Happiness Randy Alcorn, 2024-06 Christians are supposed to be happy In fact we are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today's culture the vast majority of Christians are perceived as angry judgmental people who don't seem to derive any joy from life whatsoever So why aren't we happy Unfortunately many Christians are taught early on that God doesn't want us to be happy he wants us to be holy In fact many Christians are laboring under the false notion that God himself is not happy But nothing could be further from the truth God does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn't mean we can't also experience joy and happiness here on earth In *Happiness* noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere [The Road to Emmaus](#) Larissa Payton, 2022-09-27 From Creation to the Coming of His Kingdom Jesus has and always will be the heart of humanity Jesus was present and active on earth long before His birth in Bethlehem Many Christians believe that Jesus originated in the New Testament but that is far from the entire Biblical History The Road to Emmaus is a journey through the Bible to find an Eternal Jesus

Unbogus Dr. Betty F. Minus-Murrell, 2015-12-22 Who you see is who I am and what you see is what you get How many of us can say these words and mean it Too many people hide behind masks of pretense whether it is socially emotionally spiritually or physically simply to gain the approval or acceptance of others One of the greatest challenges many people face today especially Christians is trying to live an authentic unbogus life in a world full of fake bogus people Thus this book is a real eye opener on the subject of bogusness versus unbogusness The author gives valuable insight into how to avoid living a bogus life and how to pursue an unbogus life Having your outer man match your inner man is the goal of this book This powerfully written book will also challenge you to rise above your unbogus behavior and find true contentment peace and self worth Finally this book will give you a game plan to cast out areas of unbogusness in your life that have kept you from living your best life
