Out Of Touch When Parents And Children Lose Contact After Divorce

A Loxley

Out Of Touch When Parents And Children Lose Contact After Divorce:

Out of Touch Geoffrey L. Greif, 1997-04-03 The breakdown of the family has moved in recent years to the forefront of national consciousness All manner of social ills from poor academic performance to teenage drug use and gang crime have been attributed to high divorce rates and the collapse of the traditional two parent family Targets of particularly harsh criticism are parents who lose all contact with their children after a divorce So called deadbeat dads are denounced in political speeches and ridiculed on billboard advertisements mothers who lose touch with their children are stigmatized as emotionally unstable or lacking maternal instincts Everyone seems to understand the importance of children being raised by two parent families and the damage that can occur when one parent loses contact completely What is significantly less clear is why this loss of contact occurs and what can be done to prevent it In *Out of Touch* Geoffrey Greif explores these issues with clarity compassion insight and an evenhandedness rarely encountered in an arena far more susceptible to acrimonious debate than sympathetic understanding Setting out to find the reality beneath the catchall categorization of out of touch parents as deadbeats substance abusers child mistreaters or criminals Greif focuses on those parents who tried and for a vast array of reasons failed to maintain contact with their children It is their voices in a discussion dominated up till now by the custodial parent that we most need to hear Greif argues if we are to uncover ways to avoid such failures in the future Rather than offering dry statistics and abstract generalizations Greif lets us hear these voices directly in 26 in depth interviews with estranged parents and with children caught in the crossfire of painful divorces Extending over a period of two to ten years these interviews and Greif's perceptive analyses of them reveal the whole spectrum of logistical emotional and legal difficulties that keep parents and children apart From the ordinary problems of visitation rights and child support to the more complex and troubling issues bitter court battles accusations of sexual abuse domestic violence children rejecting a parent child kidnapping and many others *Out of Touch* vividly and often heartbreakingly presents all the ways that fathers and mothers even with the best intentions can lose contact with their children But the book does more than tell the stories of failed relationships Its concluding chapter offers a series of specific and extremely helpful suggestions for families parents children grandparents who find themselves in danger of complete estrangement Greif outlines how families can employ support systems communication skills mediation and many other strategies to overcome the most difficult obstacles that occur after a divorce It is here that the lessons gleaned from the broken relationships of the past become invaluable advice for the future Informed by fresh perspectives moving personal accounts and a clear sighted approach to a tangled issue *Out of Touch* is a timely and deeply important book about both the forces that drive parents and children apart and the understanding that can keep them together

Out of Touch Geoffrey L. Greif, 2023 Why do parents stop having contact with their children after separation and divorce This book explores what the loss of contact means to parents as well as to their children It also discusses the emotional legal and public policy issues involved for divorced parents and their children

The Scientific Basis of Child Custody Decisions Robert M. Galatzer-Levy, Louis Kraus, Jeanne Galatzer-Levy, 2009-03-23

The legal system requires mental health professionals to provide research summaries to support their evaluations in child custody cases. Contributions from leading developmental researchers, legal professionals, and clinicians describe how scientific evidence is properly used in court. Timely and current, this book helps evaluators access the best information to fulfill their obligations to their clients and the court. The Second Edition adds chapters on family observation, parental alienation, and sexual abuse. Forensic psychologists, family lawyers, and judges will be equipped with the most current information to aid in custody decisions.

Handbook of Father Involvement Natasha J. Cabrera, Catherine S. Tamis-LeMonda, 2012-12-06

This book brings together experts from diverse scientific disciplines who share an interest in the topic of father involvement. Unlike most books in the field which tend to solely draw from a psychological perspective, this Handbook merges theories and research from the unique fields of psychology, economics, demography, sociology, anthropology, and social policy. For the most part, research on fathering is motivated by concern for children's well-being. Social scientists share a core set of questions including: Who are fathers? What is father involvement and how does it affect children and families? What are the determinants of father involvement? How do cultural contexts shape fathers' roles in families? This Handbook sheds light on how a cross-disciplinary approach to the study of fathering can advance knowledge about these fundamental questions. This integrative approach is fundamental to a comprehensive understanding of human development generally and to fathering more specifically. At the core of this book are the goals of describing and understanding the nature, antecedents, and consequences of father involvement across biological status, family structure, culture, and stages in children's development, both within and across scientific boundaries. Each of the scientific disciplines represented offers unique methodological and theoretical approaches to the study of fathering and to the interpretation of behavioral patterns that characterize ecological systems that include as well as extend beyond family units. Together, the chapters offer provocative and challenging insight into the nature and meaning of fatherhood and father involvement by questioning longstanding assumptions about fathers' roles in the lives of families and children in current history.

