New Light On Pope:

New Light on Pope Norman Ault, 1942 **The Yard of Wit** Raymond Stephanson, 2004 Raymond Stephanson configures masculinity and its expressions in male creativity historically biographically and in sufficient deep layer detail to persuade the most rigorous of scholars that this work will be a reliable source of enduring worth George Rousseau De Montfort University **Fiddled out of Reason** John William Knapp, 2019-04-11 Fiddled out of Reason is a study of several poems spanning the life and career of Joseph Addison who along with John Dryden Alexander Pope Ambrose Philips Isaac Watts and many British poets of the turn of the eighteenth century helped to cultivate a broad new current of nonliturgical hymnic verse that became immensely popular across that century though it has eluded critical notice until now The texts the book examines Addison's St Cecilia's Day odes 1692 1699 his libretto for the opera Rosamond 1707 and a sequence of five hymnic works in The Spectator 1712 precede by twenty five years John Wesley's publication of the first hymnal for use in the Church of England The book argues that secular hymnic works such as Addison's emerged alongside religious political controversies and anxieties about British national identity morality and expressions of enthusiastic passions Church and Tory interests largely rejected hymnic verse claiming it would only fiddle unwitting readers out of their reason and reignite the dangerous fervor of Revolution era Nonconformity and Dissent As is evident from his poetry Addison a moderate Whig ardently opposed this view arguing that the hymnic could in fact be a portal to national and individual amelioration After an introductory chapter exploring period conceptions of hymnic poetry and the highly contested term hymn itself the argument proceeds through three sections to trace the hymnic's upward trajectory through Addison's early mid period and mature verse The book devotes the lion's share of its attention to the last of these three which includes the five poem Spectator sequence a poem from the sequence The Spacious Firmament on High will be familiar to many readers Indeed in addition to offering new readings of hymnic works by Dryden and Pope Fiddled out of Reason provides the first extended critical treatment of these five important poems Publication of the book coincides with the 300th anniversary of Addison's death and with the appearance of a new Oxford edition of Addison's nonperiodical writings Women's Place in Pope's World Valerie Rumbold, 1989-09-29 How was Alexander Pope's personal experience of women transformed into poetry How characteristic of his age was Pope's attitude toward women What was the influence of individual women such as his mother Patty Blount and Lady Mary Montagu on his life and work Valerie Rumbold's is the first full length study to address these issues Referring to previously unexploited manuscripts she focuses both on Pope's own life and art and on early eighteenth century assumptions about women and gender She offers readings of some of the well known poems in which women feature prominently and follows Pope's response throughout his writings in general The poet's own alienation from the dominant culture through religion politics and physical handicap and his troubled fascination with certain kinds of women make this subject complex and compelling with wide implications Dr Rumbold provides new insight and shows how women with whom

Pope dealt can themselves be seen as individuals with presence and dignity **The World of Pope's Satires** Peter Dixon,2022-01-29 First published in 1968 The World of Pope s Satires is a stimulating and challenging book showing how the satires written by Pope during the 1730s were not only expressions of his own poetic personality but were also responsive to the habits and attitudes of the age The author considers Pope s uses of some current conversational technique especially that of raillery and of the closely related social ideal of the cultivated gentleman Pope s regard for certain personal attributes and moral values notably hospitality integrity friendship charity and self knowledge is examined in two ways as it expresses itself positively in the satires and as it is defined negatively by his antipathy towards courtly self seeking and hypocrisy contemporary manifestations of acquisitiveness and the pride associated with neo stoicism The final chapter is wide ranging and shows that although Pope is at times representative and therefore limited in his response to the pressures and uncertainties of the age his satires live because of the subtlety of his treatment of such Augustan commonplaces as Order and Balance and the passion and spirit of his writing This will be an interesting read for students of English literature

by Princeton University Press since its founding in 1905 **The Secret Malady** Linda Evi Merians,1996-01-01 Venereal disease existed in epidemical proportions in 18th century France and Britain Initially regarded as the subject for jokes and boasts of Restoration promiscuity its prevalence as the century wore on forced people to take it seriously Linda Merians offers a detailed study of the disease *The Pope's Army* John Carr,2020-11-12 For much of its 2 000 year history the Roman Catholic Church was a formidable political and military power in contrast to its pacifist origins and its present concentration on spiritual matters The period of political and military activism can be dated to roughly between 410 when Pope Innocent I vainly tried to avert the sack of Rome by the Visigoths and about 1870 when Pope Pius IX was abandoned by his protectors the French Army and forced to submit to the new Italian state by surrendering any political power the Vatican had left During those centuries the popes employed every means at their disposal including direct military action to maintain their domains centered on Rome Some pontiffs such as Alexander VI Julius II 15th century plus the energetic Borgia popes later built the Papal States into a power in their own right In the following century and a half Europe s destructive religious wars almost always had a papal component with the Lateran and later Vatican fielding their own armies Climaxing the story are the little known yet bitter late nineteenth century battles between the papal volunteers from all over Europe and America and the Italian nationalists who ultimately prevailed John Carr narrates the story of Papal military clout with engaging verve

