**Edward McSorley**

## **Our Own Kind The Irish Americans:**

*Irish American Fiction from World War II to JFK* Beth O'Leary Anish, 2021-11-02 Irish American Fiction from World War II to JFK addresses the concerns of Irish America in the post war era by studying its fiction and the authors who brought the communities of their youth to life on the page With few exceptions the novels studied here are lesser known works with little written about them to date Mining these tremendous resources for the details of Irish American life this book looks back to the beginning of the twentieth century when the authors immigrant grandparents were central to their communities It also points forward to the twenty first century as the concerns these authors had for the future of Irish America have become a legacy we must grapple with in the present

Our Own Kind Edward McSorley, 1946 A first novel without the melodrama of *A Tree Grows in Brooklyn* to which it can however be compared which has the honesty and sincerity of reality in its portrait of the Irish Americans of Providence in the years 1912 1915 whose roots are in their homeland whose genius is for the dramatic the ludicrous who know whirlpools of frustration and who dream of the opportunities in their new country Old Ned s dreams for his orphaned grandson Willie are part of his life for Willie is to have an education and a career and Ned gives way to nothing or no one to accomplish this Ned moves the family to South Providence when the scandal of Willie s arrest seems insurmountable in their old surroundings and there through the intelligent kindly interest of a young priest through a growing pride in his own achievements Willie recognizes what his grandfather is driving at and determines to make the old man s dream come true A warm sometimes exciting portrait of a family a believable rather than theatrical portrait of a community and a moving relationship between boy and old man this should as a first novel win critical interest Kirkus

*The Columbia Guide to Irish American History* Timothy J. Meagher, 2005 Once seen as threats to mainstream society Irish Americans have become an integral part of the American story More than 40 million Americans claim Irish descent and the culture and traditions of Ireland and Irish Americans have left an indelible mark on U S society Timothy J Meagher fuses an overview of Irish American history with an analysis of historians debates an annotated bibliography a chronology of critical events and a glossary discussing crucial individuals organizations and dates He addresses a range of key issues in Irish American history from the first Irish settlements in the seventeenth century through the famine years in the nineteenth century to the volatility of 1960s America and beyond The result is a definitive guide to understanding the complexities and paradoxes that have defined the Irish American experience Throughout the work Meagher invokes comparisons to Irish experiences in Canada Britain and Australia to challenge common perceptions of Irish American history He examines the shifting patterns of Irish migration discusses the role of the Catholic church in the Irish immigrant experience and considers the Irish American influence in U S politics and modern urban popular culture Meagher pays special attention to Irish American families and the roles of men and women the emergence of the Irish as a governing class in American politics the paradox of their combination of fervent American patriotism and passionate Irish nationalism and their complex and