Parenting and Child

Development in Nontraditional Families Michael E. Lamb, 1998-10-01

The goal of this volume is to discuss in depth the ways in which various deviations from traditional family styles affect childrearing practices and child development. Each of the contributors illustrates the dynamic developmental processes that characterize parenting and child development in contexts that can be deemed nontraditional because they do not reflect the demographic characteristics of the traditional families on which social scientists have largely focused. The contributors deal with the dynamics and possible effects of dual career families, families with unusually involved fathers, families characterized by the occurrence of divorce, single parenthood, remarriage, poverty, adoption, reliance on nonparental childcare, ethnic membership, parents with lesbian or gay sexual orientations, as well as violent and/or neglectful parents. By doing so, the authors provide thoughtful, literate, and up-to-date

accounts of a diverse array of nontraditional or traditionally understudied family types All the chapters offer answers to a common question How do these patterns of childcare affect children their experiences and their developmental processes The answers to these questions are of practical importance relevant to a growing proportion of the families and children in the United States but also have significant implications for the understanding of developmental processes in general As a result the book will be of value to basic social scientists as well as those professionals concerned with guiding and advising clients and public policy

Children and Separation Kwame Owusu-Bempah, 2014-09-03 Childhood separation and loss have become virtually a way of life for a large number of children throughout the world Children separated from their genetic parent s and consequently their genealogical social and cultural roots due to processes such as adoption parental divorce separation donor insemination single parenthood by choice and child trafficking can face social emotional and psychological difficulties This book explores the premise that a proper understanding of the complex inner world of modern day separated children and their psycho social development requires a shift in focus or emphasis It presents the notion of socio genealogical connectedness as a new theoretical framework for studying and promoting these children s growth and development This new theory simultaneously challenges and complements existing notions of psycho social development including attachment theory and Erikson s psycho social theory of personality development Owusu Bempah proposes that this sense of socio genealogical connectedness is an essential factor in children s adjustment to separation and their emotional and mental health much like those adopted separated children suffer a loss of genealogical continuity and hence loss of self This hypothesis is discussed and ultimately supported through both the author s own research and a broad selection of theoretical and empirical material from other areas The book further considers the implications of this notion of socio genealogical connectedness for childcare policy and practice as well as directions for future research in this and related fields Children and Separation is an invaluable resource for academics students and childcare professionals The accessible style of the book ensures that it will also be useful to parents and anybody affected by childhood separation

Parenting From Afar and the Reconfiguration of Family Across Distance Maria Rosario T. de Guzman, Jill Brown, Carolyn Pope Edwards, 2018-04-06 An increasing number of families around the world are now living apart from one another subsequently causing the defining and redefining of their relationships roles within the family unit and how to effectively maintain a sense of familial cohesion through distance Edited by Maria Rosario T de Guzman Jill Brown and Carolyn Pope Edwards Parenting From Afar and the Reconfiguration of Family Across Distance uniquely highlights how families both in times of crisis and within normative cultural practices organize and configure themselves and their parenting through physical separation In this volume readers are given a unique look into the lives of families around the world that are affected by separation due to a wide range of circumstances including economic migration fosterage divorce military deployment education and orphanhood Contributing authors from the fields of psychology anthropology sociology education and geography all delve deep into the daily realities

of these families and share insight on why they live apart from one another how families are redefined across long distances and the impact absence has on various members within the unit An especially timely volume *Parenting From Afar and the Reconfiguration of Family Across Distance* offers readers an important understanding and examination of family life in response to social change and shifts in the caregiving context

Clinical and Educational Interventions with Fathers

Jay Fagan, Alan Hawkins, 2018-10-24 Call on men's hidden strengths to help them become responsible fathers in even the most challenging circumstances *Clinical and Educational Interventions with Fathers* gives you fresh approaches for effective interventions with fathers Whether by calling on their faith to help them deal with the complexities of fatherhood or offering high tech interventions on the Internet these techniques help men find their strengths maintain their masculinity and learn to guide nurture and discipline with love and responsibility Instead of thinking of fathers as deficient the book emphasizes finding fathers strengths and potentials for growth It also respects the diversity of parenting styles among fathers from various ethnic racial and class backgrounds No man wants to be a bad father Nevertheless many men in our culture do not know how to care for the children they beget Trapped by stereotypes of masculine behavior and deprived of positive role models they find themselves trying to do the challenging work of fatherhood without the necessary resources information or support *Clinical and Educational Interventions with Fathers* offers positive approaches to helping men become responsible fathers including designing special techniques and programs to help fathers in prison and other challenging circumstances helping fathers manage anger developing therapeutic support groups for African American men offering Web based support for fathers training staff to recognize and respond to fathers unique needs finding legal tools to support fathers rights Reaching fathers has become an ever more urgent priority for practitioners as family structure and family life change Traditional social service programs for mothers tend not to work well with men's very different needs and attitudes Yet very little has been published on successful interventions with fathers *Clinical and Educational Interventions with Fathers* fills that gap and suggests promising new directions for further research in this field By offering positive tested ways to help men become responsible fathers this volume will help you improve their lives and the lives of their sons and daughters

