will be revealed in us.

**The Goodness of Judgment** Jeff McSwain, 2024-11-12 In this volume McSwain continues to deploy Karl Barth Julian of Norwich Athanasius James Cone and dozens of others to buttress his claim about human duplicity and the Easter asymmetry which allows us to properly interpret our lives by the gospel Specifically the focus is on Christ's cross which provides the radical discontinuity judgment needed to preserve the continuity of God's good creation In resurrection light we see the inner connection of re-creation to creation an atonement that disentangles good from evil righteousness from sin and life from death Even though the perfect clarity of this liberating separation is reserved for judgment day this same judgment of grace frees us to live now as eschatological activists in the Liberator's way of justice and peace In view of the cross the Spirit empowers us to live in the hidden truth of who Christ is and who we have always been in Christ as God's beloved in the Trinitarian communion McSwain's cosmic vision pictures all people sharing in Christ's sufferings and also in his glory Thus the reconciled human community genuinely participates as one in Christ's victory over sin death and the devil      **Role of**

Salvation Army US Southern Territory God Wants a Deeper Relationship with You This book digs deeper into exploring many of the challenges we face in establishing and maintaining a meaningful relationship with God Unfortunately there are many differing viewpoints out there in the Christian community about this which is creating much confusion We hear messages saying God is in control of every single thing We hear we must listen for the voice of God We hear God has a plan for our lives We hear we are to get out of the way and let God handle our problems We hear various ideas of how the Holy Spirit works We hear God s providence will protect us from harm Many people are being drawn to Christian teachings which speak of a mighty God who wants to regularly do big audacious and miraculous things in people s lives Although this sounds enticing how does God really interact with us and our world To dig deeper we must question more Therefore topics are addressed with probing questions and insightful analysis So we ask How important is it for us to find the truth about God If faith is built on false premises how good can that faith be Many topics are addressed and each chapter is full of interesting details This book is also a great resource for Bible classes and sermon material
