Our Vichy Gamble

William Leonard Langer

Our Vichy Gamble:

Our Vichy Gamble William L. Langer, 2024-10-11 Dr Langer Coolidge Professor of History at Harvard is one of the foremost diplomatic historians of our day During the war he was head of the Research and Analysis Branch of the Office of Strategic Services While serving in this capacity he was invited by Secretary Hull to prepare an account of American policy toward France from May 1940 to the assassination of Darlan on Christmas Eve of 1942 Abundant though not complete documentation was placed at his disposal and he talked with many of the principals in the drama The exciting story as he so ably tells it is substantially a justification of the Roosevelt Hull policy vis vis Vichy and de Gaulle primarily on grounds of strategy Foreign Affairs Our policy towards Vichy France documented by an historian in considerable detail his material based on official papers of the U S government made available for the first time Here was the policy more criticized than any other largely on ideological liberal grounds He examines the development of our relations with France following its defeat through the Reynaud short lived resistance Laval s revolution and the Laval Hitler meetings the Gaullist movement and our inability to recognize de Gaulle as long as we did not want an overt break with Vichy the Giraud negotiations the North African landings and Giraud s failure Darlan s succession and assassination All this illustrates a policy of political and military expediency an opportunism which was sensible only inasmuch as it succeeded Kirkus Professor Langer effectively lists the gains from our Vichy policy It enabled us to keep contact with official France and loyal Frenchmen Our Vichy contacts were of inestimable value to our military intelligence service Our policy helped to save much of the French colonial empire It kept North Africa free from the Germans and opened the way to later Allied invasion The presence of Admiral Leahy in Vichy strengthened the hand of P tain in achieving these results None of these gains would have been forthcoming had we broken off diplomatic relations with France or wholeheartedly supported the de Gaulle faction We may fairly say that Professor Langer s volume puts to rout for all time the critics of our Vichy policy a work of notable scholarship courage and integrity The Annals of the American Academy of Political and Social Science A monumental historical contribution It will probably remain an indispensable source for all students New York Herald Tribune A book of great importance excellently organized and surprisingly well written South Atlantic Quarterly This important volume presents a lot of vivid experience which will make any one interested in the realistic methods of statescraft do a lot of thinking World Affairs A n important contribution to the historiography of the Second World War Professor Langer had the almost unrestricted use of the files of both the State Department and the Office of Strategic Services which makes for the unusual interest of the book The American Journal of International Law Professor Langer s latest work maintains and indeed increases the high reputation earned by his scholarly volumes a fascinating and powerful work The American Historical Review An informed and judicious appraisal of United States foreign policy reaches the well considered conclusion that the State Department followed a wise and prudent course the effect is little short of sensational Middle East Journal An outstanding diplomatic historian here turns his hand to a

