hunt to the top whitetail states      Bridge Stories Susan Wilson-Shultz,2014-04 Like a lot of people Susan didn't believe that she had a story worth sharing a story that would impact lives for Christ that is until that surprising day when God called her to write her testimony That day with fingers pressed upon the keys of her laptop Susan embarked on a journey that forever changed her life as well as the lives of others Over the course of a few years as Susan wrote God began to orchestrate the events of her life to paint a beautiful picture depicting how His people should live in preparation for His return and demonstrating His desire that we begin living lives that testify to Him In these pages you will find more than simply the words that describe Susan's personal journey you will hear the Savior's voice You will hear the message that Jesus lovingly laid on her heart a message that speaks about how He longs for His ultimate wedding day to His Bride the Church and about how we should live in preparation for that day Just as a bridge once connected Jerusalem with the Temple Mount bringing people closer to the Temple where God resided these stories will lead you into a deeper relationship with the Lord They will help you to discover your own story for God created you to testify You are meant to be a bridge that leads others to Christ God wants to speak through you so let's get started finding your story      His Morning Sun Morning Sun Yellow Pony,2016-04-06 To read this book is to take an incredible journey It is almost unbelievable that one person could live through so much and survive it all much less go on to heal the emotional damage done to her heart mind and soul A tissue may be required as His Morning Sun shares the author's own life story as heart rending as it was However the biggest mistake the reader could do is to put the book down where her story ends The second half of the book is about your own healing Morning Sun takes the exact same teachings that God used to heal her life and presents them to you the reader for your own healing She walks the reader through each step of their healing and uses her own life as the example Morning Sun shows you her heart then takes you on a journey into the very depths of your own heart      **The Tower Princess** Shonna Slayton,2018-02-26 A princess in a tower A prince hidden at birth Together they'll tear down walls The townspeople call her the Tower Princess but Gressa's life is no fairy tale She's never understood why she's been separated from the rest of the kingdom but now that she's older the pieces are coming together For too long she's been trapped in her brother's scheme to find a way through the magical wall dividing their kingdom in two She doesn't expect any help from the prince to the south even if he did manage to bumble his way to her rescue If she could pick anyone to form an alliance it would be the squire she watches train from her window he shows promise But confined to her tower there's nothing she can do or is there One day a hole opens up in the Dividing Wall and with it a chance for Gressa to change everything The Tower Princess is the first book in the Lost Fairy Tales series a collection of loosely connected stand alone novels If you like classic fairytale stories and sweet romance then you'll love Gressa and Manny's desperate quest for rescuing their kingdom
