Excerpt from *Our Seamen An Appeal* It is with the view of giving this information so as to enable each person who reads these pages to pronounce with decision upon this question that this pamphlet is submitted to the public I have kept steadily in mind the idea of writing to an individual as otherwise I should not have had the courage to address the public in what from its length alone looks like a book As to a portion of it I perhaps naturally shrink a good deal from submitting it to the public It seemed however in writing it and still seems to me to give weight to my testimony on behalf of the working men I apologise to any of my friends who may feel annoyed and who would doubtless have aided me had they known of the straits to which I was brought in the earlier part of my life in London but I ask them to think What a grand and glorious thing it will be if by any sacrifice we can put a stop to the dreadful and the shameful waste of precious human life which is now going on About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **OUR SEAMEN** Samuel 1824-1898 Plimsoll, 2016-08-29 **Our Seamen** Samuel Plimsoll, 2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *A Short History of Our Own Times from the Accession of Queen Victoria to the General Election of 1880* Justin McCarthy, 1893 **A Short History of Our Own Times** Justin McCarthy, 1893 *An appeal to the British Nation ...
