Out Of Dallas 14 Stories:

Voices from Within Nancy N. Jones, 1992 Editor Nancy Jones writes that the poets represented all speak of our common humanity of what it is to be alive in the world today Through their poetry these writers express the trials the laughter the irony the concrete images of each passing day in a world that doesn't always take the time to see the meaning of life In all thirty three distinct voices in this anthology speak on many different topics including romantic and family relationships political and social concerns travel or experiences with people of other cultures responses to literature or drama images or portraits of memorable characters dealing with pain or grief all revealing slices of life Philosophy nature a time past personal reminiscences lie within these pages to be read and reread savored and treasured

Texas Women Writers Sylvia Ann Grider, Lou Halsell Rodenberger, 1997 A critical survey of over 150 years of Texas women writers including fiction and nonfiction authors poets and dramatists

The Railroad in American Fiction Grant Burns, 2015-01-28 Nothing better represented the early spirit of American expansion than the railroad Dominant in daily life as well as in the popular imagination the railroad appealed strongly to creative writers For many years fiction of railroad life and travel was plentiful and varied As the nineteenth century receded the railroad's allure faded as did railroad fiction Today it is hard to sense what the railroad once meant to Americans The fiction of the railroad often by railroaders themselves recaptures that sense and provides valuable insights on American cultural history This extensively annotated bibliography lists and discusses in 956 entries novels and short stories from the 1840s to the present in which the railroad is important Each entry includes plot and character description to help the reader make an informed decision on the source's merit A detailed introduction discusses the history of railroad fiction and highlights common themes such as strikes hoboes and the roles of women and African Americans Such writers of pure railroad fiction as Harry Bedwell Frank Packard and Cy Warman are well represented along with such literary artists as Mark Twain Thomas Wolfe Flannery O'Connor and Ellen Glasgow Work by minority writers including Jean Toomer Richard Wright Frank Chin and Toni Morrison also receives close attention An appendix organizes entries by decade of publication and the work is indexed by subject and title

Let's Hear It Sylvia Ann Grider, Lou Halsell Rodenberger, 2003 A collection of 22 stories by Texas women writers that weave a story of their own the story of women's writing in the Lone Star State from 1865 to the present Authors include Beverly Lowry Carolyn Osborn Annette Sanford Denise Chavez Katherine Anne Porter Judy Alter and Joyce Gibson Roach

Out of Dallas S. Schrup, 1996

Champions of Naught Six: The Story of the 1906 Cleburne Railroaders Wiley Whitten, 2010-05-18 This is the story of the Cleburne Railroaders and the 1906 Texas season Tris Speaker was an 18 year old rookie that season on his way to Baseball's Hall of Fame Ft Worth and Dallas battled for the first half flag but it was Cleburne at season's end that proved to be the best

Concrete Harvey Whipple, 1925

Traders' Tales Ron Insana, 1997-08-18 Acclaim for Trader's Tales I have rarely gone through a day without hearing a joke about Wall Street Ron Insana captures the essence of the culture that creates those jokes

with one hilarious tale after another This book is great fun Stanley Druckenmiller Managing Director Soros Fund Management Ribald tales and outrageous jokes are as much a part of Wall Street as subordinated debentures and Ron Insana has sifted through years of financial lore to collect the best of them A funny funny book certain to draw a chuckle and a wry smile of recognition from even the stiffest Masters of the Universe Bryan Burrough Coauthor Barbarians at the Gate You can't beat Wall Street for witty and outrageous behavior Ron Insana captures it Michael Steinhardt Managing Partner Steinhardt Partners Having worked on Wall Street for 20 years I thought I had heard and seen it all The secrets revealed in this book however are absolutely shocking Elaine Garzarelli Director Garzarelli Capital Inc Wall Street has lots of traders tales which bring us insight into the lighter side of our business This book should bring fun for us all Mario Gabelli Chairman Gabelli Funds Inc 1980 Census of Population ,1984 **Cumulated Index to the Books** ,1915 **The American Bookseller**

