Never a Choice Luann Conaty, 2023-04-24 From Luann Perhaps readers of this book still believe that

homosexuality is perverted and evil I understand all too well where people with those views are coming from It has taken me many years to accept the idea that God accepts a union between two people of the same sex No matter how anyone feels about this particular idea the important thing to remember is that we must stop condemning and start loving My journey to understanding is not over I want to keep on growing and learning but I hope that some of what I have learned can be helpful to others who are struggling to understand and to accept This book includes a great deal of my spiritual philosophy because that is an important part of my story and an integral part of who I am However I believe that because I started with so many firmly entrenched misconceptions about homosexuality and because my religious training was so rigidly anti gay my journey was longer and more painful than it needs to be for many others If someone who started out as an Anita Bryant clone can

eventually march in a gay pride parade carrying a sign We love our gay kids there s hope for anyone From Andy As a man who grew up in a time when same sex marriage was completely unthinkable I find being married a wonderful if unexpected experience My husband and I call each other husband all the time it is our preferred term of endearment And having had the opportunity to participate in one of the foundational rituals of love and partnership has added something in my life that I never even knew existed I hope you have enjoyed our stories we have enjoyed sharing them and that you might take something with you to comfort or inspire you on your journey I look forward to the next time our paths cross **Julia** Courtney Cogdell,2018-08-27 Two Souls brought together by the same tragedy Julia Dexter is a young woman with the perfect life and family with everything she can ever ask for As she gets older things begin to change not really in her life but in her own mind She has nightmares that she can not explain and she starts to question what they mean With her eighteenth birthday a few days away life begins to change as she meets twenty two year old Ethan Morrow Although it may seem like the perfect relationship and even better life disaster is just around the corner *Bart Ridgeley* A.G.
