## **Our Royal Family:**

*Monarchy: The Royal Family at Work* Robert Hardman, 2013-11-18 Every year over 5000 royal engagements take place around the world from the Queen's famous summer garden parties to the mysterious world of the Privy Council and high profile overseas tours But little is widely known about the inner workings of the institution that lies at the very heart of the British nation For the first time ever The Monarchy takes the reader behind the scenes meeting the people that keep the royal machine running like clockwork With unprecedented access to the key players and organizations involved The Monarchy follows the working life of the Queen over the course of a whole year both home and abroad Ever wondered who opens the Queen's mail who pays the bills or even how the royals follow the score in the Ashes Alongside such trivial matters sit weightier concerns such as audiences with the Prime Minister the formal honouring of bravery and excellence and the sensitive issue of the royal response at times of controversy or crisis Accompanying a major BBC1 television series The Monarchy provides a fascinating insight into the public and private lives of this most familiar of families Written by the Daily Mail's Robert Hardman and lavishly illustrated with exclusive colour photographs this book will appeal both to avid royal watchers and anyone fascinated in the history and heritage of the United Kingdom [Talking of the Royal Family](#) Prof Michael Billig, Michael Billig, 2002-11-01 To talk about royalty is to talk of many things privilege equality nationality morality family life parenting divorce the media and more Important themes and issues flow through the seemingly trivial everyday chatter about royalty Now with a new preface Talking of the Royal Family was the first serious full length study of royalty to emerge from this rhetorical perspective and remains relevant today [The Naval Chronicle, Containing a General and Biographical History of the Royal Navy of the United Kingdom, with a Variety of Original Papers on Nautical Subjects](#) ,

[You Are Royalty](#) Cassandra Robertson, 2017-02-03 You are Royalty Being a woman is a privilege Your significance cannot be affirmed by any person on this earth You are a strong beautiful vessel created by an amazing God who made and adores you This book will encourage you and help you realize your self worth so that you can be all that God created you to be You Are Royalty is dedicated to every woman it doesn't matter what your story is YOU ARE AND WILL FOREVER BE ROYAL

**Rescued from the Nation** Steven Kemper,2015-01-13  
Anagarika Dharmapala is one of the most galvanizing figures in Sri Lanka's recent turbulent history He is widely regarded as the nationalist hero who saved the Sinhala people from cultural collapse and whose protestant reformation of Buddhism drove monks toward increased political involvement and ethnic confrontation Yet as tied to Sri Lankan nationalism as Dharmapala is in popular memory he spent the vast majority of his life abroad engaging other concerns In Rescued from the

Nation Steven Kemper reevaluates this important figure in the light of an unprecedented number of his writings ones that paint a picture not of a nationalist zealot but of a spiritual seeker earnest in his pursuit of salvation Drawing on huge stores of source materials nearly one hundred diaries and notebooks Kemper reconfigures Dharmapala as a world renouncer first and a political activist second Following Dharmapala on his travels between East Asia South Asia Europe and the United States he traces his lifelong project of creating a unified Buddhist world recovering the place of the Buddha s Enlightenment and imitating the Buddha s life course The result is a needed corrective to Dharmapala s embattled legacy one that resituates Sri Lanka s political awakening within the religious one that was Dharmapala s life project