,1886 **Engineering News-record** ,1917 A Naturalist's Guide to the Great Plains Paul A. Johnsgard,2018 This book documents nearly 500 US and Canadian locations where wildlife refuges nature preserves and similar properties protect natural sites that lie within the North American Great Plains from Canada's Prairie Provinces to the Texas Mexico border Information on site location size biological diversity and the presence of especially rare or interesting flora and fauna are mentioned as well as driving directions mailing addresses and phone numbers or internet addresses as available US federal sites include 11 national grasslands 13 national parks 16 national monuments and more than 70 national wildlife refuges State properties include nearly 100 state parks and wildlife management areas Also included are about 60 national and provincial parks national wildlife areas and migratory bird sanctuaries in Canada's Prairie Provinces Many public access properties owned by counties towns and private organizations are also described *Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Wherein the Copyright Has Been Completed by the Deposit of Two Copies in the Office* Library of Congress. Copyright Office,1920

Short Stories of the Civil Rights Movement Margaret Earley Whitt,2006 During the civil rights era masses of people marched in the streets boycotted stores and registered to vote Others challenged racism in ways more solitary but no less life changing These twenty three stories give a voice to the nameless ordinary citizens without whom the movement would have failed From bloody melees at public lunch counters to anxious musings at the family dinner table the diverse experiences depicted in this anthology make the civil rights movement as real and immediate as the best histories and memoirs Each story focuses on a particular sometimes private moment in the historic struggle for social justice in America Events have a permanent effect on characters like the white girl in Spring Is Now who must sort through her feelings about the only black boy in her school or the black preacher in The Convert who tells a friend This thing of being a man The Supreme Court can't make you a man The NAACP can't do it God Almighty can do a lot but even He can't do it Ain't nobody can do it but you If a character survives and some do not the event can become a turning point a vision for a better world The sections into which

the stories are grouped parallel the news headlines of the day School Desegregation 1954 on Sit ins 1960 on Marches and Demonstrations 1963 on and Acts of Violence In the last section Retrospective characters look back on their personal involvement with the movement Twenty writers eleven black and nine white are represented in the collection Ten stories were written during the 1960s That the others were written long after the movement s heyday suggests the potency of that time as a continuing source of creative inspiration

The Ethics of the Story David Craig,2006-10-10 The best journalists are masters at their craft With a comma and a colon a vivid verb and a colorful adjective they not only convey important information but also create a sense of place and evoke powerful emotions A compelling story can shape_for good or ill_the way a reader understands people events and issues The Ethics of the Story examines the ethical implications of narrative techniques commonly used in journalism not just literary journalism but also news and feature writing The book draws on interviews with 60 talented journalists including Pulitzer Prize winners to offer practical advice about ethical choices in writing and editing Much has been written about journalism ethics but the discussion has often focused on spectacularly bad decisions_such as Jayson BlairOs and Jack KelleyOs use of fraudulent narrative_rather than the ethical dimension of day to day choices about the building blocks of journalistic storytelling The Ethics of the Story fills a gap in current work on ethics writing and editing It will enlighten any serious wordsmith with a story to tell

Trump, the Administrative Presidency, and Federalism Frank J. Thompson,Kenneth K. Wong,Barry G. Rabe,2020-09-29 How Trump has used the federal government to promote conservative policies The presidency of Donald Trump has been unique in many respects most obviously his flamboyant personal style and disregard for conventional niceties and factual information But one area hasn t received as much attention as it deserves Trump s use of the administrative presidency including executive orders and regulatory changes to reverse the policies of his predecessor and advance positions that lack widespread support in Congress This book analyzes the dynamics and unique qualities of Trump s administrative presidency in the important policy areas of health care education and climate change In each of these spheres the arrival of the Trump administration represented a hostile takeover in which White House policy goals departed sharply from the more liberal ideologies and objectives of key agencies which had been embraced by the Obama administration Three expert authors show how Trump has continued and even expanded the rise of executive branch power since the Reagan years The authors intertwine this focus with an in depth examination of how the Trump administration s hostile takeover has drastically changed key federal policies and reshaped who gets what from government in the areas of health care education and climate change Readers interested in the institutions of American democracy and the nation s progress or lack thereof in dealing with pressing policy problems will find deep insights in this book Of particular interest is the book s examination of how the Trump administration s actions have long term implications for American democracy
