Bill Clinton Nigel Hamilton,2007-07-10 A decade and a half after President William Jefferson Clinton first took the oath of office biographer Nigel Hamilton tells the riveting story of what was possibly the

greatest self reinvention of a president in office in modern times The Clinton presidency began disastrously kicking off with the worst transition in living memory and deteriorating through a series of fiascos from gays in the military to Hillary Clinton's failed health care reform How Bill Clinton faced up to his failures and refashioned himself in the White House thereafter is an epic hitherto unwritten story a story that climaxes with the trouncing of Bob Dole in the landslide presidential election in 1996 Clinton began his second term as the undisputed and tremendously popular leader of the Western world In vivid prose Hamilton charts Clinton's dramatic reversal of fortune and his ultimate triumph over himself and his foes Bill Clinton Mastering the Presidency is a riveting narrative of American politics an incisive character portrait and powerful reminder of what a great president can accomplish *Brother Bill* Daryl A Carter, 2016-06-01 This book is a fascinating analysis of race and class in the age of President Bill Clinton It provides much needed clarity in regards to the myth of the First Black President It contributes much to our understanding of the history that informs our present moment Cornel West As President Barack Obama was sworn into office on January 20 2009 the United States was abuzz with talk of the first African American president At this historic moment one man standing on the inaugural platform seemingly a relic of the past had actually been called by the moniker the first black president for years President William Jefferson Clinton had long enjoyed the support of African Americans during his political career but the man from Hope also had a complex and tenuous relationship with this faction of his political base Clinton stood at the nexus of intense political battles between conservatives demands for a return to the past and African Americans demands for change and fuller equality He also struggled with the class dynamics dividing the American electorate especially African Americans Those with financial means seized newfound opportunities to go to college enter the professions pursue entrepreneurial ambitions and engage in mainstream politics while those without financial means were essentially left behind The former became key to Clinton's political success as he skillfully negotiated the African American class structure while at the same time maintaining the support of white Americans The results were tremendously positive for some African Americans For others the Clinton presidency was devastating *Brother Bill* examines President Clinton's political relationship with African Americans and illuminates the nuances of race and class at the end of the twentieth century an era of technological political and social upheaval **The Natural** Joe Klein, 2002 Joe Klein best selling author of *Primary Colors* and one of our most brilliant political analysts now tackles the subject he knows best Bill Clinton Astute even handed and keenly intelligent *The Natural* is the only book to read if you want to understand exactly what happened to the military to the economy to the American people to the country during Bill Clinton's presidency and how the decisions made during his tenure affect all of us today Much has been written about Clinton but *The Natural* is the first work to cut through the gossip scandals media hype and emotional turbulence that Clinton always engendered to step back and rationally analyze the eight years of his tenure a period during which America rose to unprecedented levels of prosperity Joe Klein puts that record into perspective showing us what worked and what didn't exactly what was accomplished and why

and who was responsible for the successes and the failures We see how the Clinton White House functioned on the inside how it dealt with the maneuvers of Congress and the Gingrich revolution and who held power and made the decisions during the endless crises that beset the administration Klein's access to the White House over the years as a journalist gave him a prime spot from which to view every crucial event both political and personal and he sets them forth in an insightful readable and completely engrossing manner The Natural is stern in its criticism and convincing with its praise It will cause endless debate amongst friends and foes of the Clinton administration It is a book that anyone interested in contemporary politics in American history or in the functioning of our democracy should read My Life President Bill Clinton, 2010-06-30 President Bill Clinton's My Life is the strikingly candid self portrait of a world leader who decided in early life to devote his intellectual and political gifts and his extraordinary capacity for hard work to serving the people of America and the entire world population It is the fullest most concretely detailed most nuanced account of a presidency ever written and a testament to the positive impact that his work and his political ideals had on America and on the world Here is the life of a great national and international figure revealed with all his talents and contradictions Filled with fascinating moments and insights it is told openly directly in President Clinton's immediately recognisable voice A fascinating journey through American politics and one of the world's most famous politicians and popular presidents Bill Clinton Carol Greene, 1995 Highlights the life and the political career of President Clinton Citizen Bill Clinton, 2024-11-19 NEW YORK TIMES BESTSELLER A powerful candid and richly detailed memoir from an American icon revealing what life looks like after the presidency triumphs tribulations and all On January 20 2001 after nearly thirty years in politics eight of them as president of the United States Bill Clinton was suddenly a private citizen Only fifty four years old full of energy and ideas he wanted to make meaningful use of his skills his relationships with world leaders and all he'd learned in a lifetime of politics but how Just days after leaving the White House the call came to aid victims of a devastating earthquake in India and Clinton hit the ground running Over the next two decades he would create an enduring legacy of public service and advocacy work from Indonesia to Louisiana Northern Ireland to South Africa and in the process reimagine philanthropy and redefine the impact a former president could have on the world Citizen is Clinton's front row first person chronicle of his postpresidential years and the most significant events of the twenty first century including 9 11 and the runup to the Iraq War the Haiti earthquake the Great Recession the January 6 insurrection and the enduring culture wars of our times With clarity and compassion he also weighs in on the unprecedented challenges brought on by a global pandemic ongoing income inequality a steadily warming planet and authoritarian forces dedicated to weakening democracy Yet Citizen is more than a political memoir These pages capture Clinton in a rare and unforgettable light not only as a celebrated former president and a foundation leader but as a father grandfather and husband He recounts his support for Hillary Clinton during her time as senator secretary of state and presidential candidate and shares the frustration and pain of the 2016 election In this landmark publication the highly

