## Our Violent Society:

**The Violent Society** Eric Moonman, 2019-01-15 From the Foreward Each chapter of this work is in truth a separate essay or article in which an author distinguished in his field treats a different aspect or manifestation of violence in human society I doubt whether so complete a treatise in so short a compass has been previously attempted The reader will be left in no doubt when he reflects on what he has read that violence is and always has been a feature or a threat in human society and will remain so The reason why this must be so is made plain in the early chapters Violent behaviour is a display of man's aggressive instinct without that instinct which he and she shares with the rest of the animal kingdom the human species would not survive First published in 1987 Routledge is an imprint of Taylor Francis an informa company

**Bringing Peace Home** Karen Warren, Duane L. Cady, 1996 This collection of works is ambitious well documented thoroughly though not turgidly referenced and comprehensively indexed It is deeply disturbing and deeply engaging Australian Feminist Studies Contributors discuss the subtle and complex relationships between various notions of feminism and peace Feminist peace issues are explored along a wide spectrum of personal and political issues from the personal violations of rape incest and domestic abuse to the violence of racism sexism economic exploitation war and genocide

**Feminists Theorize the State** J. Kantola, 2006-07-11 Where is feminist state theory today This book offers novel insights into social science debates by analyzing feminist theories of the state The themes are developed within a comparative perspective Focusing on devolution in Scotland and the European Union the book further explores how feminist state theories conceive multi level governance

**Violence, Inequality, and Human Freedom** Peter

Iadicola, Anson Shupe, 2012-10-26 *Violence Inequality and Human Freedom* is a sociological introduction to the study of violence that looks at violence on three different levels structural institutional and interpersonal The third edition is updated throughout including a new chapter on educational violence and revised sections on economic and international violence

*Client Violence in Social Work Practice* Christina E. Newhill, 2004-01-28 Presenting practical strategies for violence assessment and prevention that are grounded in solid empirical research this book guides social work practitioners and students to provide state of the art treatment to aggressive clients while reducing violence risks Effective methods are described together with specific recommendations for approaching engaging and intervening with potentially violent clients in both office and field settings Skills development exercises case analyses and guidelines for developing and implementing an agency safety plan enhance the book's utility as a training text and professional resource

*Violence, Society, and the Church* Gerald A. Arbuckle, 2004 The reality of violence and the fear it generates is constantly in the news Terrorist attacks across the world and other abuses of power such as the sexual abuses in the Catholic Church the continuance of patriarchalism racism and the negative effects of globalization highlight the relevance of this book Here the author uniquely explains these forms of violence in the wider context of their cultural roots

*Sport and Violence* Lynn M Jamieson, Thomas Orr, 2012-06-14 *Sport and Violence* takes a critical look at the culture of sports rage and aggression in the sporting industry covering ethical historical and sociological causes and impacts It examines international examples of sport violence including the father of a tennis competitor placing a drug in the drinks of her competitors a player's neck broken after being attacked from behind by an opponent in an NHL game hooliganism in international soccer and more The book not only attempts to explain how and why such violence originates it examines its impact on society outside sport and suggests potential remedies for the problem This book Examines the culture of violence that permeates and surrounds sport including the sociological causes of that violence and what can be done to mitigate them Features an international perspective with examples of sport violence from throughout the world Offers a historical view on the evolution of violence in sport Its up to date and in depth coverage of a controversial issue makes this book a valuable asset to both sports students and professionals working in sports management

**Domestic Violence** United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime and Criminal Justice, 1995

**Violence, Society and Radical Theory** William Pawlett, 2016-02-17 Shedding light on the relationship between violence and contemporary society this volume explores the distinctive but little known theories of violence in the work of Georges Bataille and Jean Baudrillard applying these to a range of violent events events often labelled inexplicable in order to show how even the most extreme of acts can be seen as socially meaningful The book offers an understanding of violence as fundamental to social relations and social organisation departing from studies that focus on individual offenders and their psychological states to concentrate instead on the symbolic relations or exchanges between agents and between agents and the structures they find themselves inhabiting Developing the notion of symbolic economies

of violence to emphasise the volatility and ambivalence of social exchanges Violence Society and Radical Theory reveals the importance to our understanding of violence of the relationship between the structural or systemic violence of consumer capitalist society and forms of counter violence which attack this system A theoretically rich yet grounded expansion of that which can be considered meaningful or thinkable within sociological theory this ground breaking book will appeal to scholars and students of social and political theory and contemporary philosophy *Investing in Children* United States. Congress. Senate. Committee on Appropriations. Subcommittee on Departments of Labor, Health and Human Services, Education, and Related Agencies,1992 Hearings were conducted in Newark New Jersey Los Angeles California Detroit Michigan and Atlanta Georgia to elicit testimony concerning public investment in education and social services for children and their families At each of the four hearings an opening statement by Senator Tom Harkin was followed by statements from individuals interested in children s education and services In the four hearings oral and written testimony concerning the need to improve and better fund education and social services for children and their families was presented by nearly 50 senators representatives mayors educators health care providers religious leaders community leaders and concerned individuals MDM

