Images of Germany in American Literature

Waldemar Zacharasiewicz, 2007-04 Although German Americans number almost 43 million and are the largest ethnic group in the United States scholars of American literature have paid little attention to this influential and ethnically diverse cultural group In a work of unparalleled depth and range Waldemar Zacharasiewicz explores the cultural and historical background of the varied images of Germany and Germans throughout the past two centuries Using an interdisciplinary approach known as comparative imagology which borrows from social psychology and cultural anthropology Zacharasiewicz samples a broad spectrum of original sources including literary works letters diaries autobiographical accounts travelogues newspaper reports films and even cartoons and political caricatures Starting with the notion of Germany as the ideal site for academic study and travel in the nineteenth century and concluding with the twentieth century image of Germany as an aggressive country this innovative work examines the ever changing image of Germans and Germany in the writings of Louisa May Alcott Samuel Clemens Henry James William James George Santayana W E B Du Bois John Dewey H L Mencken Katherine Anne Porter Kay Boyle Thomas Wolfe Upton Sinclair Gertrude Stein Kurt Vonnegut Thomas Pynchon William Styron Walker Percy and John Hawkes among others

The Rediscovery of America Stuart Andrews, 1998-10-15 The Rediscovery of America features some twenty representatives of England France and America whose careers in some sense straddled the Atlantic in the last quarter of the eighteenth century While not establishing causal links between the American and French Revolutions the collective weight of these individual responses to the new America supports the idea of an Atlantic Revolution This study of the writings and transatlantic experiences of the revolutionary generation shows the power of American images in shaping political rhetoric if not political reality

Black Professional Women in Recent American Fiction Carmen Rose Marshall, 2015-01-24 The last three decades of the 20th century have marked the triumph of many black professional women against great odds in the workplace Despite their success few novels celebrate their accomplishments Black middle class professional women want to see themselves realistically portrayed by protagonists who work to achieve significant productivity and visibility in their careers desire stability in their personal lives aspire to accrue wealth and live elegantly though not consumptively The author contends that most recent American realistic fiction fails to represent black professional women protagonists performing their work effectively in the workplace Identifying the extent to which contemporary novels satisfy the readerly desires of black middle class women readers this book investigates why the readership wants the texts as well as what they prefer in the books they buy It also examines the technical and cultural factors that contribute to the lack of books with self
