Out Of Egypt Biblical Theology And Biblical Interpretation:

Out of Egypt Craig G. Bartholomew, 2004 Biblical theology is crucial if we are to grasp the whole of the Bible and to do so on its own terms In this fifth volume of the Scripture and Hermeneutics series the authors turn their attention to biblical theology and its importance for biblical interpretation **Out of Egypt: Biblical Theology and Biblical Interpretation** Zondervan, 2011-03-01 Biblical theology attempts to explore the theological coherence of the canonical witnesses no serious Christian theology can overlook this issue The essays in the present volume illustrate the complexity and richness of the conversation that results from attentive consideration of the question In a time when some voices are calling for a moratorium on biblical theology or pronouncing its concerns obsolete this collection of meaty essays demonstrates the continuing vitality and necessity of the enterprise Richard B Hays George Washington Ivey Professor of New Testament The Divinity School Duke University USA This volume on biblical theology jumps into the fray and poses the right kind of questions It does not offer a single way forward Several of the essays are quite fresh and provocative breaking new ground Bray Reno others set out the issues with clarity and grace Bartholomew others offer programmatic analysis Webster Bauckham others offer a fresh angle of view Chapman Martin The success of this series is in facing the challenge of disarray in biblical studies head on and then modeling a variety of approaches to stimulate our reflection Christopher Seitz Professor of Old Testament and Theological Studies St Andrews University UK **Biblical Theology** James K. Mead, 2007-01-01 In this the first overview of biblical theology in nearly thirty years James K Mead addresses the core issues of biblical theology essential to both Old Testament and New Testament study Can we draw theological principles from Scripture What methods will give useful results for theological exploration of biblical texts Aptly synthesizing classic and recent scholarship while asserting his own theological findings Mead provides an excellent overview of the history of biblical theology and a thorough examination of its basic issues methods and themes *The Heartbeat of Old Testament Theology (Acadia Studies in Bible and Theology)* Mark J. Boda, 2017-04-18 This volume explores the theological heartbeat of the Old Testament by examining three big ideas that communicate the Old Testament's redemptive theology Highly respected scholar Mark Boda shows how three creedal expressions the narrative character and relational creeds recur throughout the Old Testament and express its core redemptive theology in turn revealing how the redemptive pulse of God expands to all of creation He also traces these redemptive and creational pulses into the New Testament and shows their relevance for today's Christian community *The Scripture and Hermeneutics Seminar, 25th Anniversary* Zondervan, 2022-10-11 A celebration of 25 years of the Scripture and Hermeneutics Seminar that features contributions from a diverse lineup of today's most respected scholars For twenty five years the Scripture and Hermeneutics Seminar has produced a steady stream of influential global diverse ecumenical and world class research and publications that have impacted a generation of scholars now in mid career teaching or ministering at various universities seminaries divinity schools or churches around the globe The volumes of the seminar have resourced

countless classrooms and have been cited thousands of times in scholarly research and in the pulpits and Bible studies worldwide In celebration of the 25th year of the seminar 1997-2022 this compendium reflects on its work and impact It offers new essays that chart the value of the seminar for biblical interpretation and the needs of biblical interpretation in the future and includes stories from the formative SAHS community This volume distills the work of the seminar for a new generation of students opening to them a gateway to the community and to the resources developed over the past two decades Tightly organized carefully arranged and cross referenced this volume Highlights the work of a significant movement in biblical interpretation in the academy Charts a path of biblical interpretation from the past to the future Helps readers understand the philosophical and theological commitments that undergird biblical interpretation Helps readers construct a theological hermeneutics that yields a deeper richer reading of Scripture Introduces readers to stories of the seminar from scholars and ministers impacted by it This celebratory volume not only gives a unique perspective on the architecture of biblical interpretation in the first quarter of the twenty first century but it is offered in hope of preparing fertile soil for the next generation of women and men to cultivate biblical interpretation for years to come The volume features essays by Craig Bartholomew David Beldman Amber L Bowen Susan Bubbers Jean Louis Chr tien Havilah Dharamraj Bo Lim Murray Rae J Aaron Simmons Anthony Thiselton and John Wyatt

Canon and Biblical Interpretation Zondervan, 2010-10-05 Drawing on a broad array of contributors volume seven of the Scripture and Hermeneutics Series assesses the current state of canonical interpretation and uses that as a starting point for exploring ingredients in theological interpretation of the Bible today Canon and Biblical Interpretation begins with a masterful examination of the canonical approach and the various criticisms that have been leveled against it Additional chapters look at canonical interpretation in relation to different parts of the Bible such as the Pentateuch the Wisdom books the Psalms and the Gospels Articles address such issues as canonical authority and the controversial relationship between canonical interpretation and general hermeneutics A unique chapter explores the relationship between academic exegesis and lectio divina Editors Craig Bartholomew Robin Parry Scott Hahn Christopher Seitz Al Wolters