readable much needed and sober account of the cause of the hottest foreign policy controversy in recent years our relations with the tainted Vichy regime in France from 1940 to 1943 The American Political Science Review **Our Vichy Gamble** William R. Langer,1965 *Our Vichy Gamble, by William L. Langer, ...* William L. Langer,1947 Our Vichy Gamble William Leonard Langer,1947 First edition The Murphy Weygand accord pages 399 401 Text of the protocols signed at Paris May 27 28 1941 pages 402 412 *Destination Casablanca* Meredith Hindley,2017-10-10 This rollicking and panoramic history of Casablanca during the Second World War sheds light on the city as a key hub for European and American powers and a place where spies soldiers and political agents exchanged secrets and vied for control In November 1942 as a part of Operation Torch 33 000 American soldiers sailed undetected across the Atlantic and stormed the beaches of French Morocco Seventy four hours later the Americans controlled the country and one of the most valuable wartime ports Casablanca In the years preceding Casablanca had evolved from an exotic travel destination to a key military target after France s surrender to Germany Jewish refugees from Europe poured in hoping to obtain visas and passage to the United States and beyond Nazi agents and collaborators infiltrated the city in search of power and loyalty The resistance was not far behind as shopkeepers celebrities former French Foreign Legionnaires and disgruntled bureaucrats formed a network of Allied spies But once in American hands Casablanca became a crucial logistical hub in the fight against Germany and the site of Roosevelt and Churchill s demand for unconditional surrender Rife with rogue soldiers power grabs and diplomatic intrigue *Destination Casablanca* is the riveting and untold story of this glamorous city memorialized in the classic film that was rush released in 1942 to capitalize on the drama that was unfolding in North Africa at the heart of World War II **William L. Langer: Our Vichy gamble ...** Emilio Martín,194? **Indomitable Will** Charles Kupfer,2012-04-05 Some of the worst military disasters in U S history occurred between Pearl Harbor on December 7 1941 and the Battle of Midway in June 1942 During this period the American people faced a barrage of bad news and accounts of defeats and retreats Yet if they were shocked and dismayed they showed little panic *Indomitable Will* resurrects the legacy of this first half year of American combat during WWII a legacy of pain but not of woe Historian Charles Kupfer recounts the story of the war s early defeats Bataan Corregidor Wake Island and the Java Sea Some of these battles remain evocative today others are obscure all were catastrophes for American arms Kupfer asserts however that later victories were made inevitable by the steeling effect of those initial disasters Weaving together military journalistic political and cultural histories this engaging book shows that by setting their collective will on victory Americans in and out of uniform gained strength from their setbacks *Indomitable Will* spells out how the nation turned early defeat into ultimate victory *In and Out of the Ivory Tower: The Autobiography of William L. Langer* William L. Langer,2022-09-10 Straightforward relaxed memoirs by the prodigiously industrious and learned Harvard diplomatic historian and head of the Research and Analysis Section of OSS Fine reading for anyone interested in academic life and in the connections between scholarship and policy in foreign affairs Gaddis Smith Foreign

Affairs William L Langer intended this autobiography as an exemplary tale of how a poor boy from an immigrant family made good in America Langer s autobiography provides clues to his patriotic identification with the establishment and to the prodigious energy and intelligence that produced his historical works Dorothy Ross The American Historical Review T his informal modest and understated volume will please and inform both those who knew the author personally and those who knew him only through his publications As a historian Langer defies categorization he explored new areas and new techniques for research regional studies demography disease and psychoanalysis His autobiography is neither a full description nor critical appraisal of the profession but it should convey to a younger generation the historian s search for truth his pride in craftsmanship and his sense of social responsibility Richard W Leopold The Journal of American History

After D-Day Robert Lynn Fuller,2021-02-24 After D Day is one of a small but growing body of works that examine the Allied liberators of France This study focuses on both the French experience of the U S Army and the American soldiers reaction to the French during the liberation and its immediate aftermath Drawing on French and American archival materials as well as dozens of memoirs diaries letters and newspapers Robert Lynn Fuller follows French and American interactions starting in the skies over France in 1942 and ending with the liberation of Alsace in 1945 Fuller pays special attention to French life in the war zones where living under constant shelling offered a miserable experience for those forced to endure it The French stoically withstood those travails sometimes inflicted by the Americans when they saw their sacrifices as the price of liberation and victory over Germany As Fuller shows when the French did not believe afflictions brought by the Americans advanced the cause of success their tolerance waned sometimes dramatically Fuller maintains that the Allied bombing of France was an important yet often overlooked chapter of World War II one that inflicted more death and destruction than the ground war still to come Yet the ground campaign which began with the Allied invasion of Normandy unleashed enormous violence that killed injured or rendered homeless tens of thousands of French civilians Fuller examines French and American records of the fate of civilians in the principal battle zones Normandy and Lorraine as well as in overlooked liberated regions such as Orl anais and Champagne that largely escaped widespread damage and casualties Despite French gratitude toward the Americans for the liberation of their country relations began to cool in the fall and winter of 1944 as progress on the battlefield slowed and then appeared to reverse with the German offensive in the Ardennes Revealing in stark detail the experiences of French civilians with the American military After D Day presents a compelling coda to our understanding of the Allied conquest of German occupied France **Reluctant Ally** Frank W.

