Contact with the Depths Michael Eigen, 2018-03-21 This book explores ways we make contact with the depths in ourselves and each other We are deeply moved by contact we make with life yet also puzzled by a need to break or lose contact and often suffer wounds by failure of contact to be born Our sense of contact is tenacious and fragile subject to deformations plagued with a sense of jeopardy Chapters focus on ways we make and break contact in the wounded aloneness of addiction the wounded beauty of psychosis the importance of not knowing and wordlessness ways we transmit emotions the need to start over and harm we cause by trying to get rid of and misuse tendencies that are part of our makeup Our contact with life ourselves each other is challenged And through it all we have need for deep contact contact with the depths fulfilling and suspenseful Contact we never stop growing into part of the mystery care and love of everyday life

Kabbalah and Psychoanalysis Michael Eigen, 2018-03-08 Wilfred Bion once said I use the Kabbalah as a framework for psychoanalysis Both are preoccupied with catastrophe and faith infinity and intensity of experience shatter and growth of being that supports dimensions which sensitivity opens Both are preoccupied with ontological implications of the Unknown and the importance of emotional life This work is a psychospiritual adventure touching the places Kabbalah and psychoanalysis give something to each other Michael Eigen uses aspects of Bion Winnicott Akivah Luria and Nachman and many more as colours on a palette to open realities for growth of experience Bion called faith the psychoanalytic attitude and Eigen here explores creative paradoxical multidimensional aspects of faith Eigen previously wrote of psychoanalysis as a form of prayer in The Psychoanalytic Mystic In Kabbalah and Psychoanalysis he writes of creative faith Sessions as crucibles in which diverse currents of personality mix in new ways alchemy or soul chemistry perhaps or simply homage to our embryonic nature which responds to the breath of feeling moment to moment

Sacred Spaces Margaret Silf, 2014-05-15 Popular author Margaret Silf introduces you to the seven traditional sacred spaces reflect on practises and scripture There are many books that explore actual physical sacred space and pilgrimage sites This is a different kind of book It introduces seven traditional sacred spaces but then leads readers into a deeper reflection on what such sacred space means in our own lives and experience The various sacred spaces explored are the Celtic Cross the infinite knot hilltops wells and springs causeways and bridges thresholds and burial grounds and boundaries In each chapter the author introduces a sacred space as the main theme and then illustrates this by associating it with a particular stage of life and a particular sacramental experience The ideas are then brought together by means of a scripture story