The Character of Christian Scripture Christopher R. Seitz, 2011-10 An internationally renowned expert in canonical interpretation illuminates the two testament character of Scripture and its significance for the contemporary church

Dynamic Oneness Suzanne Nicholson, 2011-08-25 The apostle Paul affirms in several places that there is only one God Yet in the same letters Paul also gives praise to the Lord Jesus Christ often using language similar to his descriptions of God How can this self avowed Hebrew of Hebrews reconcile these ideas This book explores the strongest one God statements in Paul's undisputed letters and asks how Paul's Jewish monotheistic understanding informs his overall argument These three texts 1 Corinthians 8:6 Galatians 3:20 and Romans 3:30 occur in very different contexts and address different issues By looking at the historical cultural and grammatical contexts of these passages as well as Paul's language about God and Christ elsewhere in these letters Dr Nicholson argues that Paul's understanding of the one God is not static or

perfunctory rather it is dynamic and flexible influencing significant aspects of Paul's Gospel message Paul's ethics his view of salvation history and his soteriology are fundamentally shaped by his understanding of the one God of Israel

Introducing Biblical Hermeneutics Craig G. Bartholomew, 2015-11-10 2016 Word Guild Award Academic category Honorable mention Grace Irwin Prize Renowned scholar Craig Bartholomew coauthor of the bestselling textbook *The Drama of Scripture* writes in his main area of expertise hermeneutics to help seminarians pursue a lifetime of biblical interpretation Integrating the latest research in theology philosophy and biblical studies this substantive hermeneutics textbook is robustly theological in its approach takes philosophical hermeneutics seriously keeps the focus throughout on the actual process of interpreting Scripture and argues that biblical interpretation should be centered in the context and service of the church an approach that helps us hear God's address today *The Cambridge Companion to the New Testament* Patrick Gray, 2021-05-13 This Companion introduces the New Testament in its historical context as well as critical approaches for a non specialist audience It provides an up to date snapshot of scholarship with essays by leading scholars who presume no prior knowledge on the reader's part yet go into greater detail than a typical introductory textbook [The Minor Prophets as Christian Scripture in the Commentaries of Theodore of Mopsuestia and Cyril of Alexandria](#) Hauna T. Ondrey, 2018-05-31 This work compares the Minor Prophets commentaries of Theodore of Mopsuestia and Cyril of Alexandria isolating the role each interpreter assigns the Twelve Prophets in their ministry to Old Testament Israel and the texts of the Twelve as Christian scripture Hauna T. Ondrey argues that Theodore does acknowledge christological prophecies as distinct from both retrospective accommodation and typology A careful reading of Cyril's Commentary on the Twelve limits the prospective christological revelation he ascribes to the prophets and reveals the positive role he grants the Mosaic law prior to Christ's advent Exploring secondly the Christian significance Theodore and Cyril assign to Israel's exile and restoration reveals that Theodore's reading of the Twelve Prophets while not attempting to be christocentric is nevertheless self consciously Christian Cyril unsurprisingly offers a robust Christian reading of the Twelve yet this too must be expanded by his focus on the church and concern to equip the church through the ethical paideusis provided by the plain sense of the prophetic text Revised descriptions of each interpreter lead to the claim that a recent tendency to distinguish the Old Testament interpretation of Theodore negatively and Cyril positively on the basis of their christocentrism obscures more than it clarifies and polarizes no less than earlier accounts of Antiochene Alexandrian exegesis The conclusion argues against replacing old dichotomies with new and advocates rather for an approach that takes seriously Theodore's positive account of the unity and telos of the divine economy and the full range of Cyril's interpretation **Spiritual Reading** Angela Lou Harvey, 2015-10-23 Reading Scripture is a spiritual practice at the very heart of the Christian faith But how is it possible to encounter God in reading the words of the Bible Does reading the Christian Bible require a different approach from how one may read other texts or writings What is required of the spiritual reader to read well Seeking to answer such questions Angela Lou Harvey

provides a theological exploration of the idea of spiritual reading in the context of the Western church today Drawing upon insights of theologians such as Karl Barth Henri de Lubac and Ellen F Davis the author suggests that the particulars of Christian belief profoundly shape the distinctive practice of the spiritual reading of the Bible *A Plain Account of Christian Faithfulness* Rob A. Fringer, Dean G. Smith, 2020-05-04 The title of this work *A Plain Account of Christian Faithfulness* is a play on John Wesley's famous book *A Plain Account of Christian Perfection* It reflects the focus character and actions of David B McEwan for whom this book has been dedicated The essays have been written by scholars from around the globe each focusing on an aspect of faithfulness from a Wesleyan perspective and covering the broad disciplines of Bible theology history and pastoral theology This book has something for everyone and ultimately invites the reader into deeper Christian faith and faithfulness

