The Race to the Future: 8,000 Miles to Paris - The Adventure That Accelerated the Twentieth Century Kassia St. Clair, 2024-05-14 The rise of the automobile as told through its Rubicon moment a sensational high risk race across two continents on the verge of revolution The racers an Italian prince and his chauffeur a French racing driver a con man and several rival journalists battle over steep inclines through narrow mountain passages and across the arid Gobi Desert Competitors endure torrential rain and choking dust There are barely any roads and petrol is almost impossible to find A global audience of

millions follows each twist and turn devouring reports telegraphed from the course More than its many adventures the Peking to Paris Motor Challenge took place on the precipice of a new world As the twentieth century dawned imperial regimes in China and Russia were crumbling paving the way for the rise of communist ones The electric telegraph was rapidly transforming modern communication and with it the news media commerce and politics Suspended between the old and the new the Peking to Paris as best selling historian Kassia St Clair writes became a critical tipping point A gripping immersive narrative of the race The Race to the Future sets the drivers derring do and occasional cheating against the backdrop of a larger geopolitical and technological race to the future Interweaving events from the fall of the Qing dynasty to the departure of the horse economy and the rise of gendered marketing St Clair shows how the Peking to Paris provided an impetus for profound social cultural and industrial change while masterfully capturing the mounting tensions between nations and empires all building up to the cataclysmic event that changed everything the First World War Consistently mind boggling often funny and occasionally hair raising Philip Ball The Race to the Future is the incredible true story of the quest against the odds that propelled us along the road to modernity The New Werner Twentieth Century Edition of the Encyclopaedia Britannica ,1906 *The British Library General Catalogue of Printed Books to 1975* British Library,1984
