Sisson, Chris Zacher**

## **Our People Carpathorusyns And Their Descendants In North America:**

Our People Paul R. Magocsi, 2005 Our People Carpatho Rusyns and Their Descendants in North America Fourth Revised Edition provides a general introductory description of the history and culture of Carpatho Rusyns a Slavic ethnic group living in the United States and Canada with over 101 black and white photographs      **Our people : carpatho-rusyns and their descendants in North America** Paul Robert Magocsi, 1984      **Our People** Paul R. Magocsi, Multicultural History Society of Ontario, 1994 History and description of Ruthenians in North America Includes a listing of Carpatho Ruthenian villages based on the 1910 Hungarian census villages now primarily in Slovakia Ukraine and Poland with a few in Romania Croatia and Yugoslavia Entries include the name of the village the former Hungarian county or Galician district the present country and administrative subdivision      **Carpatho-Rusyns and Their Neighbors** Bogdan Horbal, Patricia Ann Krafcik, Elaine Rusinko, 2006      **The American Bibliography of Slavic and East European Studies for 1994** Patt Leonard, Rebecca Routh, 1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs      *Witnesses to Interwar Subcarpathian Rus'* Patricia A. Krafcik, 2024-06-10 In the midst of a contentious atmosphere of the interwar period the far eastern province of Subcarpathian Rus attracted the personal curiosity and professional attention of Russian ethnographer and theoretician Petr Bogatyrev and Czech journalist writer Ivan Olbracht Both traveled extensively in the region and immersed themselves deeply in the life and culture of the local residents Carpatho Rusyns and Hasidic Jews *Witnesses to Interwar Subcarpathian Rus The Sojourns of Petr Bogatyrev and Ivan Olbracht* explores for the first time in English the legacy they bequeathed in their respective work Bogatyrev as an apolitical ethnographic collector and theoretician and Olbracht as a passionately committed Communist whose reports and brilliant stories from the region including *Nikola uhaj Brigand* and *The Sorrowful Eyes of Hannah Karadjic* capture a glimpse of a world destined to change radically as a result of the ravages of war      Carpatho-Rusyn American, 1995      **Encyclopedia of American Folklife** Simon J Bronner, 2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries *Encyclopedia of American Folklife* is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs

and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research

**Encyclopedia of North American Immigration** John Powell, 2009 Presents an illustrated A Z reference containing more than 300 entries related to immigration to North America including people places legislation and more *A Nation of Peoples* Elliott Robert Barkan, 1999-05-30 The debate over America s multiculturalism has been intense for nearly three decades dividing opponents into those insisting on such recognition and those fearing that such a formal acknowledgment will undermine the civic bonds created by a heterogeneous nation Facts have often been the victim in this dispute and few works have successfully attempted to present the broad spectrum of America s ethnic groups in a format that is readable current and authoritative The chapters in this reference book demonstrate that America has been far more than a nation of immigrants it has been a nation of peoples of virtually all races religions and nationalities inclusive of indigenous natives and peoples long present as well as myriad immigrant and refugee groups Not all groups have equally found America to be a land of opportunity and the successes of some groups have come at the expense of others To understand the American experience the reader must not just study the story of immigrants living on the East Coast but also the history of those living in the South Southwest West and even Alaska and Hawaii As a reference book this volume provides thorough coverage of more than two dozen racial ethnic and religious groups in the United States Each chapter is written by an expert contributor and overviews the experiences of one group or a cluster of related groups The chapters are arranged alphabetically and cover groups such as African Americans American Indians Filipinos Hawaiians Mexicans Mormons and Puerto Ricans To the extent possible each chapter discusses the initial arrival of the group in America the adaptation of the first generation of immigrants the economic political and cultural integration of the group and the status of the group in contemporary American society Each chapter closes with a bibliographical essay and the volume concludes with a review of the most important general works on America s multicultural heritage [Shatterzone of Empires](#) Larry Wolfe, Gregor Thum, Dan Diner, Theodore R. Weeks, Gary B. Cohen, Pieter M. Judson, Frithjof Benjamin Schenk, Elke Hartmann, Patrice M. Dabrowski, Robert Nemes, Yaroslav Hrytsak, Tomas Balkelis, Taner Akçam, Eyal Ginio, Keith Brown, David Gaunt, Peter Holquist, Alexander V. Prusin, John-Paul Himka, Pamela Ballinger, Myroslav Shkandrij, Paul Robert Magocsi, Kai Struve, Philipp Ther, 2013-02-15 Anyone who studies nationalism genocide mass violence or war in these regions from the Enlightenment through the mid 20th century needs to read this Central European History Shatterzone of Empires is a comprehensive analysis of interethnic relations coexistence and violence in Europe s eastern borderlands over the past two centuries In this vast territory extending from the Baltic to the Black Sea four major empires with ethnically and religiously diverse populations encountered each other along often changing and contested borders Examining this geographically widespread multicultural

region at several levels local national transnational and empire and through multiple approaches social cultural political and economic this volume offers informed and dispassionate analyses of how the many populations of these borderlands managed to coexist in a previous era and how and why the areas eventually descended into violence An understanding of this specific region will help readers grasp the preconditions of interethnic coexistence and the causes of ethnic violence and war in many of the world's other borderlands both past and present