Brecher,1991-06-30 Told in narrative form this story of the origins of United States policy towards European Jews Zionists and Israelis and the Jews reaction to that policy becomes a moving account of how the American outrage at mistreatment of European Jewry after World War I joined with an organized response to the Zionist movement to ultimately support the settling of Palestine Rapid policy changes from 1900 to mid century are carefully chronicled and the resulting history

integrated into a comprehensive overview whose relevance to the current Gulf war and U S policy toward Israel cannot be overlooked **The Framework of Hemisphere Defense** Stetson Conn, Byron Fairchild, 1960 The development of plans to protect the United States and the rest of the Western Hemisphere that concentrates on policy in the three years before Pearl Harbor the gradual merger of hemisphere defense into a broader national defense policy the transition to offensive plans after Pearl Harbor and the military relationships of the United States with other American nations **United States Army in World War II.** , 1947 **France, Britain and the United States in the Twentieth Century: Volume 2, 1940-1961** Andrew J. Williams, 2019-12-31 In his account of the relationship between France the UK and the US Andrew Williams successfully intertwines diplomatic history with international thought We are presented with a historical stage that includes both the doers and the thinkers of the age and as a result this is a must read for both diplomatic historians and historians of international thought The second in a multivolume study this volume takes the story beyond the fall of France into the war years the period of post war reconstruction and the Cold War As with the first volume Williams is an excellent guide stepping over the ruins of past worlds and introducing us to an epoch with more than its fair share of both visionaries and villains Yet in this second volume the stakes are higher as the United States comes to terms with its role as the paramount world power Britain faces a world that challenges its imperial order and France is picking up the pieces from its defeat Lucian Ashworth Memorial University Canada Following on from his outstanding first volume reviewing the complex interwar relationships between France Britain and the United States Williams second volume is an indispensable and lucid overview of the vitally important era of post war reconstruction From national post war developments to institutional structures and superpower shifts Williams examines clearly and engagingly the final passing of pre modern power structures and the emergence of a new Europe Amelia Hadfield University of Surrey UK divAt a time of intense debates about Europe the Anglosphere and empires old and new Andrew Williams s book is a timely demonstration that the weight of emotion in the shaping of foreign policy and its makers should not be forgotten Unearthing some of the forces profondes in diplomacy and reflecting on feelings of humiliation and liberation in national constructs Andrew Williams discusses the cultural conceptions and misconceptions that French American and British diplomats had of each other thereby revisiting the reasons why the special relationship was largely a myth but one which had tangible consequences on French and British policies in their retreat from empire By connecting the personal and the national the structural and accidental Williams offers essential insights into the major conflicts of the period and their impact on diplomatic cultures across the Atlantic M lanie Torrent Universit Picardie Jules Verne Amiens France The second volume of this study of France s unique contribution to the international relations of the last century covers the period from the Fall of France in 1940 to Charles de Gaulle s triumphant return to power in the late 1950s France had gone from being a victorious member of the coalition with Britain and the United States that won the First World War to a defeated nation in a few short weeks France then experienced the humiliation of collaboration with and

occupation by the enemy followed by resistance and liberation and a slow return to global influence over the next twenty years This volume examines how these processes played out by concentrating on France's relations with Britain and the United States most importantly over questions of post war order the integration of Europe and the withdrawal from Empire

Leon Blum Joel Colton, 2013-07-10 John Colton is a meticulous researcher and a fine craftsman In his political biography of Leon Blum these two qualities are beautifully blended none of the available evidence appears to have been overlooked and the enormous mass of variegated material has been transmuted in a polished richly tapestried and absorbing narrative