memory However because of the office's traditional climate of confidentiality many details of his behind the scenes activities have remained absent from the written record How did the administration manage the horrific conflicts in Haiti Somalia and the Balkans that came to a head shortly after the President took the oath What motivated the President to place First Lady Hillary Clinton at the helm of the ill fated Health Security Act of 1993 And how did the President's closest confidantes and aides respond to the outbreak of the devastating scandal that nearly ended his presidency Inside the Clinton White House offers an intimate perspective on these questions and many more granting readers unprecedented access to the sensitive Oval Office banter that changed the course of history Bringing together material from 400 hours of candid conversations with over sixty individuals respected oral historian Russell L Riley weaves this illuminating testimony with important contextual information to form an irresistible narrative taking the reader from Clinton's first potential White House bid in 1988 to the final days of his remarkable and controversial career Extended sections of the book are devoted to important domestic and foreign policy campaigns the complicated politics of the President's two terms and impeachment and portraits of important personalities in the administration including Vice President Al Gore and First Lady Hillary Rodham Clinton These forthright and often surprising accounts add a layer of nuance to an iconic figure in America's recent history as told in the words of the people who knew him best

Mi vida / My Life Bill Clinton, 2004-08-10 Un libro excepcional de un americano excepcional Mi vida del presidente Clinton es un impresionante y sorprendentemente honesto retrato de un líder global que decidí cuando era joven que dedicar a sus dotes intelectuales y políticos y su extraordinaria capacidad para el trabajo duro al servicio de los ciudadanos Nos muestra el avance de un americano notable que gracias a sus enormes energías y su esfuerzo logró realizar el improbable viaje desde Hope Arkansas hasta la Casa Blanca un trayecto alimentado por su apasionado interés en el proceso político que se manifiesta en cada etapa de su vida en la universidad trabajando como becario para el senador William Fulbright en Oxford cuando formó parte del movimiento de protesta contra la guerra de Vietnam en la facultad de Derecho de Yale haciendo campaña a nivel de base para los candidatos demócratas y de nuevo en Arkansas cuando se presentó candidato al Congreso a fiscal general y al cargo de gobernador A lo largo de esta obra somos testigos de cómo su carrera política se forjó a partir de su decidida voluntad de mejorar la vida de sus conciudadanos un compromiso firme con el avance de los derechos civiles y una excepcional capacidad de comprender los detalles prácticos de la vida política También llegamos a comprender las presiones emocionales a las que se vio sometido en su juventud desde su nacimiento tras la temprana muerte de su padre hasta la difícil situación que vivió atrapado en una relación disfuncional entre su enigmática madre que tanto se preocupó por él y un padrastro maltratador al que jamás dejó de querer y cuyo nombre adoptamos a la atracción que sintió por la brillante e irresistible Hillary Rodham con la cual decidí casarse y a la apasionada devoción desde su infancia a su hija Chelsea así como a toda la experiencia de la paternidad Y también cómo lenta y dolorosamente empieza a comprender que su temprana negación del dolor en ocasiones le arrastra a pautas de conductas inadecuadas El libro del presidente Clinton es también la

narración más completa matizada y con más detalles concretos de una presidencia que se ha escrito jamás abarcando no sólo los momentos más destacados de las crisis sino también la manera en que la presidencia funciona realmente el bombardeo cotidiano de problemas personalidades conflictos reveses y éxitos Es un testamento acerca del impacto positivo que su labor y sus ideales tuvieron en Estados Unidos y en todo el mundo Es el emocionante relato de un presidente sometido a un asalto implacable y concertado orquestado por sus enemigos de la extrema derecha así como la historia de cómo sobrevivió y terminó por prevalecer sobre todo ello Estamos ante un tesoro de momentos capturados en toda su vivacidad entre ellos El niño de diez años contemplando las convenciones políticas nacionales en el nuevo y primer aparato de televisión familiar La montaña rusa que fue la campaña de 1992 Las conversaciones extraordinariamente francas con Newt Gingrich y Bob Dole La delicada manipulación necesaria para convencer a Rabin y Arafat de que se dieran la mano frente a las amenazas a la vez que debía evitarse que Arafat besara a Rabin El coste tanto público como privado del escándalo que amenaza a la presidencia Nos hallamos frente a la vida de una destacada figura nacional e internacional que nos es revelada con todos sus talentos y contradicciones contada abiertamente con su voz personal y reconocible