Parenting Plan Evaluations Leslie Drozd, Michael Saini, Nancy Olesen, 2016-02-02 More so than in any other form of forensic evaluation mental health professionals who conduct parenting plan evaluations must have an understanding of the most current evidence in the areas of child development optimal parenting plans across various populations behavioral psychology family violence and legal issues to inform their opinions In addition family law judges and legal professionals require the best available evidence to support their decisions and positions *Parenting Plan Evaluations* has become the go to source for the most current empirical evidence in the field of child custody disputes Fully updated in this Second Edition the volume continues its focus on translating and implementing research associated with the most important topics within the family court It presents an organized and in depth analysis of the latest research and offers specific recommendations for

applying these findings to the issues in child custody disputes Written by international experts in the field chapters cover the most important and complex issues that arise in family court such as attachment and overnight timesharing with very young children co parenting children with chronic medical conditions and developmental disorders domestic violence during separation and divorce alienation gay and lesbian co parents and relocation among others This volume assists forensic mental health professionals to proffer empirically based opinions conclusions and recommendations and assists family law judges and attorneys in evaluating the reliability of the information provided to the courts by mental health professionals in their reports and testimony Not just for forensic evaluators Parenting Plan Evaluations is a must read for legal practitioners family law judges and attorneys and other professionals seeking to understand more about the science behind parenting plan evaluations

Parenting Plan Evaluations Kathryn Kuehnle, Leslie Drozd, 2012-01-09 When conducting parenting plan evaluations mental health professionals need to be aware of a myriad of different factors More so than in any other form of forensic evaluation they must have an understanding of the most current findings in developmental research behavioral psychology attachment theory and legal issues to substantiate their opinions As such there is an essential need for a text focused on translating and implementing research associated with the most important topics within the family court This book addresses this gap in the literature by presenting an organized and in depth analysis of the current research and offering specific recommendations for applying these findings to the evaluation process Written by experts in the child custody arena chapters cover issues associated with the most important and complex issues that arise in family court such as attachment and overnight timesharing with very young children dynamics between divorced parents and children s potential for resiliency co parenting children with chronic medical conditions and developmental disorders domestic violence during separation and divorce gay and lesbian co parents and relocation among others The scientific information provided in these chapters assists forensic mental health professionals to proffer empirically based opinions conclusions and recommendations Parenting Plan Evaluations is a must read for legal practitioners family law judges and attorneys and other professionals seeking to understand more about the science behind child custody evaluations

Motherhood Andrea O'Reilly, Marie Porter, Patricia Short, 2005-08-25 In feminism the institution of mothering motherhood has been a highly contested area in how it relates to the oppression of women As Adrienne Rich articulated in her classic 1976 book *Of Woman Born* Motherhood as Experience and Institution although motherhood as an institution is a male defined site of oppression women s own experiences of mothering can nonetheless be a source of power This volume examines four locations wherein motherhood is simultaneously experienced as a site of oppression and of power embodiment representation practice and separation Motherhood Power and Oppression includes psychological historical sociological literary and cultural approaches to inquiry and a wide range of disciplinary perspectives qualitative quantitative corporeal legal religious fictional mythological dramatic and action research This rich collection not only covers a wide range of subject matter but also illustrates ways of doing

