Prophets as Performers Jeanette Mathews, 2020-03-04 The biblical prophets and Biblical Performance Criticism are brought together in three case studies Elijah Ezekiel Jonah presented as performances This book proposes a new method of reading the biblical prophets with a threefold focus on creativity commentary and connections With this method the many and varied performances of the prophets can be better appreciated Critical analysis of the quintessentially performative nature of the prophets as embodied spokespersons for YHWH aids us in understanding and clarifying YHWH's message to audiences situations and communities of the past as well as engaging contemporary audiences **Voices of the Prophets**

Edwin Hamilton Gifford, 1874 **Do My Prophets No Harm** Robert Kimball Shinkoskey, 2011-03-03 A foundational law promoting worship of the God of the Exodus the Decalogue's First Commandment has little meaning without a government policy permitting such worship Robert Kimball Shinkoskey discusses policies in the Bible which enact freedom of religion for prophets and other dissidents who work to restore worship of the God of their ancestors In the process he challenges the theological idea of the cessation of prophecy New revelation from God is necessary to rescue ancient Israel from backsliding and restore her to a place of security and tranquility in a Mediterranean world gone mad with imperial war making

Through Minds' Eyes Ryan J. Hite, 2013-03-27 This is a book of history ethics and philosophy It is a record of teachings passed down through the generations from the East and the West It contains the fullness of the sealed covenant established between man and the laws of the universe As we evolve as a race we take things out of our lives because we better understand who we are and what we have achieved The divine refers to the laws of nature and the universe that guide us in our everyday lives The creator that guides our everyday lives is not something that we should worship or pray to out of fear or love it is something that remains unseen and works in natural forces to explain all the events that happen on Earth It is merely a force and it is not necessary to belong to a group to experience the light The path to the light is straight and broad The creator of the universe is a divine and intellectual force by which all things came into being The sealed covenant is a pact between all of humanity to the world around us and the universal laws that guide our everyday lives to come together and love one another and come to make the world a better place for all people This shall usher in the evolution of religious traditions and humanity to a new age of prosperity Elder's Journal of the Southern States Mission, 1907 **Voices of the prophets, 12 lects. on the foundation of bishop Warburton** Edwin Hamilton Gifford, 1874 Prophets of Melanesia G. W. Trompf, Keith W. Carley, 1977 Pentecostal Prophets Stephen D. Barkley, 2023-04-20 Prophets come in many varieties

ecstatic worshipers inspired preachers social justice advocates and even political pundits Their messages vary accordingly The purpose of this book is to dig beneath the message to understand the how How do modern day prophets experience the prophetic impulse The phenomenological study at the core of this book answers that question directly by examining the experience of Canadian Pentecostals From there the experience of modern day prophets is compared with Old Testament prophets with special attention given to Jeremiah It turns out that prophets today share in the same experience as their Old Testament predecessors This book can benefit three audiences For the academy this work provides the first phenomenological study of prophecy in Canada For pastors reading this book will be an exercise in empathy placing you in the shoes of the prophets in your congregation helping you to understand what goes on when someone prophesies For everyday prophets this book will affirm your connection through Jesus to the Old Testament prophetic tradition enabling you to read those Old Testament books in a new experiential light

Fulfilling the Law and the Prophets Matthew Anslow, 2022-07-18 Matthew's Gospel makes mention of prophets and prophecy more than any other canonical Gospel Yet its perspective on prophecy has generally been neglected within biblical scholarship when in fact Jesus prophetic vocation is a central christological theme for Matthew This new study by Matthew Anslow seeks to draw attention to this underdeveloped focus within Matthean studies The central claim of the book is that in Matthew's Gospel Jesus prophetic vocation is presented as a multi faceted phenomenon drawing on several prophetic traditions Like biblical and popular prophets before him Jesus is depicted by Matthew as calling Israel back to covenantal faithfulness thereby providing guidance for the identity theology and communal life of God's people

A Commentary Upon the Larger and Lesser Prophets Lowth, 1730 A *Commentary upon the Larger and Lesser Prophets: being a continuation of Bishop Patrick ... The third edition* William LOWTH (Prebendary of Winchester.), 1739 *The Hebrew Prophets* Robert L. Ottley, 1905 *Prophets and Witches* Debra Parish, 2025-08-04 *Prophets and Witches* offers an exploration of female prophecy and witchcraft during the political and religious upheavals of the English Revolutionary period from 1640 to 1660 The religious fervour and End of Days enthusiasm precipitated by the Civil War opened the door for unprecedented numbers of women to achieve visibility and spiritual authority as prophets However as self proclaimed instruments for God's spirit these women were also exposed to the charge of demonic possession or witchcraft This book explores both the gender and political elements at work in the construction of the prophet as a witch It uncovers the role of witchcraft in the dominant political and religious debates and power conflicts of the times which provides a crucial framework for the female prophet's transformation from divine instrument to demonic witch This study of the early modern prophet and witch reveals the fluidity and at times close relationship of these assumed opposites This book is a valuable resource to students and scholars of early modern England the English Civil War and all readers interested in female religiosity prophecy witchcraft demonology and early Quakerism