*Eastern Catholic Theology in Action* Andrew J. Summerson, Cyril Kennedy, 2024-10-11 The Second Vatican Council urged Eastern Catholics to cultivate their share of divine revelation for the benefit of the entire Catholic Church Yet more than 50 years later the Eastern Catholic Churches frequently remain on the margins both in the theological academy and in the life of the Church more broadly In an effort to remedy this situation at least in part this volume offers a scholarly reflection on the unique patrimony of the Eastern Catholic Churches divided according to the categories of Liturgy Theology Spirituality Discipline and Culture In so doing it both follows the categories used to define a Church sui iuris in the Code of Canon Law for the Eastern Churches and builds on the legacy of the Rev Peter Galadza to whom the volume is dedicated On one hand the volume and its essays are intentionally introductory revealing the worlds of Eastern Catholicism and the variety of theological approaches that take place there Emerging in part from the experience of teaching and preaching by scholars of Eastern Christianity who are frequently asked for a basic introduction to Eastern Catholic theology and have little to offer in response these essays gather an international group of scholars engaging in critical theological reflection from an Eastern Catholic perspective This approach is rounded out by contributions from Roman Catholic Orthodox and Protestant scholars who articulate their own reception and appreciation of the Eastern Catholic theological heritage At the same time however several of the essays in this volume relate the history and current reality of Eastern Catholicism to the Orthodox and Roman Catholic Churches yet without ignoring how frequently Eastern Catholics live worship and theologize without self-conscious regard for their unique ecclesial situation Indeed these authors show Eastern Catholic theology can be unself-consciously grounded in the patristic tradition and Eastern Catholics can simply do theology without worrying about ecclesial politics Readers will thus find here the best of both worlds both an introduction to the unique and frequently ignored patrimony of the Eastern Catholic Churches and a series of essays that avoids the all too common pitfall of reducing these traditions to a parody of other Churches Eastern or Western Instead by engaging with the sources of the Christian tradition as Eastern Catholics yes but first and foremost as Christians the authors reveal how much their tradition can offer the Catholic Church as a whole

*The Miners of Windber* Mildred Allen Beik, 1996-09-15 In 1897 the Berwind White Coal Mining Company founded Windber as a company town for its miners in the bituminous coal country of Pennsylvania The Miners of Windber chronicles the coming of unionization to Windber from the 1890s when thousands of new immigrants flooded Pennsylvania in search of work through the New Deal era of the 1930s when the miners' rights to organize join the United Mine Workers of America and bargain collectively were recognized after

years of bitter struggle Mildred Allen Beik a Windber native whose father entered the coal mines at age eleven in 1914 explores the struggle of miners and their families against the company whose repressive policies encroached on every part of their lives That Windber s population represented twenty five different nationalities including Slovaks Hungarians Poles Italians and Carpatho Russians was a potential obstacle to the solidarity of miners Beik however shows how the immigrants overcame ethnic fragmentation by banding together as a class to unionize the mines Work family church fraternal societies and civic institutions all proved critical as men and women alike adapted to new working conditions and to a new culture Circumstance if not principle forced miners to embrace cultural pluralism in their fight for greater democracy reforms of capitalism and an inclusive working class definition of what it meant to be an American Beik draws on a wide variety of sources including oral histories gathered from thirty five of the oldest living immigrants in Windber foreign language newspapers fraternal society collections church manuscripts public documents union records and census materials The struggles of Windber s diverse working class undeniably mirror the efforts of working people everywhere to democratize the undemocratic America they knew Their history suggests some of the possibilities and limitations strengths and weaknesses of worker protest in the early twentieth century *The Palgrave Handbook of Slavic Languages, Identities and Borders* Tomasz Kamusella, Motoki Nomachi, Catherine Gibson, 2016-04-29 This book analyzes the creation of languages across the Slavophone areas of the world and their deployment for political projects and identity building mainly after 1989 It offers perspectives from a number of disciplines such as sociolinguistics socio political history and language policy Languages are artefacts of culture meaning they are created by people They are often used for identity building and maintenance but in Central and Eastern Europe they became the basis of nation building and national statehood maintenance The recent split of the Serbo Croatian language in the wake of the break up of Yugoslavia amply illustrates the highly politicized role of languages in this region which is also home to most of the world s Slavic speakers This volume presents and analyzes the creation of languages across the Slavophone areas of the world and their deployment for political projects and identity building mainly after 1989 The overview concludes with a reflection on the recent rise of Slavophone speech communities in Western Europe and Israel The book brings together renowned international scholars who offer a variety of perspectives from a number of disciplines and sub fields such as sociolinguistics socio political history and language policy making this book of great interest to historians sociologists political scientists and anthropologists interested in Central and Eastern Europe and Slavic Studies [The American Midwest](#) Andrew R. L. Cayton, Richard Sisson, Chris Zacher, 2006-11-08 This first ever encyclopedia of the Midwest seeks to embrace this large and diverse area to give it voice and help define its distinctive character Organized by topic it encourages readers to reflect upon the region as a whole Each section moves from the general to the specific covering broad themes in longer introductory essays filling in the details in the shorter entries that follow There are portraits of each of the region s twelve states followed by entries on society and culture community and