The pope and the Church considered in their mutual relations, with reference to the errors of the High Church party in England Paolo Bottalla,Paul Bottalla,1868 *Circulating Enlightenment* Adam Budd,2020-12-24 Historians of the intellectual and literary culture of the Enlightenment have recognised the importance of Andrew Millar 1705-68 His publisher s imprint adorned the title pages of the most important works of the eighteenth century in fiction poetry drama medicine and philosophy This is the first extended study of Millar s commercial and social role in the commissioning production circulation and consumption of Enlightenment literature in Britain Providing a new intervention on the culture of Enlightenment this study shows how and why Millar provoked major controversies through his role as friend patron and publisher to great rivals in the republic of letters An unprecedented analysis of publishing and authorship at the intersection of politics business visual arts moral debate and literary self fashioning this study of Andrew Millar also shows the degree to which Scottish identity shaped a professional career within London s rise as the cosmopolitan centre of learning and trade at the heart of the British empire This volume presents hundreds of previously unpublished letters that passed between Millar and his literary network and includes the 52 letters that passed between Millar and David Hume the majority of which have been edited for the first time since 1931 This is a major contribution to the material and intellectual worlds that defined the culture of Enlightenment in Britain during the eighteenth century casting new light in the history of publishing and authorship *Popes, Church, and Jews in the Middle Ages* Kenneth Stow,2023-05-09 The theme uniting the essays reprinted here is the attitude of the medieval Church and in particular the papacy toward the Jewish population of Western Europe

Papal consistency sometimes sorely tried in observing the canons and the principles announced by St Paul that Jews were to be a permanent if disturbing part of Christian life helped balance the anxiety felt by members of the Church Clerics especially feared what they called Jewish pollution These themes are the focus of the studies in the first part of this volume Those in the second part explore aspects of Jewish society and family life as both were shaped by medieval realities The Oxford Handbook of Eighteenth-Century Satire Paddy Bullard, 2019-07-30 Eighteenth century Britain thought of itself as a polite sentimental enlightened place but often its literature belied this self image This was an age of satire and the century's novels poems plays and prints resound with mockery and laughter with cruelty and wit The street level invective of Grub Street pamphleteers is full of satire and the same accents of raillery echo through the high scepticism of the period's philosophers and poets many of whom were part time pamphleteers themselves The novel a genre that emerged during the eighteenth century was from the beginning shot through with satirical colours borrowed from popular romances and scandal sheets This Handbook is a guide to the different kinds of satire written in English during the long eighteenth century It focuses on texts that appeared between the restoration of the Stuart monarchy in 1660 and the outbreak of the French Revolution in 1789 Outlier chapters extend the story back to the first decade of the seventeenth century and forward to the second decade of the nineteenth The scope of the volume is not confined by genre however So prevalent was the satirical mode in writing of the age that this book serves as a broad and characteristic survey of its literature The Oxford Handbook of Eighteenth Century Satire reflects developments in historical criticism of eighteenth century writing over the last two decades and provides a forum in which the widening diversity of literary intellectual and socio historical approaches to the period's texts can come together The Lives of the Popes in the Early Middle Ages Horace Kinder Mann, 1914 **A Commentary upon Mr. Pope's Four Ethic Epistles, intituled, An Essay on Man. Wherein his system is fully examined ... Translated from the French original [by Charles Forman?] ... with remarks. [A translation of the commentary on the first Epistle only.]** Jean Pierre de CROUSAZ, 1738 **The Journal of English and Germanic Philology**, 1919 **An Essay on Pope's Odyssey** Joseph Spence, 1726 The Apse Mosaic in Early Medieval Rome Erik Thunø, 2015-04-20 This book focuses on apse mosaics in Rome and engages topics including time intercession materiality repetition and vision An Essay on Mr. Pope's Odyssey Joseph Spence, 1726 **A Commentary on Mr. Pope's Principles of Morality, or Essay on Man. By Mons. Crousaz ... In answer to a letter of Remarks on his Examen, etc. [Translated by Samuel Johnson?]** Jean Pierre de CROUSAZ, 1742
