Our Wild Weekend:

Our Wild Weekend Martin WADDELL,1990 Our Wild Farming Life Lynn Cassells,Sandra Baer,2023-03-10 As seen on the BBC s This Farming Life The inspirational story of Lynbreck Croft a regenerative Scottish farm rooted in local food community and the dreams of two women Lynn and Sandra left their friends family and jobs in England to travel north to Scotland to find a bit of land that they could call their own They had in mind keeping a few chickens a kitchen garden and renting out some camping space instead they fell in love with Lynbreck Croft 150 acres of opportunity and beauty shrouded by the Cairngorms and deep in the Highlands of Scotland But they had no money no plan and no experience in farming In Our Wild Farming Life Lynn and Sandra recount their experiences as they work out what kind of farmers they want to be learning how to work with Highland cattle become part of the crofting community and understand how they can farm with nature to produce food for themselves and the people around them Through their journey to becoming farmers as The Guardian recently wrote it s clear that nature and the health of the environment plays a central role in everything they do from planting 17 500 native broadleaf trees for wood pasture to setting aside 22 hectares for rewilding And through efforts like these Lynn and Sandra have been able to combine regenerative farming practices with old crofting traditions to keep their own personal values intact Our Wild Farming Life is what happens when you follow your dreams of living on the land a story of how two people became farmers and how they learned to make a living from it their way *Black Mesa* Sharon Balts,2007-12 Cassidy Henderson was only trying to survive With ruthless killers chasing her she meekly allowed private detective Brady Hollister to whisk her away from the scene of the crime **Esther's Promise** Esther Wright,2023-01-30 This is a book about the power of a promise Esther s inspiring journey will give hope to those who are struggling to find a way through the pain of addiction abuse and grief With vivid storytelling and raw honesty Esther shares how a sense of emptiness caused her to look for love acceptance and meaning in all the wrong places She was searching for a saviour but alcohol became a cruel master and an unfaithful friend Spiralling deeper and deeper into the darkness of addiction she finally fell to her knees in desperation not wanting to live with or die from the alcohol that was controlling her life She cried out to God for help and light entered into her darkness Then Esther experienced every parent s worst nightmare as her eldest son Lee was brutally stabbed to death In a single moment her whole world would be changed forever Bravely she fought through the toughest storm of her life With God s help she was able to forgive those who murdered her son and began to live free from the hatred and bitterness that threatened to consume her Rising from the ashes Esther then fell in love with her soul mate Davie The battled together through grief and addiction until his life was cruelly cut short and grief entered her world all over again This is the true story of Esther s battle with addiction love and loss and how a promise helped her stay on the road that led back to life Wildlife Weekends in Southern British Columbia Roy Jantzen,2025-06-24 An astounding new guidebook packed with colour photographs day trips personal reflections and a variety of activities for nature lovers of all

ages Wildlife Weekends invites readers to discover the wildlife that inhabit the ecosystems of southern British Columbia. Greater awareness may lead the reader to form a deeper appreciation and understanding of animals in their habitats ultimately resulting in more people placing greater value on our role in protecting, conserving and even rewilding ecosystems. Written as a guidebook with 20 species-focused chapters covering southern British Columbia, Wildlife Weekends leads the reader to hardened sites that already have viewing infrastructure in place such as trails, boardwalks, parking and restrooms within a six-hour drive from Vancouver. Each chapter guides the reader on a place-based discovery of the species in its local ecosystem. Topics include natural history, First Nations cultural or traditional ecological knowledge, connections, current scientific research and personal stories from wildlife researchers. Themes include how to engage and take action around a species, ethical viewing considerations, minimizing the carbon footprint of your experience and understanding how each species is affected by climate change. Special emphasis is placed on involving children and youth, ways to protect wildlife and resources to grow one's knowledge. Wildlife and locations span widely from killer whales off Saturna Island to hummingbirds in Princeton and from snakes in Osoyoos to bald eagles on the Chehalis Flats near Harrison. Species outlined range even more widely from tiny pika to enormous grey whales from endangered Vancouver Island marmots to iconic moose and colourful Canada darner dragonflies. Wildlife Weekends offers something for everyone.