social life economy and technology and public life The book offers a wealth of information about the region s surprising ethnic diversity a vast array of foods languages styles religions and customs plus well informed essays on the region s history culture and values and conflicts A site of ideas and innovations reforms and revivals and social and physical extremes the Midwest emerges as a place of great complexity signal importance and continual fascination [The Miners of Windber](#) Mildred A. Beik,1996 Mildred Allen Beik a Windber native whose father entered the coal mines at age eleven in 1914 explores the struggle of miners and their families against the company whose repressive policies encroached on every part of their lives That Windber s population represented twenty five different nationalities including Slovaks Hungarians Poles Italians and Carpatho Russians was a potential obstacle to the solidarity of miners Beik however shows how the immigrants overcame ethnic fragmentation by banding together as a class to unionize the mines Work family church fraternal societies and civic institutions all proved critical as men and women alike adapted to new working conditions and to a new culture

BOOK JACKET *The Ukrainian Diaspora* Vic Satzewich,2003-09-02 In this fascinating book Vic Satzewich traces one hundred and twenty five years of Ukrainian migration from the economic migration at the end of the nineteenth century to the political migration during the inter war period and throughout the 1960s and 1980s resulting from the troubled relationship between Russia and the Ukraine The author looks at the ways the Ukrainian Diaspora has retained its identity at the different factions within it and its response to the war crimes trials of the 1980s *Andy Warhol's Mother* Elaine Rusinko,2024-11-19 While biographers of Andy Warhol have long recognized his mother as a significant influence on his life and art Julia Warhola s story has not yet been told As an American immigrant who was born in a small Carpatho Rusyn village in Austria Hungary in 1891 Julia never had the opportunity to develop her own considerable artistic talents Instead she worked and sacrificed so her son could follow his dreams helping to shape Andy s art and persona Julia famously followed him to New York City and lived with him there for almost twenty years where she remained engaged in his personal and artistic life She was well known as Andy Warhol s mother even developing a distinctive signature with the title that she used on her own drawings Exploring previously unpublished material including Rusyn language correspondence and videos Andy Warhol s Mother provides the first in depth look at Julia s hardscrabble life her creative imagination and her spirited personality Elaine Rusinko follows Julia s life from the folkways of the Old Country to the smog of industrial Pittsburgh and the tumult of avant garde New York Rusinko explores the impact of Julia s Carpatho Rusyn culture Byzantine Catholic faith and traditional worldview on her ultra modern son the quintessential American artist This close examination of the Warhola family s lifeworld allows a more acute perception of both Andy and Julia while also illuminating the broader social and cultural issues that confronted and conditioned them **Geschichtsbilder in Den Postdiktatorischen Ländern Europas** Gerhard Besier,2009 **Encyclopedia of World Cultures: North America** David Levinson,1991 A basic reference source to the cultures of the world Provides descriptions of all the cultures of each region of the world or of a representative sample of

cultures for regions where full coverage is impossible as well as accurate descriptions of cultures of the past

### **Our People Carpathorusyns And Their Descendants In North America Introduction**

In today's digital age, the availability of Our People Carpathorusyns And Their Descendants In North America books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Our People Carpathorusyns And Their Descendants In North America books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Our People Carpathorusyns And Their Descendants In North America books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Our People Carpathorusyns And Their Descendants In North America versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Our People Carpathorusyns And Their Descendants In North America books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Our People Carpathorusyns And Their Descendants In North America books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Our People Carpathorusyns And Their Descendants In North America books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Our People Carpathorusyns And Their Descendants In North America books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Our People Carpathorusyns And Their Descendants In North America books and manuals for download and embark on your journey of knowledge?

### **FAQs About Our People Carpathorusyns And Their Descendants In North America Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Our People Carpathorusyns And Their Descendants In North America is one of the best book in our library for free trial. We provide copy of Our People Carpathorusyns And Their Descendants In North America in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Our People Carpathorusyns And Their Descendants In North America. Where to download Our People Carpathorusyns And Their Descendants In North America online for free? Are you looking for Our People Carpathorusyns And Their Descendants In North America PDF? This is definitely going to save you time and cash in something you should think about.
