*Our Spiritual Companions* Adam Bittleston, 1980-01-01     [Ask Your Angels](#) Alma Daniel, Timothy Wyllie, Andrew Ramer, 2011-06-22 Angels have been with us in every time and culture and in many religious traditions [Ask Your Angels](#) vividly chronicles how they are currently reaching out to every one of us in a totally new way bridging our physical reality with their pure spiritual energy From historical writings and widespread contemporary experience that includes their own workshops the authors show us how we can draw on the power of angels to reconnect with our lost inner selves and to achieve our goals whether they be better relationships healing an illness or recovery from addiction To align with the angelic energy field you will use five simple steps as well as exercises meditations and visualizations to learn how to talk with your angels in your mind in letters in dreams on a computer and ask their guidance in matters from the inspired to the mundane From Gabriel Michael Raphael and Uriel to the angels of birth and death from the Earth Angel to the guardian or companion angel who is your personal teacher comforter and intimate friend this guide will introduce you to humor wisdom and companionship that come from contact with angels for they are a doorway to the Divine within us     **Angels** George J. Marshall, 2015-08-13 In the 1990s alone more than 400 works on angels were published adding to an already burgeoning genre Throughout the centuries angels have been featured in among others theological works on scripture studies in comparative religions works on art architecture and music philological studies philosophical sociological anthropological archeological and psychological works and even a psychoanalytical study of the implications that our understanding of angels has for our understanding of sexual differences This bibliography lists 4 355 works alphabetically by author Each entry contains a source for the reference often a Library of Congress call number followed by the name of a university that holds the work More than 750 of the entries are annotated Extensive indexes to names subjects and centuries provide further utility     **The Christian Mystery** Rudolf Steiner, 1998 In this major collection Rudolf Steiner affirms the reality of esoteric Christianity and unveils many of its secret teachings His lectures are on the significance of the Mystery of Golgotha and of the Blood that flowed on the Cross the relationship of Christ and Lucifer or Love and Knowledge the various paths of initiation including the Christian Gnostic and Rosicrucian Paths and Steiner's early interpretations of St John's gospel and the sermon on the mount All of Steiner's lectures on the Lord's Prayer are also included as well as the version of the prayer that Steiner himself prayed throughout his life This is an excellent book for all those who want to deepen their understanding of the Western stream of Christian esotericism and Rudolf Steiner's approach to Christianity as a spiritual practice     [The Encyclopedia of Angels](#) Constance Victoria Briggs, 1997-11-01 Recent fascination with angels in books television and movies has made the celestial beings one of the current hot topics User friendly with an A Z organization The Encyclopedia of Angels covers every angel topic from Aaron to Zuriel This heavenly volume lists the names responsibilities and orders of the cherubs as well as the various hierarchies which have been created throughout history More than just a dictionary of angels names

with painters sculptors writers and philosophers who used angels in their works are included Readers will have easy access to famous writings featuring angels the angels of the holy books the nature of angels and angelic experiences of the saints prophets and mystics With extensive and organized cross referencing The Encyclopedia of Angels is the ultimate resource guide for all angel lovers and scholars

**Angelic Healing** Eileen Elias Freeman, 2001-01-01 People are really hurting today not just physically but mentally emotionally spiritually and in their relationships All of us need healing Maybe we have an addiction we re trying to break Maybe there s no happiness or love in our lives Maybe the hurt is from being lonely even in the midst of family job or social gatherings And when we need healing we often hurt those around us We strike out at the environment until it too is hurting The angels our unseen companions and guardians can help us heal In fact from New York to California angels are doing just that People are telling stories of being healed of everything from serious illness to addictions to bad relationships simply by calling on angels for their help Angelic Healing will reveal the lessons of history while offering stories of angelic healing today moving tales of people for whom being touched by angels has meant major healing in their lives and the lives of those around them Angelic Healing also shows you how to tap into your angelic resources to bring about healing in your own life and empower you to be all you were meant to be Bri [Alexandria 2](#) David Fideler, 1993-01-01 Journal of cosmology philosophy myth and culture

**Renewing Christianity** James H. Hindes, 1995-06 For Rudolf Steiner Christ s Incarnation and death on Golgotha were central events in earthly and cosmic history Humankind he said would evolve in time toward a spiritual awareness of Christ s presence in creation and the individual would no longer need institutionalized religious beliefs In this concise introduction to Steiner s ideas the author also describes the Christian Community which Steiner helped to establish as a movement for Christian renewal The Christian Community also called the Movement for Religious Renewal is an independent church founded in 1922 in Switzerland with the help of Rudolf Steiner The first American Congregation was founded in New York City in 1948 Further information can be found at the Christian Community website [www thechristiancommunity org](http://www.thechristiancommunity.org) This is not only one of the best introductions to the Christian Community and its history but an excellent introduction to the whole of Rudolf Steiner s worldview known as spiritual science or Anthroposophy

**Consulting Spirits** Joel Bjorling, 1998-04-30 Throughout history people have been intrigued with spirits angels or devas as sources of wisdom and guidance They are not only interesting as those who possess an insight into events and circumstances but also as proof of life after death In this clear and useful reference guide Bjorling presents a listing of the literature on the various ways in which people of different cultures have consulted spirits through shamans and oracles magic mediums Voodoo and psychics Each chapter contains a general introduction to the respective topic as well as a listing of pertinent books articles and dissertations His survey also includes early spirit contacts in Africa Latin America and Asia
