Our Neighbors Upstairs, the Canadians William Redman Duggan, 1979 Our Neighbors Upstairs William R. Duggan, 1979-07-01 **Canada and the United States** Carol J. Mehlhaff, 1985 **Canada and the United States** Canada. Department of External Affairs. Information Division, 1950 Canada : Selected References, 1981 *Our Dream Was Canada* Eva Zidek, 2003 In 1982 I and my husband parents with two young children made a big decision We fled our country Czechoslovakia to find our way to Canada and to start a new life there As most citizens behind the iron curtain we felt increasing limitations of our personal freedom and our lack of defense against these However the main reason behind our decision was the worsening condition of the natural environment In those days in Czechoslovakia I worked in the environmental field and was also taking postgraduate courses dealing with environment I was not permitted to publish news about the deterioration of the environment but because of my studies I heard the bad news gloomy statistics and hopeless prognosis I was alarmed and finally deeply depressed What to do Where to move When even our mountains our home showed the undeniable signs of pollution from no local causes we made our decision A holiday in Yugoslavia provided for us the only opportunity to get out of the country with both children From there we had hoped to continue to Western countries We managed it despite the obstacles but our stay in a German refugee camp extended over a year Unfortunately for us the Canadian government did not support our application for immigration Our qualifications and experience in forestry and environment were not in demand so our only chance for immigration to Canada was to obtain a sponsor Finally we were sponsored and in the Fall of 1983 and we landed in Canada in Toronto It took an additional two years before we came to the place where we had dreamed of living the Rocky Mountains Special Bibliography Series, 1982 **The Red Pirogue: A Tale of Adventure in the Canadian Wilds** Theodore Goodridge Roberts, 2022-09-15 Theodore Goodridge Roberts The Red Pirogue A Tale of Adventure in the Canadian Wilds is a captivating narrative that immerses readers in the breathtaking landscapes and treacherous challenges of Canada's wilderness The prose is imbued with rich descriptive language that captures the natural beauty and peril of the northern frontier reflecting the author's keen observations and admiration for the environment Set against the backdrop of early 20th century Canada the book deftly intertwines themes of adventure camaraderie and the indomitable spirit of survival positioning it within the larger context of wilderness literature that emerged during this era Roberts a Canadian author and passionate outdoorsman draws upon his own experiences of exploration and affection for the Canadian landscape to breathe life into this tale His background in both literature and the great outdoors uniquely qualifies him to portray the raw emotions of adventure and the complexities of human interactions with nature This personal connection to the wilderness infuses the narrative with authenticity transporting readers into a world where man battles not only the outer elements but also the inner challenges of character and resolve For any reader fascinated by adventure and the majesty of nature The Red Pirogue serves as a remarkable journey that offers not only

escapism but also profound insights into the human experience Roberts ability to craft vivid scenes and relatable characters makes this work essential for anyone interested in the interplay between man and the wilderness encouraging them to embark on their own paths of discovery The Canadian Magazine J.
