All-Girls Education from Ward Seminary to Harpeth Hall, 1865-2015 Mary Ellen Pethel, 2015-03-23 The history behind one of the oldest all girls prep schools in the South During the final days of the Civil War Dr William Ward and his wife Eliza Ward envisioned a school for young women in Nashville that would evolve into one of the nation's most prestigious institutions As the New South dawned Ward Seminary opened its doors in September 1865 Merging with Belmont College for Young Women in 1913 Ward Belmont operated as a college preparatory school music conservatory and junior college In 1951 the high school division moved farther west reopening as the Harpeth Hall School after Ward Belmont's sudden closure Ward Seminary Belmont College Ward Belmont and Harpeth Hall are simply separate chapters of one continuous story providing a lens through which to understand the evolution of all girls education in the United States

Judgment of Paris George M. Taber, 2006-11-21 The only reporter present at the mythic Paris Tasting of 1976 for the first time introduces the eccentric American winemakers and records the tremendous aftershocks of this historic event that changed forever the world of wine The Paris Tasting of 1976 will forever be remembered as the landmark event that transformed the wine industry At this legendary contest a blind tasting a panel of top French wine experts shocked the industry by choosing unknown California wines over France's best George M Taber the only reporter present recounts this seminal contest and its far reaching effects focusing on three gifted unknowns behind the winning wines a college lecturer a real estate lawyer and a Yugoslavian immigrant With unique access to the main players and a contagious passion for his subject Taber renders this historic event and its tremendous aftershocks repositioning the industry and sparking a golden age for viticulture across the globe With an eclectic cast of characters and magnificent settings Judgment of Paris is an illuminating tale and a story of the entrepreneurial spirit of the new world conquering the old

Stories of School Yoga Andrea M. Hyde, Janet D. Johnson, 2019-09-01 Provides firsthand perspectives from yoga practitioners and educators on the promises and challenges of school based yoga programs The yoga in schools movement has been gaining momentum in recent years as adult practitioners realize the benefit of yoga in their personal lives and want to share it with children and youth As the movement has grown so has the need to understand how yoga works and its effects on individuals groups and school culture Stories of School Yoga brings together firsthand narratives by teachers and practitioners from diverse settings nationwide to illuminate the multifaceted work challenges and benefits of teaching yoga to K 12 students in public schools The stories here supplement and reframe quantitative research in the field demonstrate how yoga can mitigate stress and tension particularly amid an increased focus on standardized curricula and testing and offer lessons learned and practical insights into planning implementing and running these programs Rich in detail and accessible to nonspecialists Stories of School Yoga presents helpful resources and a nuanced on the ground look at the yoga in schools movement

The Schoolmaster in Comedy and Satire Hubert Marshall Skinner, 1894

American Schools Sam Chaltain, 2009-11-16 In American Schools Sam

Chaltain interweaves the leading ideas from the education business and scientific communities to outline a framework for leadership that helps educators and organizational leaders create the optimal conditions for transformational change By pairing a rich theoretical framework with the stories of communities that have over several years tried to create more democratic learning communities Chaltain does what any reader of this book will have to do provide enough structure to empower people to do their best work and enough freedom so that each person s inherent creativity can be unleashed A Brief Moment in the Sun Neil Kinghan,2023-03-22 Winner of the George C Rogers Jr Book Award A Brief Moment in the Sun is the first scholarly biography of Francis Lewis Cardozo one of the most talented and influential African Americans to hold elected office in the South between Reconstruction and the civil rights era Born to a formerly enslaved African American mother and white Jewish father in antebellum South Carolina Cardozo led a life of extraordinary achievement as a pioneering educator politician and government official However today he is largely unknown in South Carolina and among students of nineteenth century American history Immediately after the Civil War Cardozo succeeded in creating and leading a successful school for formerly enslaved children in the face of widespread racial hostility Between 1868 and 1877 voters elected him secretary of state and state treasurer In the Republican administrations that controlled the state during Reconstruction Cardozo was a famously honest officeholder when many of his colleagues were notoriously corrupt He played a major part in securing a viable educational system for Black and white children and land reform for thousands of landless families Cardozo proved that Black men could govern at least as well as white As a result he became the target of white supremacist Democratic politicians after they reclaimed power through a campaign of violence and intimidation They prosecuted convicted and imprisoned Cardozo on a fabricated fraud charge Pardoned in 1879 Cardozo moved to Washington DC where he led an even more successful school for African American children Neil Kinghan s Brief Moment in the Sun is the first complete historical analysis of Francis Cardozo and his contribution to Reconstruction and African American history It draws on original research on Cardozo s early life and education in Scotland and England and pulls together for the first time the extant sources on his experiences in South Carolina and Washington DC Kinghan reveals all that Cardozo achieved as a Black educator and political leader and explores what else he might have realized if white racism and violence had not ended his efforts in South Carolina Above all Kinghan shows that Francis Cardozo deserves a place of honor and distinction in the history of nineteenth century America The Confederados Cyrus B. Dawsey,James M. Dawsey,1995 Of all the colonies founded by former Confederates in Latin America the most important was established by William Norris at Americana in southeastern Brazil For 125 years the people in Americana have held on to their language and customs while prospering within and contributing to the larger Brazilian economy and society The original settlers came from Alabama Texas Louisiana Georgia and South Carolina and some of them returned home for visits from time to time Much has been written about these people but there has been relatively little scholarly inquiry into the historical context and the events of the migration itself

the cultural impact that these confederados exerted on their host country and the ways in which the original settlers and their descendants fit into the larger Brazilian society Most immigrant nationalities arriving in Brazil were quickly absorbed by the surrounding culture Although the Confederates numbered but a few thousand and appeared earlier than most of the groups from other nations they maintained distinctive traits and many of their descendants still speak English as a first language The editors provide an excellent scholarly examination of the confederados that is unique in its approach This volume focuses on the Norris settlement near present day Americana and makes clear the ways in which the Americans influenced Brazilian culture beginning in the 1860s and continuing to the present School Based Staff Support Teams
