and cultural context in which English Renaissance literature was produced and a discussion of its contemporary and subsequent critical reception The following chapters survey the major Renaissance genres of drama poetry and prose Each chapter provides illustrative case studies of canonical and non canonical key texts by authors such as William Shakespeare Christopher Marlowe Ben Jonson Edmund Spenser John Milton Sir Philip Sidney John Donne Aemilia Lanyer Sir Francis Bacon Thomas Nashe and Lady Mary Wroth A guide to further reading accompanies each chapter complemented by a section of student resources at the end of the book The final chapter summarises significant developments in English Renaissance literary culture and discusses the future direction of Renaissance literary scholarship **Nation, State and Empire in English Renaissance Literature** Willy Maley, 2015-12-30 This book original in emphasis daring in execution maps out the shaping power of English Renaissance literature in creating and contesting national and colonial identities through the work of major canonical authors including Shakespeare Spenser and Milton Informed throughout by the burgeoning fields of the new British history and postcolonial criticism this volume marks a dramatic shift in studies of the early modern period from Irish to British concerns thus accounting for the interplay of union plantation and conquest *The Renaissance Literature Handbook* Susan Bruce, Rebecca Steinberger, 2009-01-01 Literature and Culture Handbooks are an innovative series of guides to major periods topics and authors in British and American literature and culture Designed to provide a comprehensive one stop resource for literature students each handbook provides the essential information and guidance needed from the beginning of a course through to developing more advanced knowledge and skills Written in clear language by leading academics they provide an indispensable introduction to key topics including Introduction to authors texts historical and cultural contexts Guides to key critics concepts and topics An overview of major critical approaches changes in the canon and directions of current and future research Case studies in reading literary and critical texts Annotated bibliography including websites timeline glossary of critical terms The Renaissance Literature Handbook is a comprehensive introduction to literature and culture in the English Renaissance or Early Modern period *Writing and the English Renaissance* William Zunder, Suzanne Trill, 2016-07-01 Writing and the English Renaissance is a collection of essays exploring the full creative richness of Renaissance culture during the sixteenth and seventeenth centuries As well as considering major literary figures such as Spenser Marlowe Donne and Milton lesser known especially women writers are also examined Radical writing and popular culture are considered as well The scope of the study not only extends the parameters for debate in Renaissance studies but also adopts a radical interdisciplinary approach bridging the gap between literary historical cultural and women s studies leading to a much fuller picture of life in the sixteenth and seventeenth centuries The authors

discussed are placed in their full historical and literary context with an extensive selection of original documentation included in the text for example from The Book of Common Prayer or the Homilies to contextualize the writing under discussion This distinctive approach combined with a detailed chronology of the period and bibliography embracing both canonical and non canonical writers makes this volume a unique reference resource and course reader for Renaissance studies

Christopher Marlowe and English Renaissance Culture Darryll Grantley, Peter Roberts, 2018-08-13 First published in 1996 this volume asked the question who and what was Christopher Marlowe Dramatist poet atheist and possible spy he was a man in contrast with his time The authors here gather to explore Marlowe on the four hundredth anniversary of his death They include significant interdisciplinary elements and focus on dramaturgy textual criticism and biography It is hoped that the diversity of approaches can further debates on both Marlowe and Renaissance culture

The Variorum Edition of the Poetry of John Donne, Volume 4.2 John Donne, 2021-11-02 This volume the ninth in the series of The Variorum Edition of the Poetry of John Donne presents newly edited critical texts of 25 love lyrics Based on an exhaustive study of the manuscripts and printed editions in which these poems have appeared Volume 4.2 details the genealogical history of each poem accompanied by a thorough prose discussion as well as a General Textual Introduction of the Songs and Sonets collectively The volume also presents a comprehensive digest of the commentary on these Songs and Sonets from Donne's time through 1999 Arranged chronologically within sections the material for each poem is organized under various headings that complement the volume's companions Volume 4.1 and Volume 4.3