feminist research and practice **The Postdivorce Family** Ross A. Thompson, Paul R. Amato, 1999-03-31 With about one half of all marriages ending in divorce today it is safe to say that nearly everyone will be or has been affected by divorce in some way For many it does not mean the end to a family Focusing on the consequences of divorce for children The Postdivorce Family examines the stressors that divorce can create adjustment problems among children of divorce the issue of resilience for children and individual differences in the psychological adjustment to divorce The authors also examine the parents responsibilities after divorce including custody issues child support orders and nonresidential parenting This book concludes with a section that explores the effects of a high divorce rate in society including how the prevalence of divorce has changed the family form and structural factors that have contributed to various social problems With this volume the authors hope to incite analysis and reflection of the issues surrounding divorce and their implications for public policy This book integrates the empirical research and policy perspectives of several scholars in various disciplines including psychology sociology human development law and social work *Parenting after Partnering* Mavis Maclean, 2007-12-20 Relationships between adult partners following divorce or separation can be fragile and the issues which have divided the parents are often hard to disentangle from the ongoing relationships between parents and children There is a small group who have ongoing difficulty and who need professional help and legal intervention to make arrangements for ongoing parenting This volume brings together a wealth of new empirical research from the USA Central North Western and Southern Europe and Australia on the nature and importance of children s relationships with parents after parental separation on the kinds of conflicts which develop and on the range of professional interventions which support parents and children through these difficult times **Group Work with Populations at Risk** Geoffrey L. Greif, Paul H. Ephross, 2005 Group Work with Populations at Risk 2nd Edition is a fundamental book aimed at social workers and other mental health professionals interested in at risk groups with specific populations Accessible and practical as well as scientifically and theoretically sound the text provides a set of guidelines for social workers who are called upon to work with groups of people facing such issues as cancer AIDS addiction head injury divorce mental illness and abuse The second edition expands the scope of the book to additionally address the significant world developments that have affected th Overcoming the Odds Freeman A. Hrabowski III, Kenneth I. Maton, Monica L. Greene, Geoffrey L. Greif, 2002-02-07 When Beating the Odds Raising Academically Successful African American Males appeared in 1998 it was hailed as a crucial book Baltimore Sun and undoubtedly one of the most important tools the African American parent can possess Kweisi Mfume President NAACP Now in response to enormous demand the authors turn their attention to African American young women Statistics indicate that African American females as a group fare poorly in the United States Many live in single parent households either as the single parent mother or as the daughter Many face severe economic hurdles Yet despite these obstacles some are performing at exceptional levels academically Based on interviews with many of these successful young women and their families Overcoming the Odds

provides a wealth of information about how and why they have succeeded what motivates them how their backgrounds and family relationships have shaped them even how it feels to be a high academic achiever They also discuss the challenges of moving into African American womanhood from maintaining self esteem to making the right choices about their professional and personal lives Most important the book offers specific and inspiring examples of the practices attitudes and parenting strategies that have enabled these women to persevere and triumph For parents educators policy makers and indeed all those concerned about the education of young African American women *Overcoming the Odds* is an invaluable guidebook on creating the conditions that lead to academic and lifelong success **Law Institute Journal** ,1997 **Children of Divorce Resource Guide** ,1998 *Gemeinsame Elternschaft nach der Scheidung* Judit Barth-Richtarz,2012-05-04 Judit Barth Richtarz zeigt auf wie die Sorgerechtsform auf zentrale Entwicklungsbedingungen der Kinder in der Nachscheidungsfamilie Einfluss nimmt wie etwa das Ausmaß an Kontakt des Kindes zu beiden Eltern die Beteiligung des getrennt lebenden Elternteils an Betreuung und Erziehung des Kindes oder das Konfliktklima zwischen den Eltern Darauf basierend besch ftigt sich die Autorin mit der Frage welche Schl sse f r die Beratung von Familien die von Scheidung betroffen sind zu ziehen sind American Book Publishing Record ,1997 *Durable Solutions* Mathew Thorpe,Rosemary Budden,2006 The papers of the 2005 Interdisciplinary Conference at Dartington Hall

Out Of Touch When Parents And Children Lose Contact After Divorce Introduction

In today's digital age, the availability of Out Of Touch When Parents And Children Lose Contact After Divorce books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Out Of Touch When Parents And Children Lose Contact After Divorce books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Out Of Touch When Parents And Children Lose Contact After Divorce books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Out Of Touch When Parents And Children Lose Contact After Divorce versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Out Of Touch When Parents And Children Lose Contact After Divorce books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Out Of Touch When Parents And Children Lose Contact After Divorce books and manuals, several platforms offer an extensive

collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Out Of Touch When Parents And Children Lose Contact After Divorce books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Out Of Touch When Parents And Children Lose Contact After Divorce books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Out Of Touch When Parents And Children Lose Contact After Divorce books and manuals for download and embark on your journey of knowledge?

FAQs About Out Of Touch When Parents And Children Lose Contact After Divorce Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities,

enhancing the reader engagement and providing a more immersive learning experience. Out Of Touch When Parents And Children Lose Contact After Divorce is one of the best book in our library for free trial. We provide copy of Out Of Touch When Parents And Children Lose Contact After Divorce in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Out Of Touch When Parents And Children Lose Contact After Divorce. Where to download Out Of Touch When Parents And Children Lose Contact After Divorce online for free? Are you looking for Out Of Touch When Parents And Children Lose Contact After Divorce PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Out Of Touch When Parents And Children Lose Contact After Divorce. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Out Of Touch When Parents And Children Lose Contact After Divorce are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories.
