Guide to Saints Mitch Finley, 2016-03-09 Who were the saints and what is it about them that causes people all over the world to remember them? What were their stories, motivations, passions, and shortcomings? This informative, delightful, inspiring book reveals the truth behind the misconceptions and the mystique in a survey of saints throughout the history of the Church. The stories included here emphasize that although the saints were often flawed and quirky individuals, what made them saintly above all else was their dedication to faith. They had a passionate, extraordinary pull out all the stops devotion. Writes award-winning Catholic author Mitch Finley and a desire for truth that is not unlike our own. **Great Awakenings** David Horn, Gordon L. Isaac, 2022-05-03 This book is an engaging look at spiritual awakenings that have happened in the church throughout history. It examines how these extraordinary movements of God translate into the larger cultural analysis of today. Spiritual awakenings have refreshed the people of God from the very origins of the church. What about these past movements can be instructive for the church today? Can we expect God's awakening presence in our day? These questions brought about the Surprising Work of God Conference in the fall of 2015 in which speakers traced awakening movements from the Old and New Testaments to the present day. Great Awakenings represents the culmination of this conference as the collected works of notable speakers. Chapters address questions about spiritual awakenings through historical, theological, and sociological lenses. They look at the events that precipitated these awakenings, evaluating whether their causes were purely religious or otherwise, and finally suggest what about the awakenings is normative for the church today. **Goodbye, Good Men**

Michael S. Rose, 2015-03-10 Goodbye Good Men uncovers how radical liberalism has infiltrated the Catholic Church, overthrowing traditional beliefs, standards, and disciplines. **Tumultuous Times** Francisco Radecki, Dominic Radecki, 2004 Well-documented story of the Ecumenical Councils of the Catholic Church. The second part of this work analyzes Vatican II and its effect on our world today. The turbulent history of the Catholic Church will come alive as the centuries unfold before the reader. God's tender care for His children amid life's storms and tumultuous times is evident and unmistakable.
