Procrastination and Blocking Robert Boice, 1996-12-09 Procrastination means putting off a difficult delayable important task in favor of something easier quicker and less anxiety provoking It also means delaying vital actions until the performance and result are less than they would have been if done in a timely manner Similarly blocking means that we stumble delay and panic in response to a demanding responsibility Blocking typically occurs when we face public scrutiny as in writing In this revisionist and sometimes irreverent book the author takes academic and professional psychologists to task for neglecting a pair of related problems that are often derided but that can be profoundly debilitating for individuals and economically devastating for schools businesses and communities Blaine for the Win Robbie Couch, 2023-04-18 After his boyfriend Joey breaks up with him to pursue more serious guys Blaine decides to run for senior class president as Joey's successor to prove his worth but is Blaine willing to sacrifice everything about himself to do it **The Complication**