This unflinching memoir looks back at a decade of love and loss of mothering, identity and ultimately healing. An ode to friendship, home and the extraordinary healing powers of immersing yourself in the natural world, especially the ocean.

Grandpa Rules Michael Milligan,2008-04-23 Fourteen years ago Mike Milligan learned he would become a grandfather for the first time He was surprised to find that there was little or no information available on what it means to be a grandfather how to make the most of the experience and how to be the best grandfather possible Sure there were shelves of books dedicated to grandmothers all with cuddly covers depicting spring bouquets or gentle little lambs But there was not a single book that spoke to him a sixty four year old grandfather to be It struck him that there were countless other grandfathers out there experiencing this same feeling of neglect With over a decade of grandparenting under his belt Milligan is thrilled to offer his Grandpa Rules Over the years Milligan has discovered some universal rules that apply to grandfathers everywhere For example the let it slide rule has taught him to take it in stride when he hears one of his grandchildren say Grandpa sure dresses funny Imbued with Milligan s humor honed during his career in comedy writing for television The Jeffersons All in the Family etc Grandpa Rules will entertain and delight millions of grandfathers as well as those who will soon earn the exalted title of Grandpa It s the perfect gift for a special grandfather for Father s Day a birthday the birth of a grandchild or just for a grandpa to read and enjoy during one of his many bathroom visits Manifest Destiny Zach Daniel,2022-12-06 Left unreconciled the stories of our past will become the harbingers of our future Nick Jacob s father meant the world to him Murdered during an apparent robbery the loss of his only mentor friend and idol left a crimson stain on the pure fabric of Nick s teenage life Carrying the unimaginable burden of grief into his thirties the haunting events of the past stir a new sensation deep inside of him Fueled by anger and a sense of injustice he begins a dark crusade to avenge others who have been similarly wronged The traumatic events of the past puppeteer Nick toward a destiny that he never

chose for himself Expecting to obtain solace Nick begins to uncover the truth of his father s murder He soon realizes that he isn t only in a fight with his inner demons but with what is unearthed in the investigation A fight that stands between him and the future he desires which may cost him everything Manifest Destiny injects readers into a world filled with depth drama and timeless wisdom Nick s story of a desire for justice shows the gravitational pull that the past exerts on our lives But unfortunately seeking vengeance for his father s murder only condemns his future Left unforgiven the dark stories of our history are doomed to play on infinite repeat But as we beseech the world seeking growth and change we need only lay down our past as the necessary sacrifice Weekends with Soul Bridget Hilton-Barber,2001 **It Ain't Cute But It's Real** Chiquita Board,2009-07 *My Saturday Bird Class* Margaret Miller,1893 **Dig** David Nichols,2016-10-11 David Nichols tells the story of Australian rock and pop music from 1960 to 1985 formative years in which the nation cast off its colonial cultural shackles and took on the world Generously illustrated and scrupulously researched Dig combines scholarly accuracy with populist flair Nichols is an unfailingly witty and engaging guide surveying the fertile and varied landscape of Australian popular music in seven broad historical chapters interspersed with shorter chapters on some of the more significant figures of each period The result is a compelling portrait of a music scene that evolves in dynamic interaction with those in the United States and the UK yet has always retained a strong sense of its own identity and continues to deliver new stars and cult heroes to a worldwide audience Dig is a unique achievement The few general histories to date have been highlight reels heavy on illustration and short on detail And while there have been many excellent books on individual artists scenes and periods and a couple of first rate encyclopedias there s never been a book that told the whole story of the irresistible growth and sweep of a national music culture Until now **WordPress 3 for Business Bloggers** Paul Thewlis,2011-12-08 This is a practical hands on book with clear instructions and lot of code examples It takes a simple approach guiding you through different architectural topics using realistic sample projects **Down the Road and Back Again** Jill E.