sometimes tragic relations with African and Asian Americans      *Irishness in North American Women's Writing* Ellen McWilliams, 2021-01-25 This book examines ideas of Irishness in the writing of Mary McCarthy Maeve Brennan Alice McDermott Alice Munro Jane Urquhart and Emma Donoghue Individual chapters engage in detail with questions central to the social or literary history of Irish women in North America and pay special attention to the following discourses of Irish femininity in twentieth century American and Canadian literature mythologies of Irishness in an American and Canadian context transatlantic literary exchanges and the influence of canonical Irish writers and ideas of exile in the work of diasporic women writers      **Finley Peter Dunne and Mr. Dooley** Charles Fanning, 2021-11-21 Finley Peter Dunne American journalist and humorist is justly famous for his creation of Mr Dooley the Chicago Irish barkeep whose weekly commentary on national politics war and human nature kept Americans chuckling over their newspapers for nearly two decades at the beginning of this century Largely forgotten in the files of Chicago newspapers however are over 300 Mr Dooley columns written in the 1890s before national syndication made his name a household word Charles Fanning offers here the first critical examination of these early Dooley pieces which far better than the later ones reveal the depth and development of the character and his creator Dunne created in Mr Dooley a vehicle for expressing his criticism of Chicago's corruption despite the conservatism of most of his publishers Dishonest officials who could not be safely attacked in plain English could be roasted with impunity in the pure Roscommon brogue of a fictional comic Irishman In addition Dunne painted through the observations of his comic persona a vivid and often poignant portrait of the daily life of Chicago's working class Irish community and the impact of assimilation into American life He also offered cogent views of American urban political life already dominated by the Irish as firmly in Chicago as in other large American cities and of the tragicomic phenomenon of Irish nationalism Mr Fanning's penetrating examination of these early Dooley pieces clearly establishes Dunne as far more than a mere humorist Behind Mr Dooley's marvelously comic pose and ironic tone lies a wealth of material germane to the social and literary history of turn of the century America      **The Irish Voice in America** Charles Fanning, 2021-10-21 In this study Charles Fanning has written the first general account of the origins and development of a literary tradition among American writers of Irish birth or background who have explored the Irish immigrant or ethnic experience in works of fiction The result is a portrait of the evolving fictional self consciousness of an immigrant group over a span of 250 years Fanning traces the roots of Irish American writing back to the eighteenth century and carries it forward through the traumatic years of the Famine to the present time with an intensely productive period in the twentieth century beginning with James T Farrell Later writers treated in depth include Edwin O Connor Elizabeth Cullinan Maureen Howard and William Kennedy Along the way he places in the historical record many all but forgotten writers including the prolific Mary Ann Sadlier The Irish Voice in America is not only a highly readable contribution to American literary history but also a valuable reference to many writers and their works For this second edition Fanning has added a chapter that covers the fiction of the past decade He

argues that contemporary writers continue to draw on Ireland as a source and are important chroniclers of the modern American experience     **John F. Kennedy** Michael O'Brien, 2006-05-16 John F Kennedy creates an absorbing insightful and distinguished biography of one of America's most legendary Presidents While current fashion in Kennedy scholarship is to deride the man's achievements this book describes Kennedy's strengths explains his shortcomings and offers many new revelations There are many specialized books on Kennedy's career but no first class modern biography one that takes advantage of the huge volume of recent books and articles and new material released by the JFK library Ten years in the making this is a balanced and judicious profile that goes beyond the clash of interpretations and offers a fresh nuanced perspective     The Freeman ,1920     **Congressional Record** United States. Congress,1996     Report of the ... Annual Meeting of the American Bar Association American Bar Association,1923     *The American Catholic Experience* Jay P. Dolan, 2011-09-07 Catholicism has had a profound and lasting influence on the shape the meaning and the course of American history Now in the first book to reflect the new communal and social awakening which emerged from Vatican Council II here is a vibrant and compelling history of the American Catholic experience one that will surely become the standard volume for this decade and decades to come Spanning nearly five hundred years the narrative eloquently describes the Catholic experience from the arrival of Columbus and the other European explorers to the present day It sheds fascinating new light on the work of the first vanguard of missionaries and on the religious struggles and tensions of the early settlers We watch Catholicism as it spread across the New World and see how it transformed and was transformed by the land and its people We follow the evolution of the urban ethnic communities and learn about the vital contributions of the immigrant church to Catholicism And finally we share in the controversy of the modern church and the extraordinary changes in the Catholic consciousness as it comes to grips with such contemporary social and theological issues as war and peace and the arms race materialism birth control and abortion social justice civil rights religious freedom the ordination of women and married clergy The American Catholic Experience is not just the history of an institution but a chronicle of the dreams and aspirations the crises and faith of a thriving ever evolving religious community It provides a penetrating and deeply thoughtful look at an experience as diverse as exciting and as powerful as America itself     Donahoe's Magazine ,1880     The World's Work ,1919 A history of our time     **A Saint of Our Own** Kathleen Sprows Cummings, 2019-02-27 What drove U S Catholics in their arduous quest full of twists and turns over more than a century to win an American saint The absence of American names in the canon of the saints had left many of the faithful feeling spiritually unmoored But while canonization may be fundamentally about holiness it is never only about holiness reveals Kathleen Sprows Cummings in this panoramic passionate chronicle of American sanctity Catholics had another reason for petitioning the Vatican to acknowledge an American holy hero A home grown saint would serve as a mediator between heaven and earth yes but also between Catholicism and American culture Throughout much of U S history the making of a saint was also about the ways in