The Supreme Commander Stephen E. Ambrose, 1999 The story of Ike in his finest hours as the Allies top strategist in WWII *Eisenhower in War and Peace* Jean Edward Smith, 2012-02-21 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor St Louis Post Dispatch Magisterial The New York Times In this extraordinary volume Jean Edward Smith presents a portrait of Dwight D Eisenhower that is as full rich and revealing as anything ever written about America's thirty fourth president Here is Eisenhower the young dreamer charting a course from Abilene Kansas to West Point and beyond Drawing on a wealth of untapped primary sources Smith provides new insight into Ike's maddening apprenticeship under Douglas MacArthur Then the whole panorama of World War II unfolds with Eisenhower's superlative generalship forging the Allied path to victory Smith also gives us an intriguing examination of Ike's finances details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith's chronicle of Eisenhower's presidential years is as compelling as it is comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower emerges in Smith's perceptive retelling as both a canny politician and a skillful decisive leader He managed not only to keep the peace but also to enhance America's prestige in the Middle East and throughout the world Unmatched in insight Eisenhower in War and Peace at last gives us an Eisenhower for our time and for the ages NATIONAL BESTSELLER Praise for Eisenhower in War and Peace A fine new biography Eisenhower's White House years need a more thorough exploration than many previous biographers have given them Smith whose long distinguished career includes superb one volume biographies of Grant and Franklin Roosevelt provides just that The Washington Post Highly readable Smith shows us that Eisenhower's ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements The Wall Street Journal Always engrossing Smith portrays a genuinely admirable Eisenhower smart congenial unpretentious and no ideologue Despite competing biographies from Ambrose Perret and D Este this is the best Publishers Weekly starred review No one has written so heroic a biography on Eisenhower as this year's Eisenhower in War and Peace by Jean Edward Smith The National Interest Dwight Eisenhower who was more cunning than he allowed his adversaries to know understood the advantage of being underestimated Jean Edward Smith demonstrates precisely how successful this stratagem was Smith America's greatest living biographer shows why now more than ever Americans should like Ike George F Will *Hitler's Gift to France*

Georges Poisson, 2013-10-18 A mystery of the Nazi occupation of France is at last explained by new research **From Isolation to War** Justus D. Doenecke, John E. Wilz, 2014-08-26 In a major revision of this popular text Dr Justus Doenecke integrates scholarly research conducted in the 1990s to offer readers a fresh picture of the major events and historiographical controversies in American diplomacy in the decade before Japan's attack on Pearl Harbor Individual chapters center on the aftermath of World War I the Manchurian crisis the expansion of Germany and Japan and the U S response FDR's policy towards Europe from the Munich conference to his shoot on sight orders and Roosevelt's stance toward Asia from the termination of the 1911 trade treaty with Japan and the breaking of diplomatic relations A final chapter considers the background of the Pearl Harbor attack stressing not only the role of Admiral Yamamoto but the revisionist arguments concerning event including the devil theory of the president's culpability This third edition includes entirely new material including discussions of Roosevelt's leadership style the recognition of the Soviet Union policy toward Cuba and Mexico Pan American conferences the 1940 mission of Sumner Welles the Four Freedoms and the U S Army victory plan of autumn 1940 Certain other passages have been expanded such as those concerning the background of American anti interventionism major peace groups the London Economic Conference of 1933 the Ethiopian conflict the Spanish Civil War the Nye Committee the predicament of Jewish refugees the Soviet Finnish war FDR's Japan diplomacy and his last minute assurances to British ambassador Halifax and the latest arguments over Pearl Harbor Also new to this edition is a collection of striking photographs The third edition of this informative and engaging text one enjoyed by instructors and students alike for decades is appropriate for use in the U S history survey as well as in course on twentieth century history American foreign diplomacy and international relations Northwest Africa George Frederick Howe, 1957 **Northwest Africa: Seizing the Initiative in the West** George Frederick Howe, 1957

Our Vichy Gamble Introduction

Our Vichy Gamble Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Our Vichy Gamble Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Our Vichy Gamble : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Our Vichy Gamble : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Our Vichy Gamble Offers a diverse range of free eBooks across various genres. Our Vichy Gamble Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Our Vichy Gamble Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Our Vichy Gamble, especially related to Our Vichy Gamble, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Our Vichy Gamble, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Our Vichy Gamble books or magazines might include. Look for these in online stores or libraries. Remember that while Our Vichy Gamble, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Our Vichy Gamble eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Our Vichy Gamble full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Our Vichy Gamble eBooks, including some popular titles.

FAQs About Our Vichy Gamble Books

What is a Our Vichy Gamble PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Our Vichy Gamble PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating

systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Our Vichy Gamble PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Our Vichy Gamble PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Our Vichy Gamble PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
