**Godber Plays: 4** John Godber, 2009-03-06 Godber Plays 4 brings together four recent plays by one of Britain's most prolific popular playwrights. The author is the artistic director of Hull Truck Theatre and the publication is timed to coincide with the opening of Hull Truck's new theatre building in the heart of Hull. In *Our House* May a widow mother and grandmother is packing up her home of 45 years and heads for a life in the sun. However trading neighbourhood hell for the Costa del Sol is no easy task as memories are harder to let go than possessions. First produced in 2007 the play was revived and toured the UK in 2008. In *Crown Prince* 2007 Godber finds comedy in a bowls club and against the backdrop of the advancing years of its members issues of redundancy bereavement and guilt emerge. *Sold* is the author's most politically charged play to date exposing the misery of people trafficking and women sold into the sex trade in Britain. *Christmas Crackers* follows overworked A. He is able to speak to a very broad audience in a way that is thought provoking, exciting and always very funny. Hilary Strong, Executive Director of Greenwich Theatre. Scholars have considered how best to apply existing law to new technological problems but they also have returned to first principles considering fundamental questions about what law is, how it is formed and its relation to cultural and technological change. This collection brings together many of these seminal works which variously seek to interrogate assumptions about the nature of communication, knowledge, invention, information, sovereignty, identity and community. From the use of metaphor in legal opinions about the internet to the challenges posed by globalization and deterritorialization to the potential utility of online governance models to debates about copyright, free expression and privacy, this collection offers an invaluable

introduction to cutting edge ideas about law and society in an online era In addition the introductory essay both situates this work within the trajectory of law and society scholarship and summarizes the major fault lines in ongoing policy debates about the regulation of online activity *Weekly World News* ,1990-03-06 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site *Forest and Stream* ,1929
