Our Word Guerilla Poems From Latin Ameri:

Our Word: Guerrilla Poems from Latin America ,1968 *The ^APoetry of the Americas* Harris Feinsod,2017-09-08
The Poetry of the Americas provides an expansive history of relations between poets in the US and Latin America over three decades from the Good Neighbor diplomacy of World War II to 1960s Cold War cultural policy **Our Word. Guerilla Poems from Latin America. Transl. by Edward Dorn and Gordon Brothersten. - Palabra de Guerrillero. Poesia Guerrillera de Latinoamerica. Con. Trad. Inglesa** Edward Dorn,Gordon Brothersten,1968 Our Word ,1968

Resistance Literature Barbara Harlow,2023-03-01 As one of the foundational texts in the field of postcolonial writing Barbara Harlow s Resistance Literature introduced new ground in Western literary studies Originally published in 1987 and now reissued with a new Preface by Mia Carter this powerfully argued and controversial critique develops an approach to literature which is essentially political Resistance Literature introduces the reader to the role of literature in the liberation movements of the developing world during the 20th Century It considers a body of writing largely ignored in the west Although the book is organized according to generic topics poetry narrative prison memoirs thematic topics and the specific historical conditions that influence the cultural and political strategies of various resistance struggles including those of Palestine Nicaragua and South Africa are brought to the fore Among the questions raised are the role of women in the developing world communication in circumstances of extreme atomization literature versus propaganda censorship and the problem of adopting literary forms identified with the oppressor culture *An Introduction to Spanish-American Literature* Jean Franco,1994 A revised updated edition of Jean Franco s Introduction to Spanish American Literature first published in 1969 **The Beats in Mexico** David Stephen Calonne,2022-04-15 Mexico features prominently in the literature and personal legends of the Beat writers from its depiction as an extension of the American frontier in Jack Kerouac s On the Road to its role as a refuge for writers with criminal pasts like William S Burroughs Yet the story of Beat literature and Mexico takes us beyond the movement s superstars to consider the important roles played by lesser known female Beat writers The first book length study of why the Beats were so fascinated by Mexico and how they represented its culture in their work this volume examines such canonical figures as Kerouac Burroughs Ginsberg Lamantia McClure and Ferlinghetti It also devotes individual chapters to women such as Margaret Randall Bonnie Bremser and Joanne Kyger who each made Mexico a central setting of their work and interrogated the misogyny they encountered in both American and Mexican culture The Beats in Mexico not only considers individual Beat writers but also places them within a larger history of countercultural figures from D H Lawrence to Antonin Artaud to Jim Morrison who mythologized Mexico as the land of the Aztecs and Maya where shamanism and psychotropic drugs could take you on a trip far beyond the limits of the American imagination *New British Poetries* Robert Hampson,1995 This collection of essays covers the wide range of innovative but neglected poetry which flourished in journals and presses outside the mainstream during the period 1970 1990 Charles

Olson's Reading Ralph Maud,1996 Maud English Simon Fraser U offers a narrative account of the life and work of poet Charles Olson focusing on the poet s lifelong reading material as a basis for understanding his work Drawing on an annotated listing of his library as well as his childhood books and poetry by his contemporaries he links the books to the poet s intellectual and poetic development at each stage of his career Annotation copyright by Book News Inc Portland OR

Writers Directory NA NA,2016-03-05 *Ed Dorn Live* Edward Dorn,2007 Collects the commentary of the later years and last days of one of America s most powerful and unique poets *Way More West* Edward Dorn,2007-04-03 An essential anthology of an innovative American poet Edward Dorn was not only one of America s finest poets but a rare critical intelligence and commentator He was a student of Charles Olson who helped him to see the American West as a site for his quest for self knowledge at the core of his work is a deep sense of place and the people who occupy it underpinned by a wry ironic dissent It was Dorn s comic epic masterpiece *Gunslinger* which began appearing in 1968 and had already become an underground classic by the time it was published in its entirety in 1974 that established his reputation in the wider world This new volume brings together poems from Dorn s entire career including previously uncollected work **The Oxford**

Guide to Literature in English Translation Peter France,2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e g Virgil s *Aeneid* which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available

Literature and Politics in the Central American Revolutions John Beverley,Marc Zimmerman,2014-02-19 This book began in what seemed like a counterfactual intuition that what had been happening in Nicaraguan poetry was essential to the victory of the Nicaraguan Revolution write John Beverley and Marc Zimmerman In our own postmodern North American culture we are long past thinking of literature as mattering much at all in the real world so how could this be This study sets out to answer that question by showing how literature has been an agent of the revolutionary process in Nicaragua El Salvador and Guatemala The book begins by discussing theory about the relationship between literature ideology and politics and charts the development of a regional system of political poetry beginning in the late nineteenth century and culminating in late twentieth century writers In this context Ernesto Cardenal of Nicaragua Roque Dalton of El Salvador and Otto Ren Castillo of Guatemala are among the poets who receive detailed attention **International Who's Who in Poetry 2005**

Europa Publications,2004 Provides up to date profiles on the careers of leading and emerging poets Caribbean Fiction and Poetry Marjorie Engber,1970 The Cambridge Introduction to Spanish Poetry D. Gareth Walters,2002-11-28 The Cambridge Introduction to Spanish Poetry comprises an extended survey of poetry written in Spanish from the Middle Ages

to the present day including both Iberian and Latin American writing This volume offers a non chronological approach to the subject in order to highlight the continuity and persistence of genres and forms epic ballad sonnet and of themes and motifs love religious and moral poetry satirical and pure poetry It also supplies a thorough examination of the various interactions between author text and reader Containing abundant quotation it gives a refreshing introduction to an impressive and varied body of poetry from two continents and is an accessible and wide ranging reference work designed specifically for use on undergraduate and taught graduate courses The most comprehensive work of its kind available it will be an invaluable resource for students and teachers alike

International Who's Who in Poetry 2004 Europa Publications,2003 Provides up to date profiles on the careers of leading and emerging poets