Edmund Spenser's Irish Experience Andrew Hadfield, 1997-05-29 Spenser's Irish Experience is the first sustained critical work to argue that Edmund Spenser's perception and fragmented representation of Ireland shadows the whole narrative of his major work The Faerie Queene traditionally regarded as one of the finest achievements of the English Renaissance The poem has often been read in specifically English contexts but as Hadfield argues demands to be read in terms of England's expanding colonial hegemony within the British Isles and the ensuing fear that such national ambition would actually lead to the destruction of England's post Reformation legacy Spenser should be seen less as an English writer and more as a new English writer in Ireland his prose and poetry expressing the hopes and fears of his class Where A View of the Present State of Ireland attempts to provide a violent political solution to England's Irish problem The Faerie Queene exposes the apocalyptic fear that there may be no solution at all The book contains an analysis of Spenser's life on the Munster plantation readings of the political rhetoric and antiquarian discourse of A View of the Present State of Ireland and three chapters which argue the case that the apparently Anglocentric allegory of The Faerie Queene reveals a land gradually but clearly transformed into its Irish other Spenser emerges from this study as a writer whose experience in Ireland rendered him implacably opposed to the vacillations of his English monarch

The Body Emblazoned Jonathan Sawday, 1995 Sawday offers a compelling study of the culture of dissection in the English Renaissance which informed intellectual enquiry in Europe for nearly two hundred

years Between two stools Peter J. Smith, 2015-08-01 Now available in paperback Between two stools investigates the representation of scatology humorous carnivalesque satirical damning and otherwise in English literature from the middle ages to the eighteenth century Smith contends that the two stools stand for two broadly distinctive attitudes towards scatology The first is a carnivalesque merry even hearty disposition typified by the writings of Chaucer and Shakespeare The second is self disgust an attitude characterised by withering misanthropy and hypochondria Smith demonstrates how the combination of high and low cultures manifests the capacity to run canonical and carnivalesque together so that sanctioned and civilised artefacts and scatological humour frequently co exist in the works under discussion evidence of an earlier culture s aptitude now lost to occupy a position between two stools Of interest to cultural and literary historians this ground breaking study testifies to the arrival of scatology as an academic subject at the same time recognising that it remains if not outside then at least at the margins of conventional scholarship **But the Irish Sea Betwixt Us** Andrew

Murphy, 2021-12-14 At the rise of the Tudor age England began to form a national identity With that sense of self came the beginnings of the colonialist notion of the other Ireland however proved a most difficult other because it was so closely linked both culturally and geographically to England Ireland s colonial position was especially complex because of the political religious and ethnic heritage it shared with England Andrew Murphy asserts that the Irish were seen not as absolute but as proximate others As a result English writing about Ireland was a problematic process since standard colonial stereotypes never quite fit the Irish But the Irish Sea Betwixt Us examines the English view of the imperfect other by looking at Ireland through works by Spenser Jonson and Shakespeare Murphy also considers a broad range of materials from the Renaissance period including journals pamphlets histories and state papers Radical Tragedy Jonathan Dollimore, 2010-04-09 When it was first published Radical Tragedy was hailed as a groundbreaking reassessment of the drama of Shakespeare and his contemporaries An engaged reading of the past with compelling contemporary significance Radical Tragedy remains a landmark study of Renaissance drama and a classic of cultural materialist criticism The corrected and reissued third edition of this critically acclaimed work includes a candid new Preface by the author and features a Foreword by Terry Eagleton

Possession, Puritanism and Print Marion Gibson, 2015-10-06 Tells a story of injustice and passionate resistance to religious persecution in the last years of Queen Elizabeth s reign Through an analysis of a sensational series of demonic possessions and exorcisms this book highlights the existence of controversies in print in the late Elizabethan period of the kind that would one day lead to civil war **The Welsh and the Shaping of Early Modern Ireland, 1558-1641** Rhys Morgan, 2014 Demonstrates that there was a significant Welsh involvement in Ireland between 1558 and 1641 It explores how the Welsh established themselves as soldiers government officials and planters in Ireland It also discusses how the Welsh although participating in the English colonisation of Ireland nevertheless remained a distinct community settling together and maintaining strong kinship and social and economic networks to fellow countrymen including in Wales