which the members of a minority religious group defined defended and celebrated their identities as Americans Their fascinatingly diverse causes for canonization from Kateri Tekakwitha and Elizabeth Ann Seton to many others that are failed forgotten or still under way represented evolving national values as Catholics made themselves at home Cummings s vision of American sanctity shows just how much Catholics had at stake in cultivating devotion to men and women perched at the nexus of holiness and American history until they finally felt little need to prove that they belonged The Future of American Jewish Past Lila Corwin Berman,Deborah Dash Moore,Beth S. Wenger,2025-11-11 Leading scholars of American Jewish experience offer bold historical interpretations that reimagine American Jewish studies The Future of American Jewish Past boldly imagines the next chapters in the study of American Jewish life Conceived during the COVID 19 pandemic and completed just before the October 7 2023 Hamas attack on Israel and ensuing war this innovative volume gathers leading scholars of American Jewish experience to ask what the future of the study of the American Jewish past holds The contributors reconceive traditional approaches to American Jewish life and delve into underexplored topics to present a vision of a rich future for the field of American Jewish studies Essays on antisemitism Zionism liberalism immigration feminism family histories and more stake out new sources methods and interpretations of histories and historiographies To understand American Jewish life in its complexity and richness these essays engage multiple disciplines including history ethnography and literary studies Many showcase comparative or theoretical approaches that illuminate new dimensions of American Jewish studies and others offer personal reflections to reveal how scholars own life stories intersect with the questions that animate their scholarship For students scholars and the general public this interdisciplinary volume provides a tantalizing selection of the freshest approaches to understanding American Jewish life Contributors Lila Corwin Berman Tobias Brinkmann Ayelet Brinn Alanna E Cooper Jessica Cooperman Deborah Dash Moore Hasia R Diner Kathryn Hellerstein Markus Krah Heather S Nathans Noam Pianko Lana Dee Povitz Riv Ellen Prell Kate Rosenblatt Laurence Roth Britt Tevis JT Waldman Amy Weiss Beth S Wenger **Irish Americans** Marjorie R. Fallows,1979 *Ireland and the Americas* Philip Coleman,James Byrne,Jason King,2008-02-01 This work is a distinctive multidisciplinary encyclopedia covering the cultural political economic musical and literary impact that Ireland and the nations of the Americas have had on one another since the time of Brendan the Navigator Ireland and the Americas Culture Politics and History aims to broaden the traditional notion of Irish American beyond Boston New York and Chicago In addition to full coverage of Irish culture in those settings it reveals the pervasive Irish influence in everything from the settling of the American West to the spread of Christianity throughout the hemisphere to Irish involvement in revolutionary movements from the American colonies to Mexico to South America In addition the encyclopedia shows the profound impact of Irish Americans on their homeland in everything from art and literature informed by the emigrant experience to efforts by Irish Americans to influence Irish politics Ranging from colonial times to the present and informed by the surge of academic interest in the past 30 years Ireland and the Americas is the

definitive resource on the profound ties that bind the cultures of Ireland the United States Canada and Latin America

**The American Catholic Historical Researches** ,1893      Ethnicity and Family Therapy Monica McGoldrick,Joseph Giordano,Nydia Garcia-Preto,2005-08-18 This clinical reference provides the latest knowledge on culturally sensitive practice with more than 40 different ethnic groups and demonstrates how to weave cultural information into assessment and intervention      **The American Mercury** George Jean Nathan, Henry Louis Mencken,1929

## **Our Own Kind The Irish Americans Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Our Own Kind The Irish Americans free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Our Own Kind The Irish Americans free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Our Own Kind The Irish Americans free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Our Own Kind The Irish Americans. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users

should always be cautious and verify the legality of the source before downloading Our Own Kind The Irish Americans any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Our Own Kind The Irish Americans Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Our Own Kind The Irish Americans is one of the best book in our library for free trial. We provide copy of Our Own Kind The Irish Americans in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Our Own Kind The Irish Americans. Where to download Our Own Kind The Irish Americans online for free? Are you looking for Our Own Kind The Irish Americans PDF? This is definitely going to save you time and cash in something you should think about.
