Ryan Caplinger, 2023-09-08 The darkness from within is something that everyone can relate to no matter what age what generation nobody gets through life unscathed We all have a past we all go through darkness and pain No matter what darkness we go through in life it is up to us to see the light and find our way out Have you ever loved a narcissist and lost your own identity Have you ever had your heart broken or broke someone's heart Have you ever lost someone you loved too soon and didn't know how to say goodbye Unfortunately we all have it is up to us to fight the darkness from within and find the positive even if that means it was never your fault It was the cards you were dealt Life isn't fair but if you search within yourself you will find the answers so that you will not be defeated by the darkness and find your inner light [The Tatterdemon Omnibus](#) Steve Vernon, 2016-10-05 Grab all three volumes of the spine chilling TATTERDEMON trilogy now available in one single money saving volume In 1691 the town of Crossfall taught the witch Thessaly how to die They beat her they shot her they hung her but nothing worked When they finally tried to bury her alive Thessaly set the field against them The first man died as a gust of wind harrowed the meat from his bones A root flung like a dirty javelin cut a second man down Many more deaths followed The Preacher Fell impaled the witch upon her very own broom but she dragged him down into the field to wait for three more centuries Three hundred years later Maddy Harker will murder her bullying husband Vic She will bury him in the field as she buried her abusive father years before that The very same field where the revenant spirit of Thessaly Cross lies waiting In three days Vic will rise again a thing of dirt bone and hatred Men will call him the Tatterdemon And hell and Thessaly will follow WHAT PEOPLE ARE SAYING ABOUT STEVE VERNON The genre needs new blood and Steve Vernon is quite a transfusion Edward Lee author of FLESH GOTHIC and CITY INFERNAL If Harlan Ellison Richard Matheson and Robert Bloch had a three way sex romp in a hot tub and then a team of scientists came in and filtered out the water and

 Bible uses so many references to seeds plants and harvest Or why the first home for humanity was a garden Does the
 abundance of foliage all around us perhaps have some wisdom from our maker entwined within its roots When we compare
 our lives to the life cycle of plants we can see similarities that allow us to relate and in that relationship there is wisdom and
 answers Our world is surrounded by plant life in various stages of their life cycle from seed form to harvest There s no
 mistake that God first created a garden and had us work the ground God s garden is the world around us When we sit in the
 garden not only are we blessed by God s colorful artistry but we find wisdom for how to live our lives in abundance producing
 fruit for God s harvest As you read this book you will discover God s love his plan and his purpose for you as you compare

yourself to the seed sprout leaves flowers fruit and harvest You will also learn from God s divine design as we study the storms and pests that may hinder growth and stall or completely stop a potential harvest How can we be prepared to weather the storms in our life Is there something to be learned from the plants that have survived through drought storms and pests You do not have to be a farmer or gardener to enjoy this book because everything we discuss is all around you If your thumb isn t even the faintest bit of green you can still gain great wisdom from this book God does not call the qualified but qualifies the called and that is you Believe it or not you are valuable You are important in God s massive design and he wants your help with the harvest This book dives deep into the promises of God and how he planted you specifically with a purpose to enact change in this world whether big or small it s all impactful and so are you 2 **Dark Tide** J.S.