Edmund Spenser Andrew Hadfield, 2014-09-19 This collection represents some of the best recent critical writing on Edmund Spenser a major Renaissance English poet The essays cover the whole of Spensers work from early literary experiments such as *The Sheperdes Calendar* to his unfinished crowning work *The Fairie Queene* The introduction provides an overview of critical responses to Spenser setting his work and the debates which it has generated in their perspective contexts new historicist post structural psychoanalytic and feminist His study also covers the critical responses of leading British Irish and American scholars *Sex, Knowledge, and Receptions of the Past* Kate Fisher, Rebecca Langlands, 2015 *Sex* how should we do it when should we do it and with whom How should we talk about and represent sex what social institutions should regulate it and what are other people doing Throughout history human beings have searched for answers to such questions by turning to the past whether through archaeological studies of prehistoric sexual behaviour by reading Casanova s memoirs or as modern visitors on the British Museum LGBT trail In this ground breaking collection leading scholars show that claims about the past have been crucial in articulating sexual morals driving political legal and social change shaping individual identities and constructing and grounding knowledge about sex With its interdisciplinary perspective and its focus on the construction of knowledge the volume explores key methodological problems in the history of sexuality and is also an inspiration and a provocation to scholars working in related fields historians classicists Egyptologists and scholars of the Renaissance and of LGBT and gender studies inviting them to join a much needed interdisciplinary conversation *An Collins and the Historical Imagination* W. Scott Howard, 2016-04-15 The first edited collection of scholarly essays to focus exclusively on An Collins this volume examines the significance of an important religious and political poet from seventeenth century England The book celebrates Collins s writing within her own time and ours through a comprehensive assessment of her poetics literary religious and political contexts critical reception and scholarly tradition *An Collins and the Historical Imagination* engages with the complete arc of research and interpretation concerning Collins s poetry from 1653 to the present The volume defines the center and circumference of Collins scholarship for twenty first century readers The book s thematically linked chapters and appendices provide a multifaceted investigation of An Collins s writing religious and political milieu and literary legacy within her time and ours *Marlowe* Avraham Oz, 2003-10-21 Christopher Marlowe is known not only as Shakespeare s most notable contemporary playwright but also as one of the most intriguing figures of the English Renaissance The mystery of his death in a fray at the age of 29 has inspired writers around the world and his fiery career is no less intriguing This *New Casebook* offers a wide ranging selection of essays on Marlowe s major plays Articles from the last two decades by leading critics of English early modern drama provide a variety of fresh controversial and enlightening critical perspectives on five of Marlowe s plays *Tamburlaine the Great* *Parts One and Two* *The Jew of Malta* *Doctor Faustus* and *Edward II* ***Reconceiving the Renaissance*** Ewan Fernie, 2005-03-31 The last two decades have transformed the field of Renaissance studies and *Reconceiving the Renaissance A Critical Reader* maps this

difficult terrain Attending to the breadth of fresh approaches the volume offers a theoretical overview of current thinking about the period Collecting in one volume the classic and cutting edge statements which define early modern scholarship as it is now practised this book is a one stop indispensable resource for undergraduates and beginning postgraduates alike Through a rich array of arguments by the world's leading experts the Renaissance emerges wonderfully invigorated while the suggestive shorter extracts topical questions and engaged editorial introductions give students the wherewithal and encouragement to do some reconceiving themselves Shakespeare and World Cinema Mark Thornton Burnett, 2013 This book explores the significance of Shakespeare in contemporary world cinema for the first time Mark Thornton Burnett draws on a wealth of examples from Africa the Arctic Brazil China France India Malaysia Mexico Singapore Tibet Venezuela Yemen and elsewhere
