Aside from the pain and stress of the disease itself, the diagnosis brings with it the horror of being subjected to terrifying surgeries, radiation, and chemotherapy, all of which can have side effects as bad as or worse than the disease. When Sheryl Malin was diagnosed with breast cancer, she wasn't willing to have her health ruined by US standard cancer treatments. Instead, she and her husband went to the internet and, armed with their belief that the usual prescribed course of action wasn't right for Sheryl, they discovered highly effective alternative treatments being used in Europe and in Mexico. This is the story of how Sheryl beat cancer without surgery, chemo, or radiation. Through her daily journal, which she also shared online as a blog with readers who followed her journey of hope, Sheryl charts her progress. With information ranging from the types of alternative treatments available to the necessity of lifestyle changes to stay healthy, Sheryl's amazing memoir is a radiant beacon of possibility for anyone who has been diagnosed with cancer.