A Brief History of Old Testament Criticism Mark S. Gignilliat, 2012-06-05 Mark Gignilliat discusses critical theologians and their theories of Old Testament interpretation in this concise overview providing a working knowledge of the historical foundation of contemporary discussions on Old Testament interpretation Old Testament interpretation developed as theologians and scholars proposed critical theories over time These figures contributed to a large developing complex of ideas and trends that serves as the foundation of contemporary discussions on interpretation Mark Gignilliat brings these figures and their theories together in *A Brief History of Old Testament Criticism* His discussion is driven by influential thinkers such as Baruch Spinoza and the critical tradition Johann Semler and historical criticism Hermann Gunkel and romanticism Gerhard von Rad and the tradition historical approach Brevard Childs and the canonical approach and more This concise overview is ideal for classroom use as it provides a working knowledge of the major critical interpreters of the Old Testament their approach to the subject matter and the philosophical background of their approaches Further reading lists direct readers to additional resources on specific theologians and theories This book will serve as a companion to the forthcoming textbook *Believing Criticism* by Richard Schultz

[Reading Scripture as the Church](#) Derek W. Taylor, 2020-09-22 The Bible is meant to be read in the church by the church as the church Following the example of Dietrich Bonhoeffer Derek Taylor argues that we should regard the reading of Scripture as an inherently communal exercise of discipleship In conversation with other theologians Taylor shares how this approach to Scripture can engender a faithful hermeneutical community

Vessels of Wrath, Volume 1 Richard M. Blaylock, 2023-08-17 Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In *Vessels of Wrath* Richard M Blaylock tackles the thorny subject of divine reprobating activity DRA Through an exhaustive biblical theological study of the Old and New Testaments Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical authors showcase both the significance and the complexity of DRA in a variety of ways The book

aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity **The Book of Isaiah and God's Kingdom** Andrew Abernethy,2016-07-21 Andrew Abernethy employs the concept of kingdom as an entry point for organizing Isaiah's major themes Four features frame his study God the King the lead agents of the King the realm of the kingdom the people of the King **God and Meaning** Joshua W. Seachris,Stewart Goetz,2016-09-08 Over the past decade there has been a growing interest among analytic philosophers in the topic of life's meaning What is striking about this surge of work is that nearly all of it is by naturalists theorizing from non theistic starting points This book answers the need for a theistic philosophical perspective on the meaning of life Bringing together some of the leading thinkers in analytic philosophy of religion and theology God and Meaning touches on important issues in metaphysics epistemology ethics philosophy of religion and biblical theology that intersect with life's meaning In particular What does the question What is the meaning of life mean How can we know if life has meaning and what that meaning is Might God enhance life's meaningfulness in some ways but detract from it in others Is the most meaningful life one of perfect happiness What is the relationship between eternity and life's meaning How does the Old Testament book of Ecclesiastes illumine the topic Should we hope that a kind of transcendent meaning exists Presenting a state of the art assessment of current philosophical positions on these and many other questions God and Meaning is an invaluable resource for all students and scholars of the philosophy of religion The New Heaven and New Earth Raymond R. Hausoul,2020-04-09 There is a growing focus on the Christian confession of God's completed kingdom the new heaven and the new earth This theme has time and again seduced people into elaborate fantasies that stimulated the senses How can we talk about it meaningfully Raymond R Hausoul relates systematic theology to biblical theology by comparing three theologians the Catholic theologian Karl Rahner the Protestant Jürgen Moltmann and the Reformed Gregory Beale This leads to reflections on differences between matter space and time of the new heaven and new earth and those of our present reality The hope for renewal and resurrection is thus linked to the prophecies of the new Jerusalem the tree of life and the resurrection body **Hearing the Old Testament** Craig G. Bartholomew,David J. H. Beldman,2012-05-02 Scholars discuss how contemporary Christians can better hear and appropriate God's address in the Old Testament from publisher description