*Violence at Home* Mary H. Lystad,1974 [An Annotated Bibliography: Violence at Home](#) National Institute of Mental Health (U.S.),1974 **Violence In Society** Xena Mindhurst,2025-01-08 *Violence in Society* presents a comprehensive examination of aggressive behavior in modern communities exploring the intricate web of factors that contribute to societal violence Through a systematic analysis that bridges multiple disciplines including social psychology neuroscience and criminology the book reveals how violence emerges from the complex interaction of individual predispositions environmental triggers and social learning processes The book s unique approach combines quantitative data from behavioral studies with qualitative insights from community interventions presenting three core areas of investigation psychological foundations of aggression media influence on violent behavior and sociocultural mechanisms that shape violent conduct Through careful examination of longitudinal studies and brain imaging research it demonstrates that violence is not an inevitable aspect of society but rather a product of identifiable and modifiable factors including social inequality media consumption patterns and cultural norms Starting with the neurobiological foundations of aggressive behavior the book progresses through an analysis of media s role in normalizing violence before examining broader sociocultural factors What sets this work apart is its practical orientation offering evidence based strategies for violence prevention while maintaining scholarly rigor The text serves both as an academic resource and a practical guide for professionals in social services law enforcement and public policy providing specific frameworks for developing intervention programs and creating safer community environments

**The Web of Violence** Jennifer E. Turpin,Lester R. Kurtz,1997 An excellent representation of the interdisciplinary thrust of peace studies Paul Joseph Tufts University Violence is a topic of concern everywhere in the media in churches in the halls of governments In every land and in every culture violence is considered by most to be taboo a last resort Yet under certain

conditions from the level of the family to the level of nations violence is used as a mechanism of social control Various rationalizations thus emerge to distinguish between legitimate and illegitimate violence The Web of Violence explores the interrelationship among personal collective national and global levels of violence This unique collection brings together a number of internationally known contributors to address the genesis and manifestations of violence in the search for a remedy for this confounding social problem As the global community becomes more intimate we must better understand the nature of violence The Web of Violence supports this aim by examining the dangerous human phenomenon from many perspectives at different levels and using multiple methodologies CONTRIBUTORS Robert Jay Lifton Christopher G Ellison John P Bartkowski Yuan Horng Chu Philip Smith Robert Elias Birgit Brock Utne Riane Eisler Johan Galtung Violence and Abuse in Society Angela Brownemiller Ph.D.,2012-08-17 Suitable for professionals students and lay readers alike this book provides an immensely informative profoundly moving and remarkably comprehensive look at the range and nature of violence and abuse by and of humans today Angela Browne Miller PhD is editor of this comprehensive and unique set of four volumes containing over 110 chapters from over 130 international experts with backgrounds in behavioral science social science law and medicine as well as researchers practitioners and lay persons with varied specialties These volumes cover the following areas reflected by their titles Volume One Fundamentals Effects and Extremes Volume Two Setting Age Gender and Other Key Elements Volume Three Psychological Ritual Sexual and Trafficking Issues and Volume Four Faces on Intimate Partner Violence This collection looks at the range of violence and abuse we see today conducting a detailed examination against the backdrop of a history of violence and abuse around the globe The works within focus for the most part on violence and abuse taking place outside of war contexts discussing road rage child abuse elder abuse abuse of women and girls sex slavery violent rituals including female genital cutting abuse within cults domestic violence gun violence and modern problems fueled by technology including cyberbullying and cyberstalking **Television in Society** Arthur Asa Berger,2017-09-29 Is television a cultural wasteland or a medium that has brought people more great art music dance and drama than any previous media How do we study and interpret television What are the effects of television on individuals and society and how do we measure them What is the role of television in our political and economic life Television in Society explores these issues in considering how television both reflects and affects society The book is divided into two sections The first focuses on programming and deals with commercials ceremonial events important series such as MASH and Lou Grant significant programs a production of Brave New World on television and the images of police on the medium The second part of the book deals with important issues and topics related to the medium the impact of television violence values found on television the impact of television on education the significance of new technological developments and the always thorny issue of freedom of the press The articles are drawn together by a brilliant introductory essay by Arthur Asa Berger who examines television as culture **Research Anthology on Modern Violence and Its Impact on Society** Management

Association, Information Resources, 2022-08-12 Violence on both large and small scales has a tremendous impact on society. The causes and impacts of violence have been under study for decades; however, in the modern era, it is important to remain knowledgeable of the current research on violence. As tragic events flood news headlines around the world, it is essential to evaluate violence, its causes, and its impact on society in order to mitigate and prevent violence globally. The Research Anthology on Modern Violence and Its Impact on Society discusses the causes, ideologies, and perceptions of modern violence and examines its impact on society. It presents emerging research on modern violence in multiple dimensions, from interpersonal to mass violence. Covering topics such as gun violence, radicalization, and victim/offender overlap, this major reference work is an essential resource for sociologists, politicians, government officials, law enforcement, community leaders, educators, and administrators of both K-12 and higher education, students of higher education, psychologists, criminologists, victimologists, researchers, and academicians.
